The cover features six stylized white figures arranged around the title. Each figure has a flame-shaped head and a simple, elongated body with outstretched arms and legs. They are positioned at various angles and sizes: one at the top left, one in the top center, one to the right of the center, one on the left side, one at the bottom left, and one at the bottom center.

step right up to take this journey
life all crowded
overflowing
soft and loud
discover here

grasp at all
the new beginnings
soon to settle
into patterns
ringing bells to signal change
read those signs
that sometimes rhyme
to catch your darting eyes below
yet don't forget
amidst the rest
to share the crush of charging players
soft and loud remember here

now pause to take a deeper look
but at a slower pace this time

remember here the gentler moments
thrills and spills
and heartache
sorrow
something here for one and all

see the puzzling campus visitor
sights not often seen round here
hear the laughter ever flowing
through the opaque classroom wall
feel the bond of close-knit friendship
something here for one and all

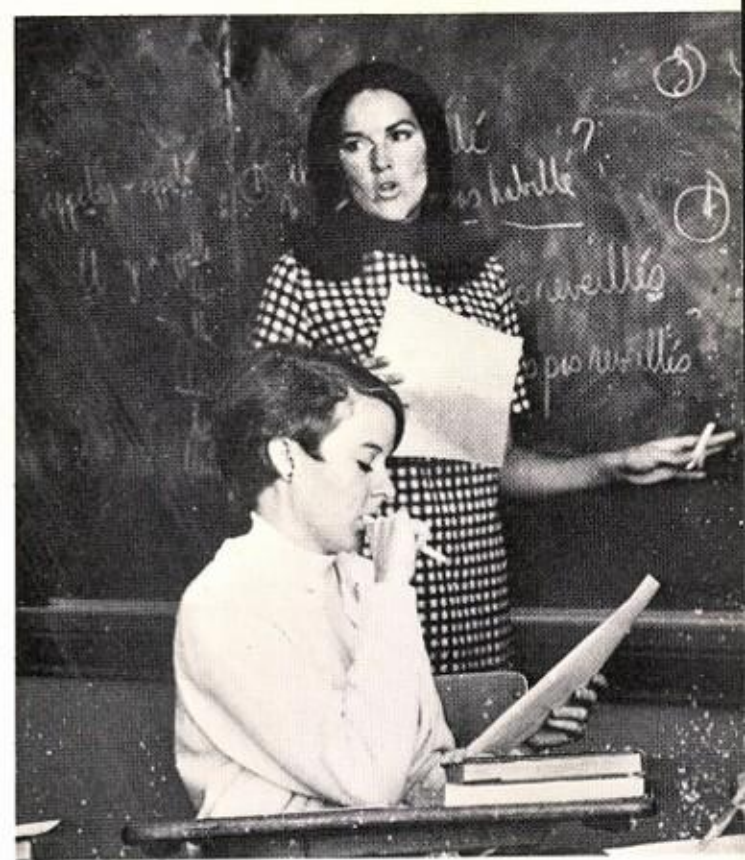

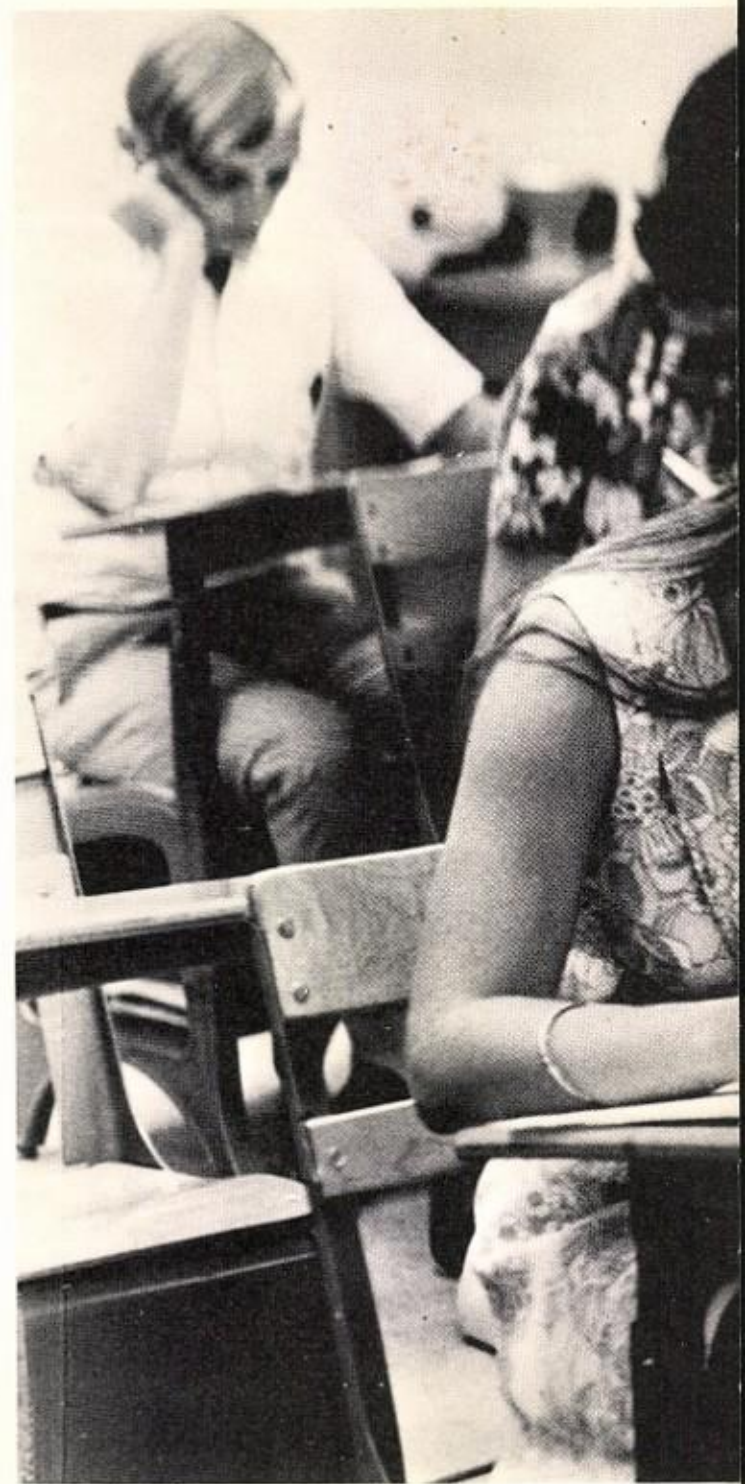

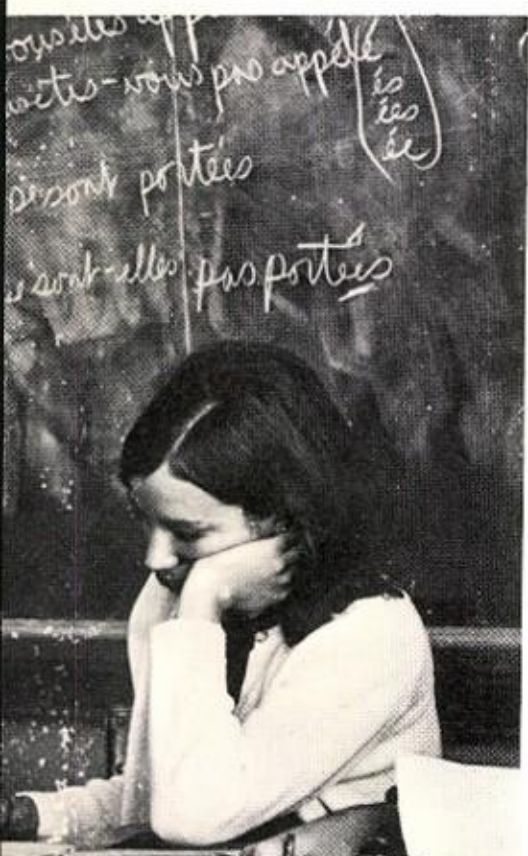

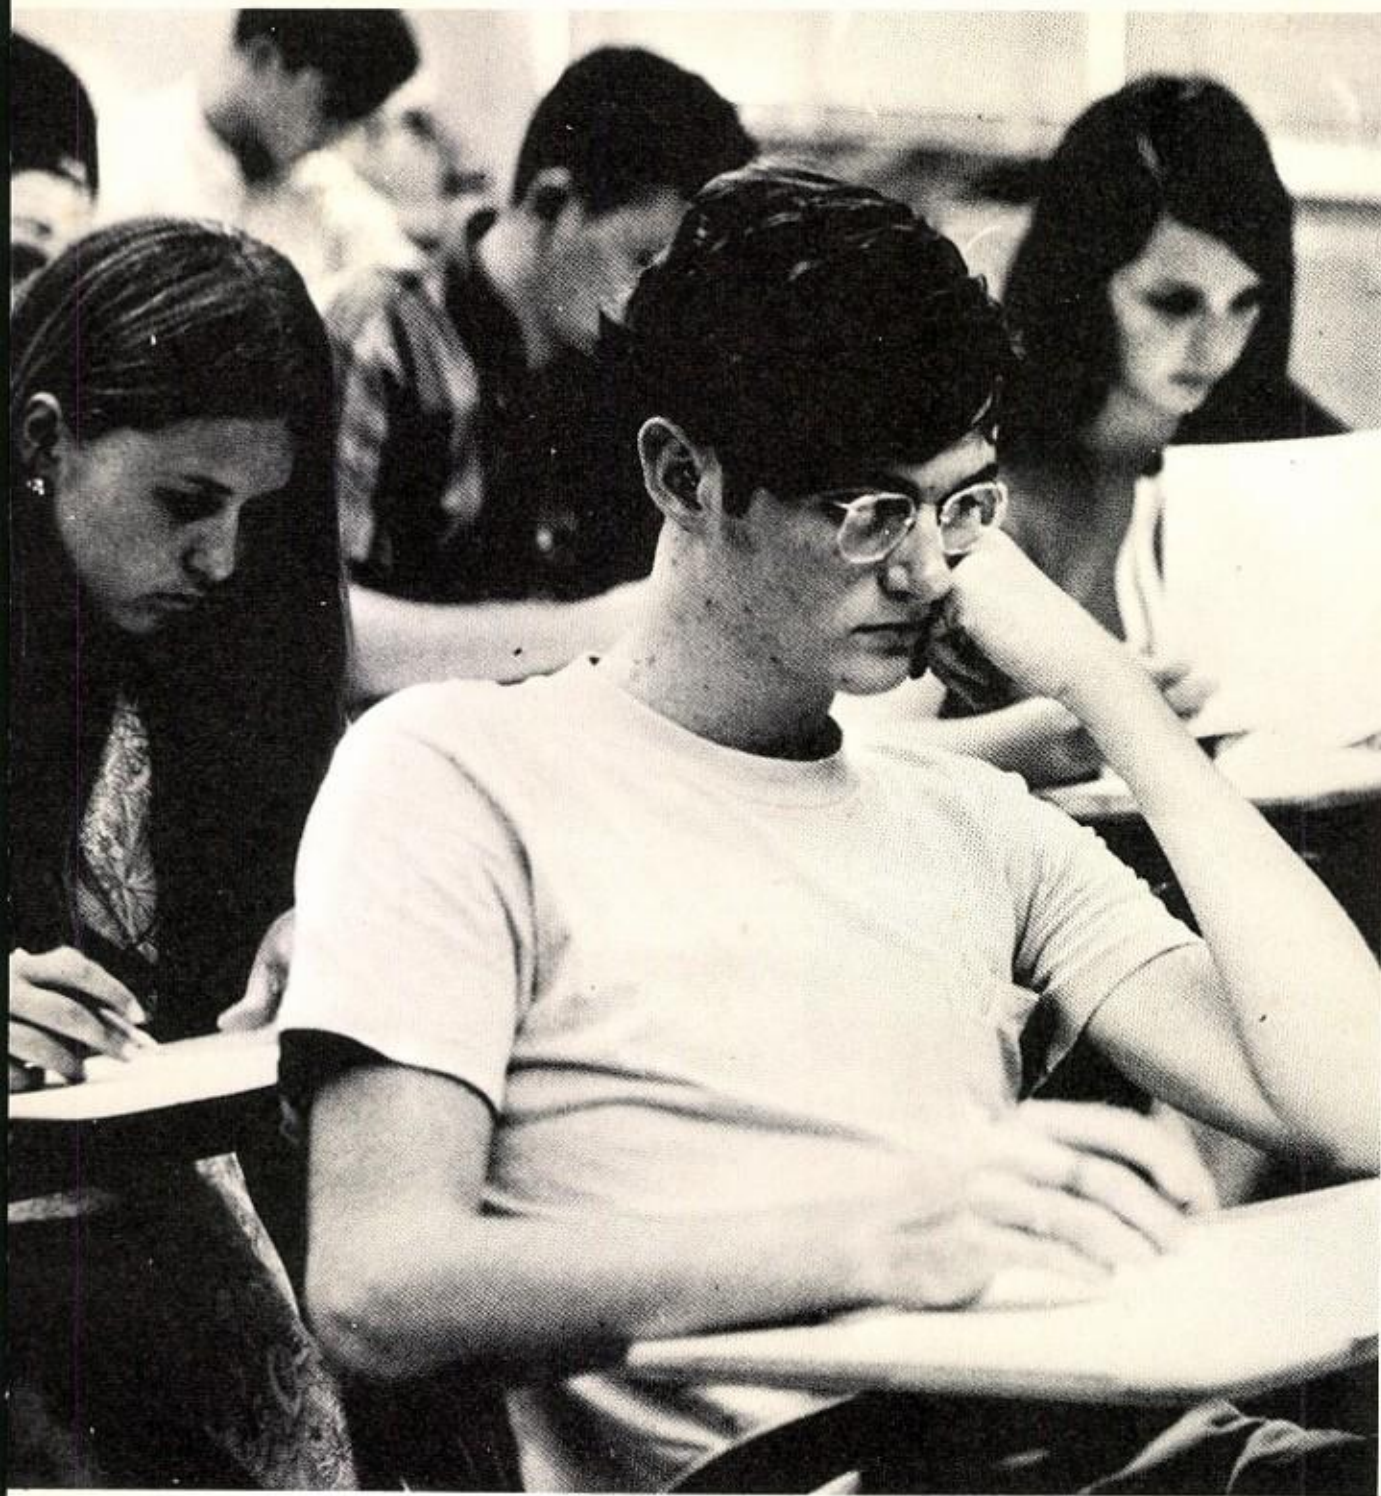

weary of the crowding masses?
take the journey into night
sense the settled peace-like silence
see the distant city lights
wander
wander
never leaving
all those distant city lights

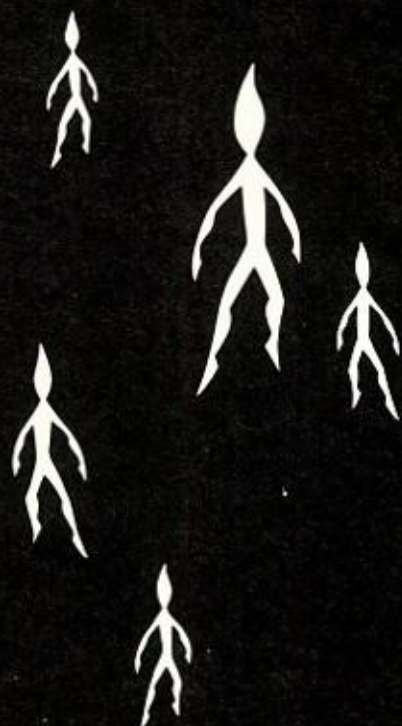

step right on to daytime wanderings
through the open window glance
once again the flag is lowered
no escaping
world around you
no escaping
city lights

finish here your steps of travel
 pulse of academic life
 hear the sounds of sharing knowledge
 consistent academic life
 watch the steady hands that measure
 all the many lasting sights
 step right off now
 one thought lingering:
 all is achieved through ...

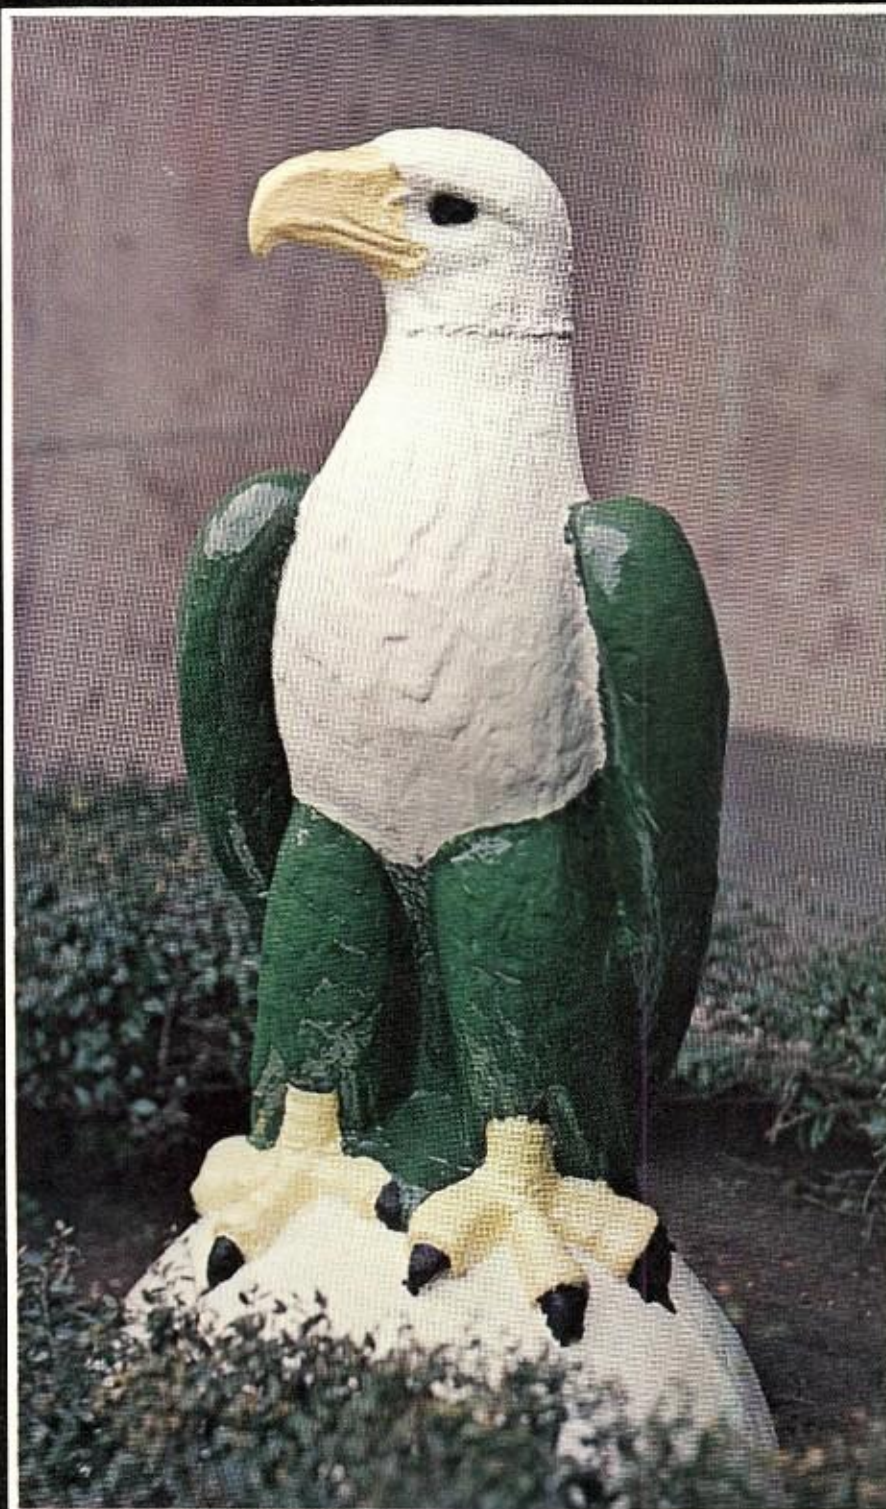

... Involvement

The nineteen sixties have illustrated that life is too short and too uncertain to put off living until later. Life, then, should be a constant adventure, and such a part of that adventure can be found in the high school years. Although young, we must begin living life. We must experience the excitements and the embarrassments and the disappointments—we must become involved. How much we put into high school determines how much we receive from it, and it is only through involvement that this part of life is made fruitful.

The importance of involvement in each facet of school life is recognized so that five figures are chosen to represent each of these facets. However, it is only when these figures are placed together in unity that their true significance is fully realized.

Personalities

Foremost examples of those students actively participating in the happenings around them are the students found in the personalities section. They have been selected by their fellow classmates and by their teachers to represent PHS in fields of beauty, personality, leadership, and scholarship. These students deserve recognition for their many accomplishments.

Crowd Cheers as Elizabeth Is Crowned

Bobbie Allen ...
Cindy Newell ...
Elizabeth Windham ...

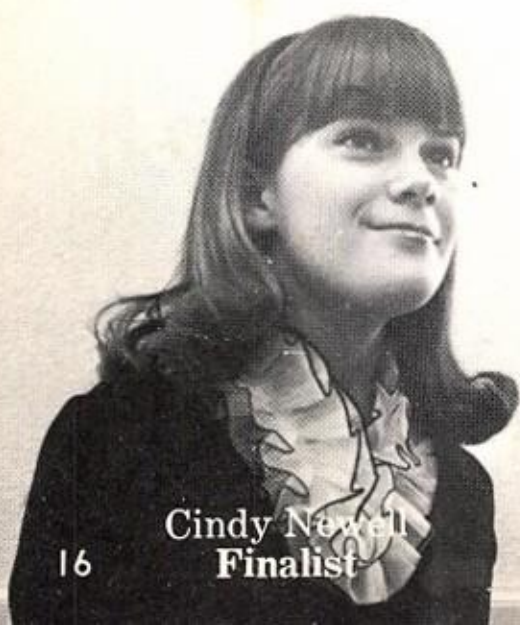

The three Homecoming Queen finalists sit anxiously awaiting halftime and the peak of the Homecoming activities. When halftime comes and the ceremonies begin, tension mounts in the moment before the new queen's name is announced. As her name is called, Elizabeth hugs her escort, then excitedly accepts her roses along with the title of Homecoming Queen 1969.

Elizabeth is a three-year member of the Student Council. She has been a football cheerleader for the past two years. Liz is an active member of YFC, two-year secretary of the French club, and two-year devotional leader of FTA. She is treasurer of her senior class, Rotary Ann for December, and was Valentine Princess her junior year.

The three finalists anxiously await their appearances of the Beacon's closed-circuit TV show.

At halftime, Elizabeth and her escort, Jerry Wilson, hear that she is the new Homecoming Queen.

Each year, three prominent service clubs in Pasadena choose seniors from Pasadena High School to represent their clubs. The Rotary and Optimist Clubs choose a boy and a girl for representatives of each of the nine months of school. Lions Club selects a senior boy each month. These seniors are selected because of their citizenship and responsibility to others. They are invited to eat lunch and meet with the clubs sometime during the month they are chosen.

Barmore-Newell Team Captures School

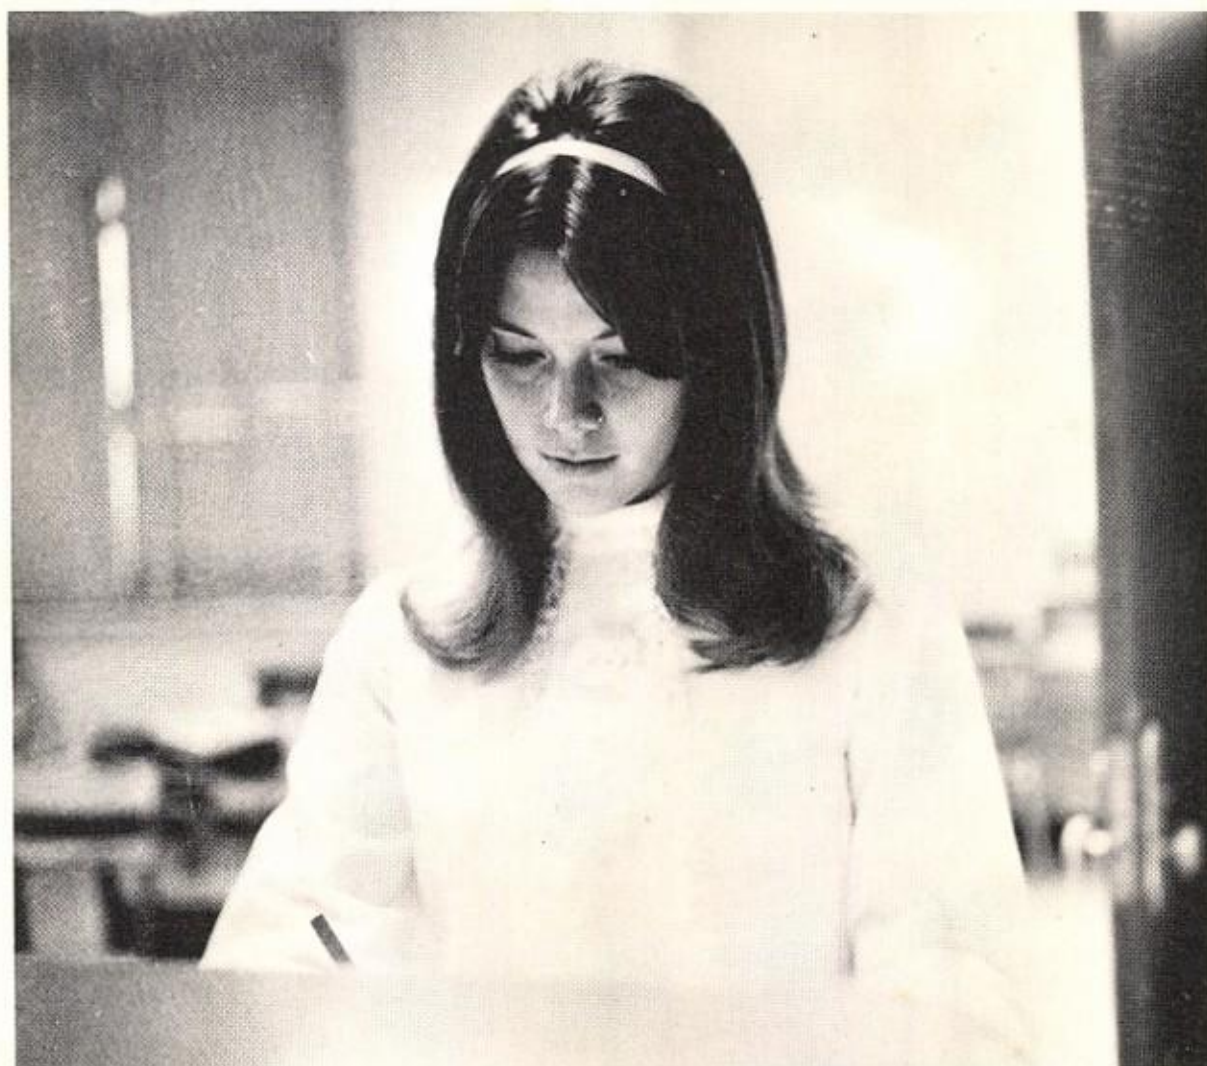

The naming of Mr. and Miss PHS at the Senior Prom is the crowning highlight of the year's activities.

Tri-captain of the varsity football team his senior year, Mike has made the All-District team two years. His junior year, Mike was selected as the delegate to Boys' State. He has received the Academic Excellence Award for four years and is a member of the National Honor Society. These activities help qualify Mike for the position of President of the Student Body. He is selected as Rotarian for the month of September and is chosen Most Versatile in his Senior Class.

Cindy's four years at PHS are filled with honors. Her freshman year she was selected as class favorite. As a sophomore, Cindy was selected Valentine Princess and Miss Merry Christmas. Her Senior year she becomes a finalist for Homecoming Queen and Most Beautiful. She has been Organizations Editor of the PASADENIAN Staff for two years and is a member of the National Honor Society. She is the recipient of the American Legion Award and is chosen Outstanding Girl. She is very aptly named Personality Plus in the Senior Spotlight.

Contestants Compete in Many Judgings

Competition for the title of Most Beautiful begins with the preliminary judging, when the applicants are narrowed down to thirty-six contestants. On the pageant day, the girls are interviewed by five judges at a tea. This is followed by street clothes judging in which the contestants are scored on poise, natural beauty, and posture. In the evening, at the pageant which is open to the public, the girls appear before the judges in formals. With these scores, fifteen semi-finalists are selected, and from these fifteen girls, the top five girls are chosen. They are then asked a thought provoking question. At last, the judges make their final decision and the 1969 Most Beautiful begins her reign.

This year the five girls chosen as finalists are Mary Carrigan, Carol Hoffman, Linda Muecke, Cindy Newell, and Pat Patnesky. Kathie Brinlee, the contestant selected among the girls themselves as friendliest, is Miss Congeniality.

As Linda Muecke and Pat Patnesky look on, Mary hears her name announced as Most Beautiful.

At the tea, contestants prove that the competition did not ruin their appetites.

The Most Beautiful Pageant is a wonderful experience for senior girls ... a landmark in every senior year ... an entertaining evening for all ... and a contest of beauty and personality.

The preparation and anticipation of the pageant comes to a climax in the long moments before the winner's name is announced. As the audience applauds, the reigning queen, Peggy Sayre, crowns Mary Carrigan as the 1969 Most Beautiful.

Mary, a vivacious senior, has held many important positions during the past few years. She has been a four-year member of the Student Council and has been class Parliamentarian for the past three years. She was Sophomore Favorite and Highest Ranking Junior. During her junior and senior years she has served as treasurer of the French club. She has been on the PASADENIAN staff for two years and is senior class editor this year. Mary is secretary for FTA and vice-president of the National Honor Society. She is Rotary Ann for the month of October and is receiving the Outstanding Teenager Award.

Eagles Excel in Many Areas

The achievement of excellence in varied fields by students at PHS is shown by the numerous awards they are given. The winning of these awards helps to give Pasadena High School an impressive academic reputation, as well as prepare the students for other positions they will hold.

Joe Izen is given the Woodman of the World Award for his interest and achievements in social studies.

Judy Porter and Tommy Pickard think of the brilliant ideas they use in their award-winning essays. The Pasadena Masonic Lodge gives Judy an award for her essay on education, and Tommy is awarded by the Veterans of Foreign Wars for his essay on democracy.

WHO'S WHO

Who's Who in Pasadena High School? The answer can be found in this section. Each senior represents a field in which he or she is outstanding. These nine students are selected by the PHS faculty to typify excellence in their class.

Mike Barmore — Student Body President

Mike Barmore is well qualified for the position of President of the Student Body. A four-year member of the Student Council, he has been a Good Sportsmanship League delegate for three years. Mike is a member of the National Honor Society and has won the Academic Excellence Award for four consecutive years. As a junior, Mike was a delegate to the Boys' State Convention in Austin. This year he is Rotarian for September and holds the position of tri-captain of the varsity football team and is a three-year member of the track team. At the Senior Prom, Mike is named Most Versatile and Mr. PHS.

Jackie Gore — Editor of the BEACON

As Editor-in-Chief of the BEACON, Jackie Gore excels in all phases of journalism. She has received numerous awards in the publications field. She is named Most Valuable BEACON staffer her senior year. Jackie places first in the District 23-AAAA UIL competition in journalism and submits a first place editorial on San Jacinto Journalism Day. Ranking high scholastically, Jackie is a two-year member of the National Honor Society and of Quill and Scroll. She holds the office of treasurer in the History Club and reporter in the Future Teachers of America. A Senior Honor Key is presented to Jackie for outstanding service to FTA and to Pasadena High School. For the month of March, Jackie serves as Opti-Miss.

Judy Porter — Editor of PASADENIAN

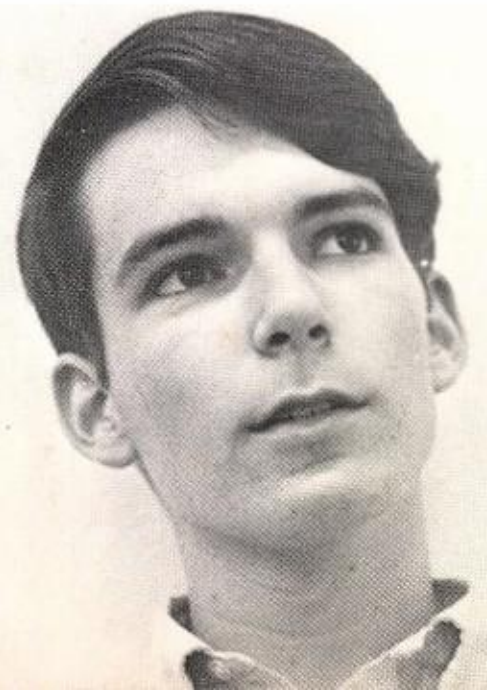

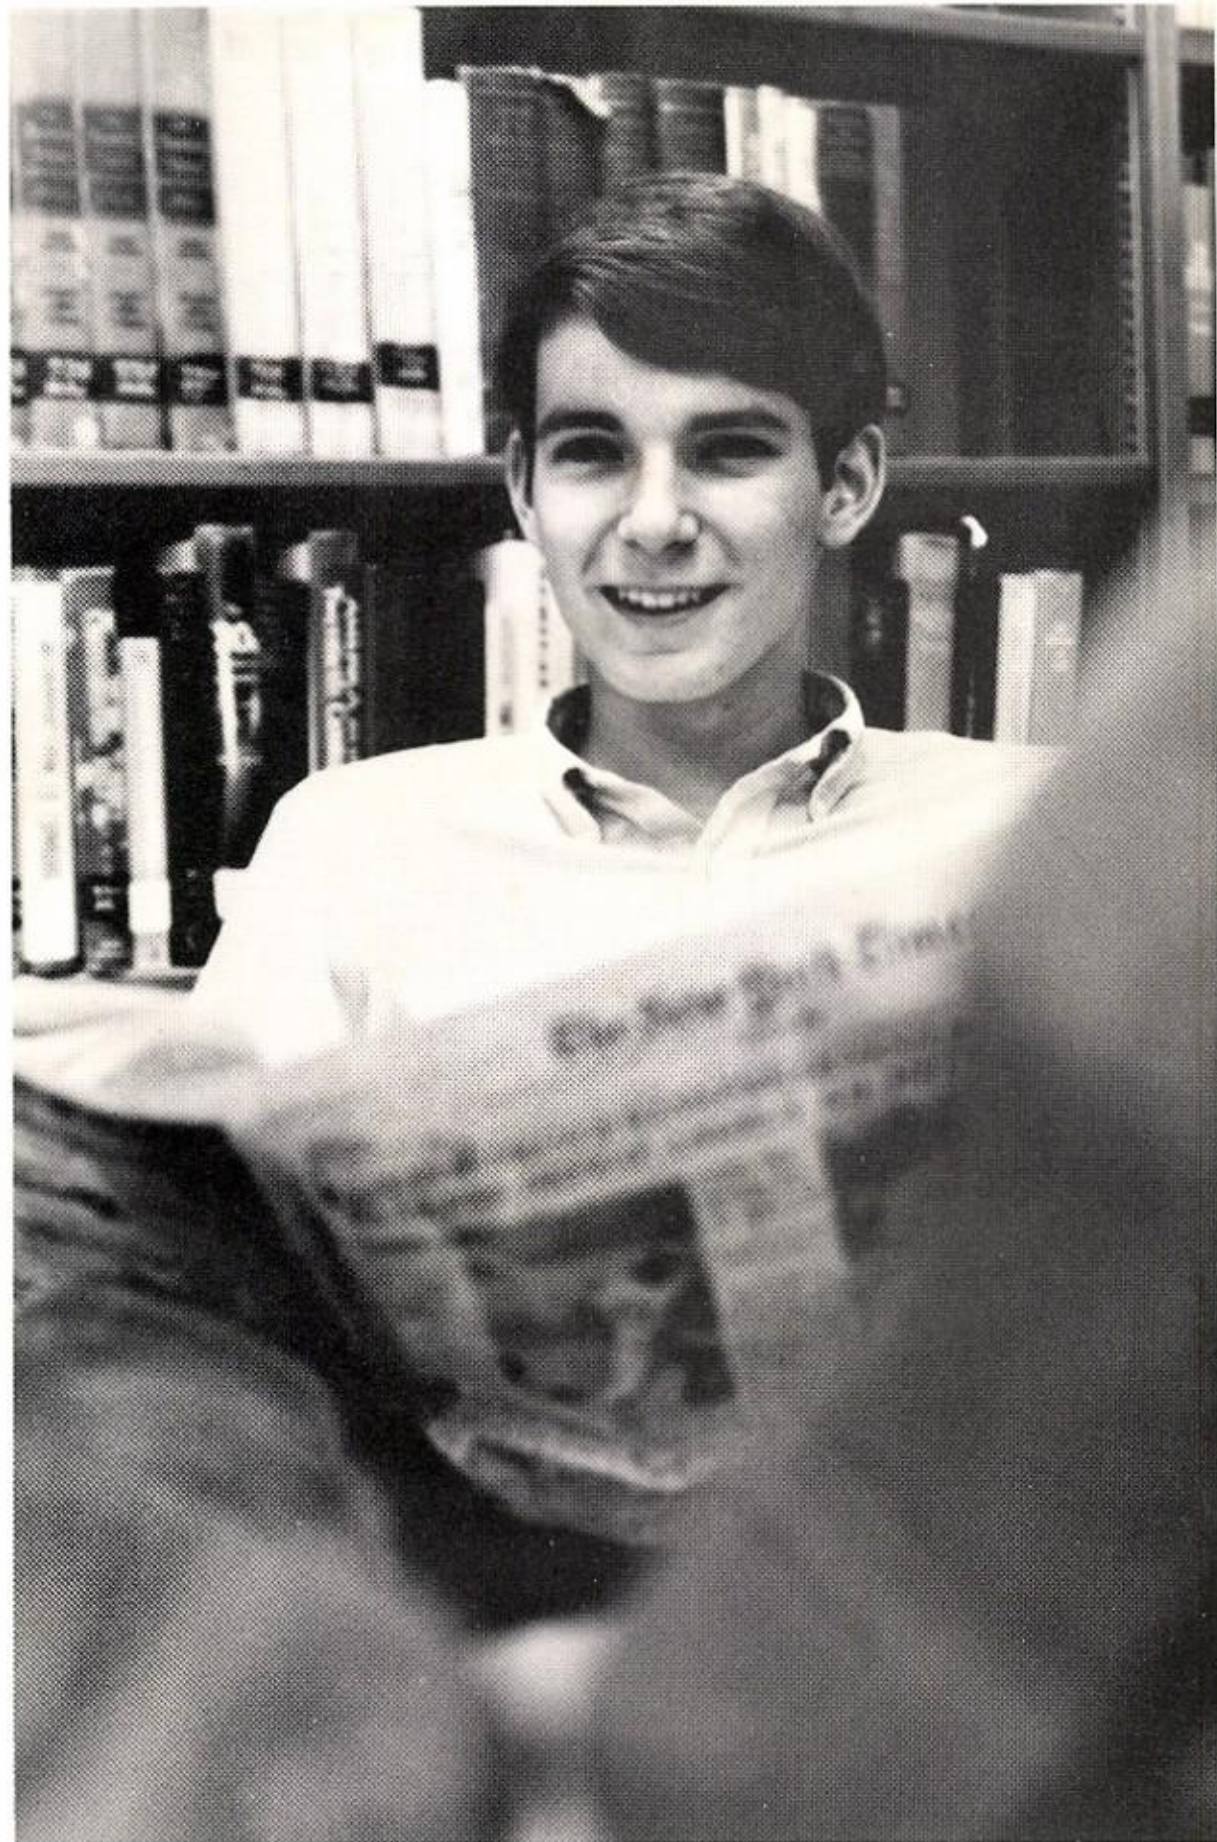

Judy Porter has done outstanding work on the PASADENIAN as Editor-in-Chief. She has been on the yearbook staff two years, serving as copy editor her junior year. She places first in the district in the Pasadena Masonic Lodge's education essay contest and receives the DAR Good Citizenship Award. Besides this, Judy receives second place for the American Legion Award and is named an Outstanding Teenager of America.

An active participant in many clubs, Judy holds several offices. She serves as treasurer of the National Honor Society, parliamentarian of the French club, and treasurer of the Student Council. She participated in the National Forensic League her junior year. Judy is selected as commencement speaker for the graduation exercises and is elected Most Likely to Succeed by the Senior Class.

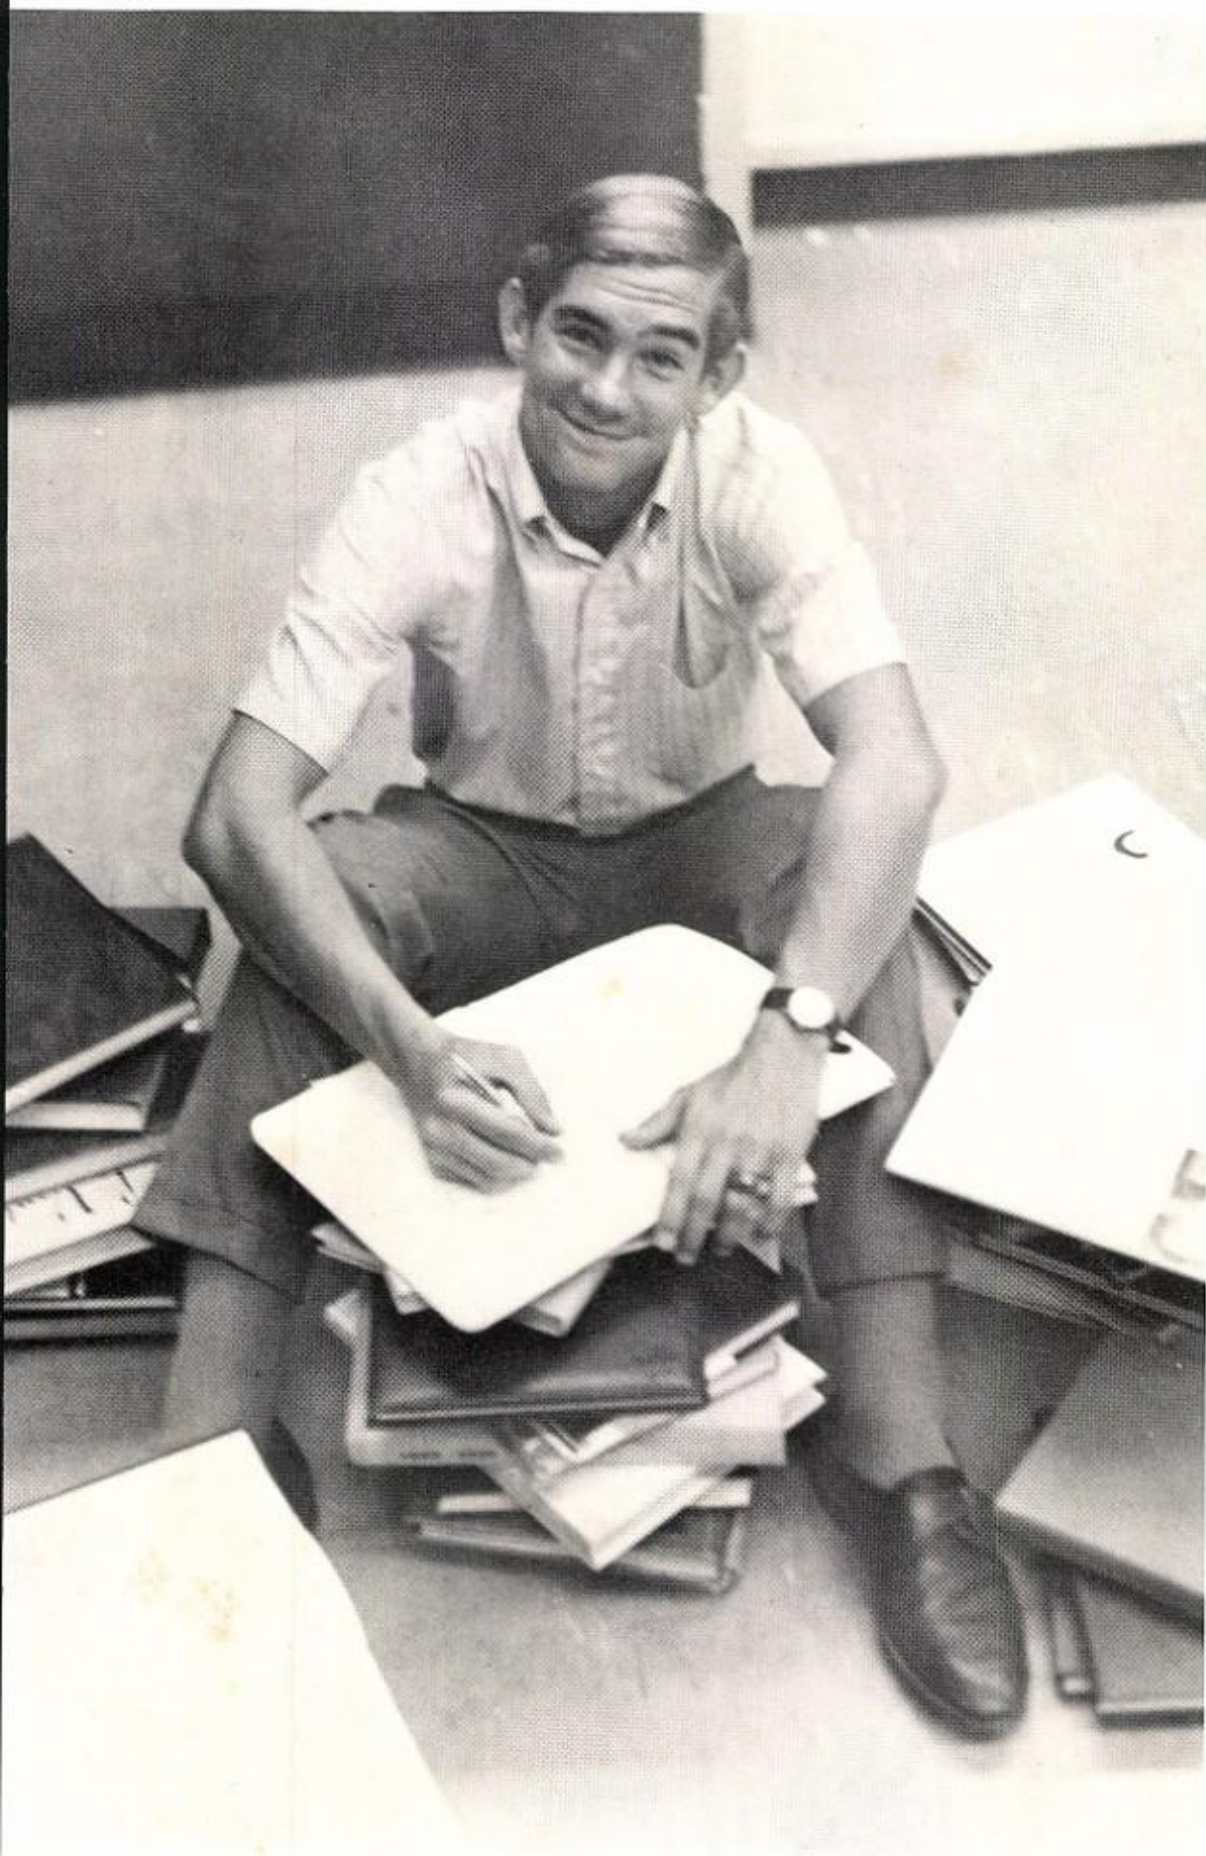

Jeff Shrader — Social Studies

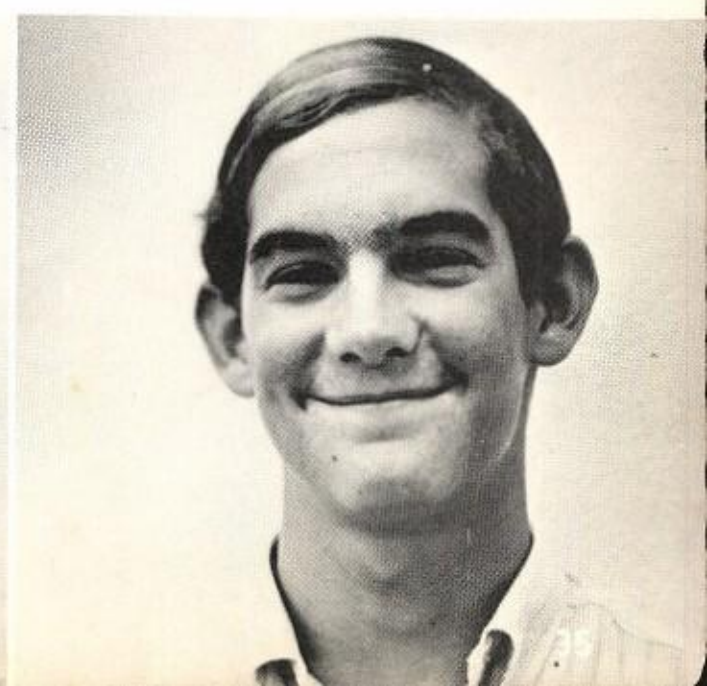

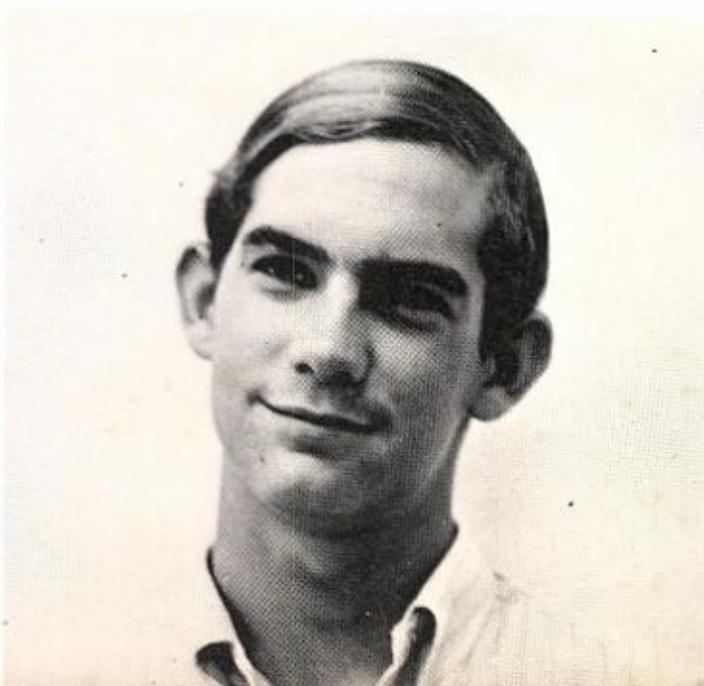

Jeff Shrader's accomplishments earn for him the title of Outstanding Social Studies Student. He won the Woodman of the World Award his junior year, as well as placing first in the TIME Current Events Test. He serves as president of the National Forensic League and is presented with a Double Ruby Award, the highest honor given to high school speech students. He is Mayor on Pasadena City Council Government Day and is selected Boy of the Month by the Metropolitan Exchange Club. President of the National Honor Society, Jeff has held office in the Interact and Spanish Clubs. PETS, Mu Alpha Theta, and Student Council also hold a place for Jeff. Rotarian for March, Jeff is selected as Most Likely to Succeed by his classmates.

Joe Kuebler — English

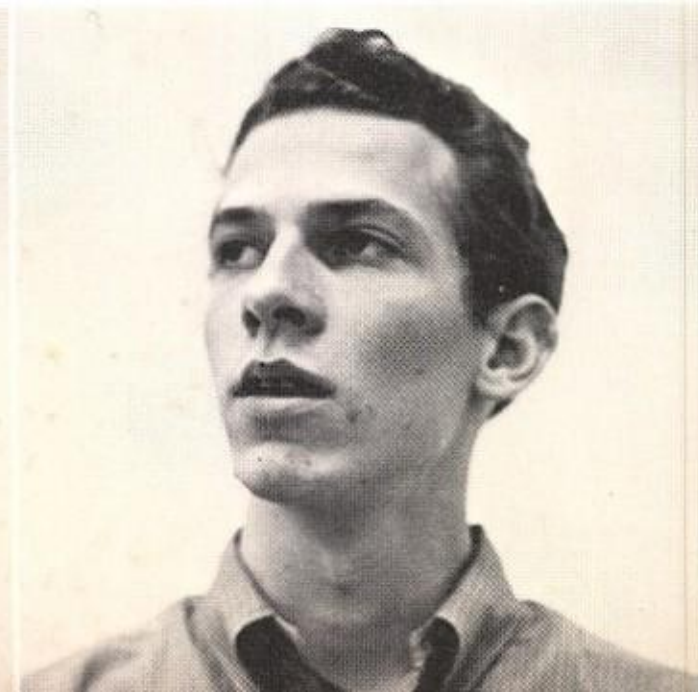

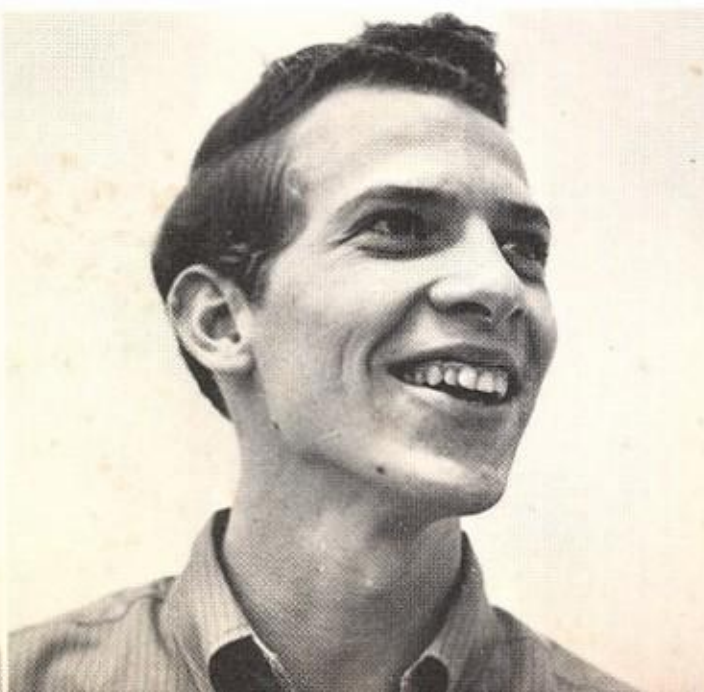

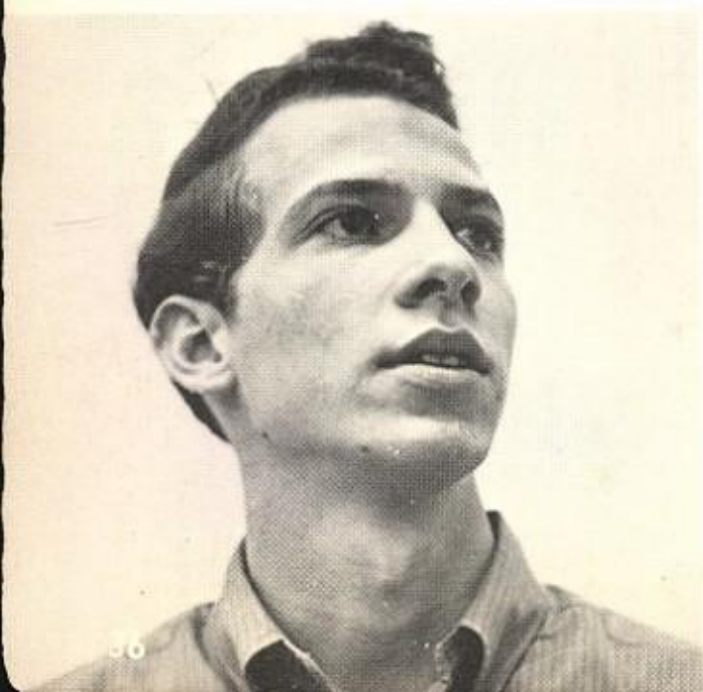

Joe Kuebler's industrious attitude toward his work is most evident in the area of English. For this reason, he is named Outstanding English Student. Joe received the Perfect Attendance Award for four years. He is a two-year member of both the Interact Club and the National Honor Society. In the 1968-1969 University Interscholastic League Meet, Joe placed first in district, second in regional, and fourth in state in slide rule competition. He is a four-year member of the Slide Rule Club and a charter member of Mu Alpha Theta. He was in JETS in his sophomore and junior years.

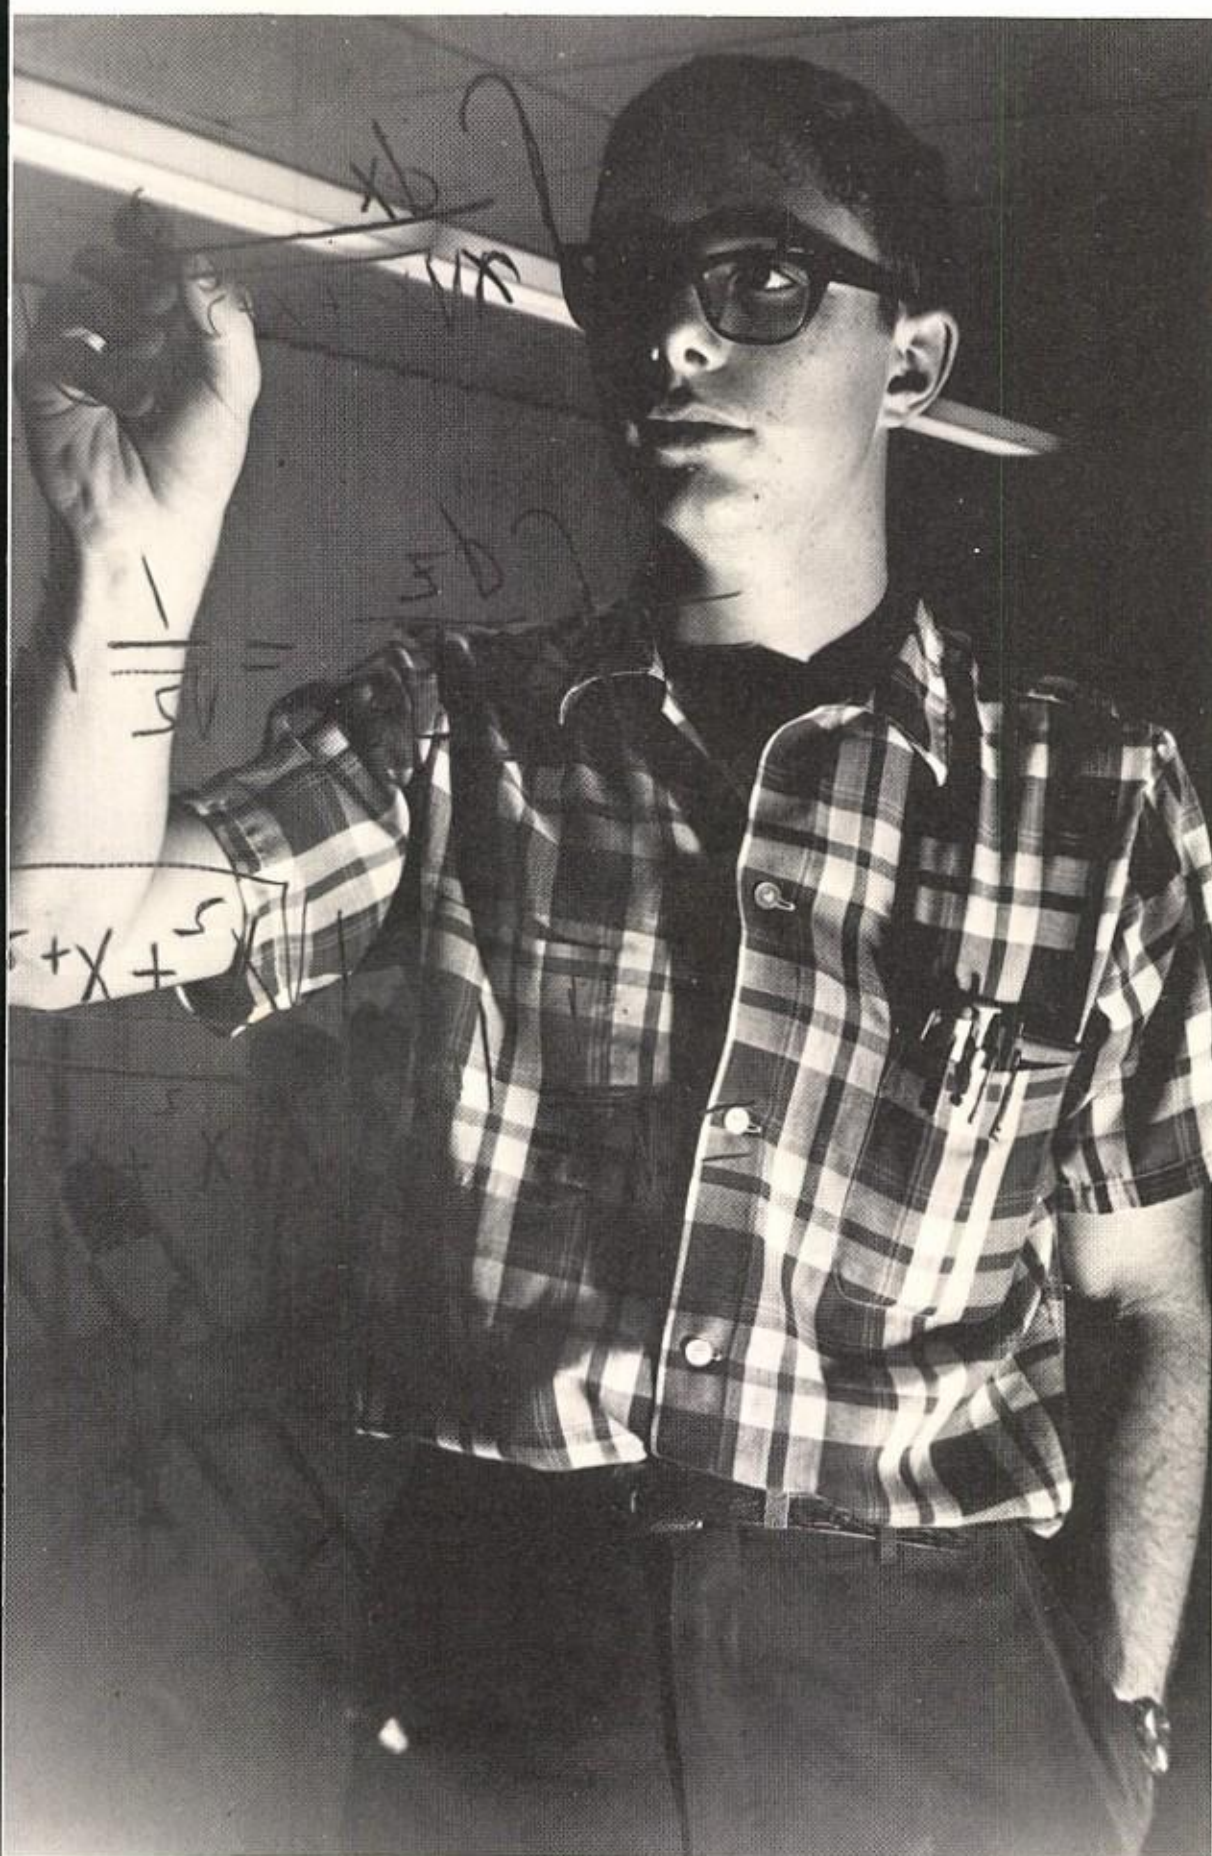

James McAdams — Science

Science-minded James McAdams is appropriately named Outstanding Science Student. He wins the Basch and Lomb Science Award and the National High School Mathematics Award which is sponsored by the Math Association of America and Mu Alpha Theta. James is a four-year member of the band and a two-year member of the National Honor Society. This year he is a member of the JETS Club and Vice-President of Mu Alpha Theta. James plans to major in Electrical Engineering at Rice University on a grant which he has been given by the university.

Jack Reeves — Mathematics

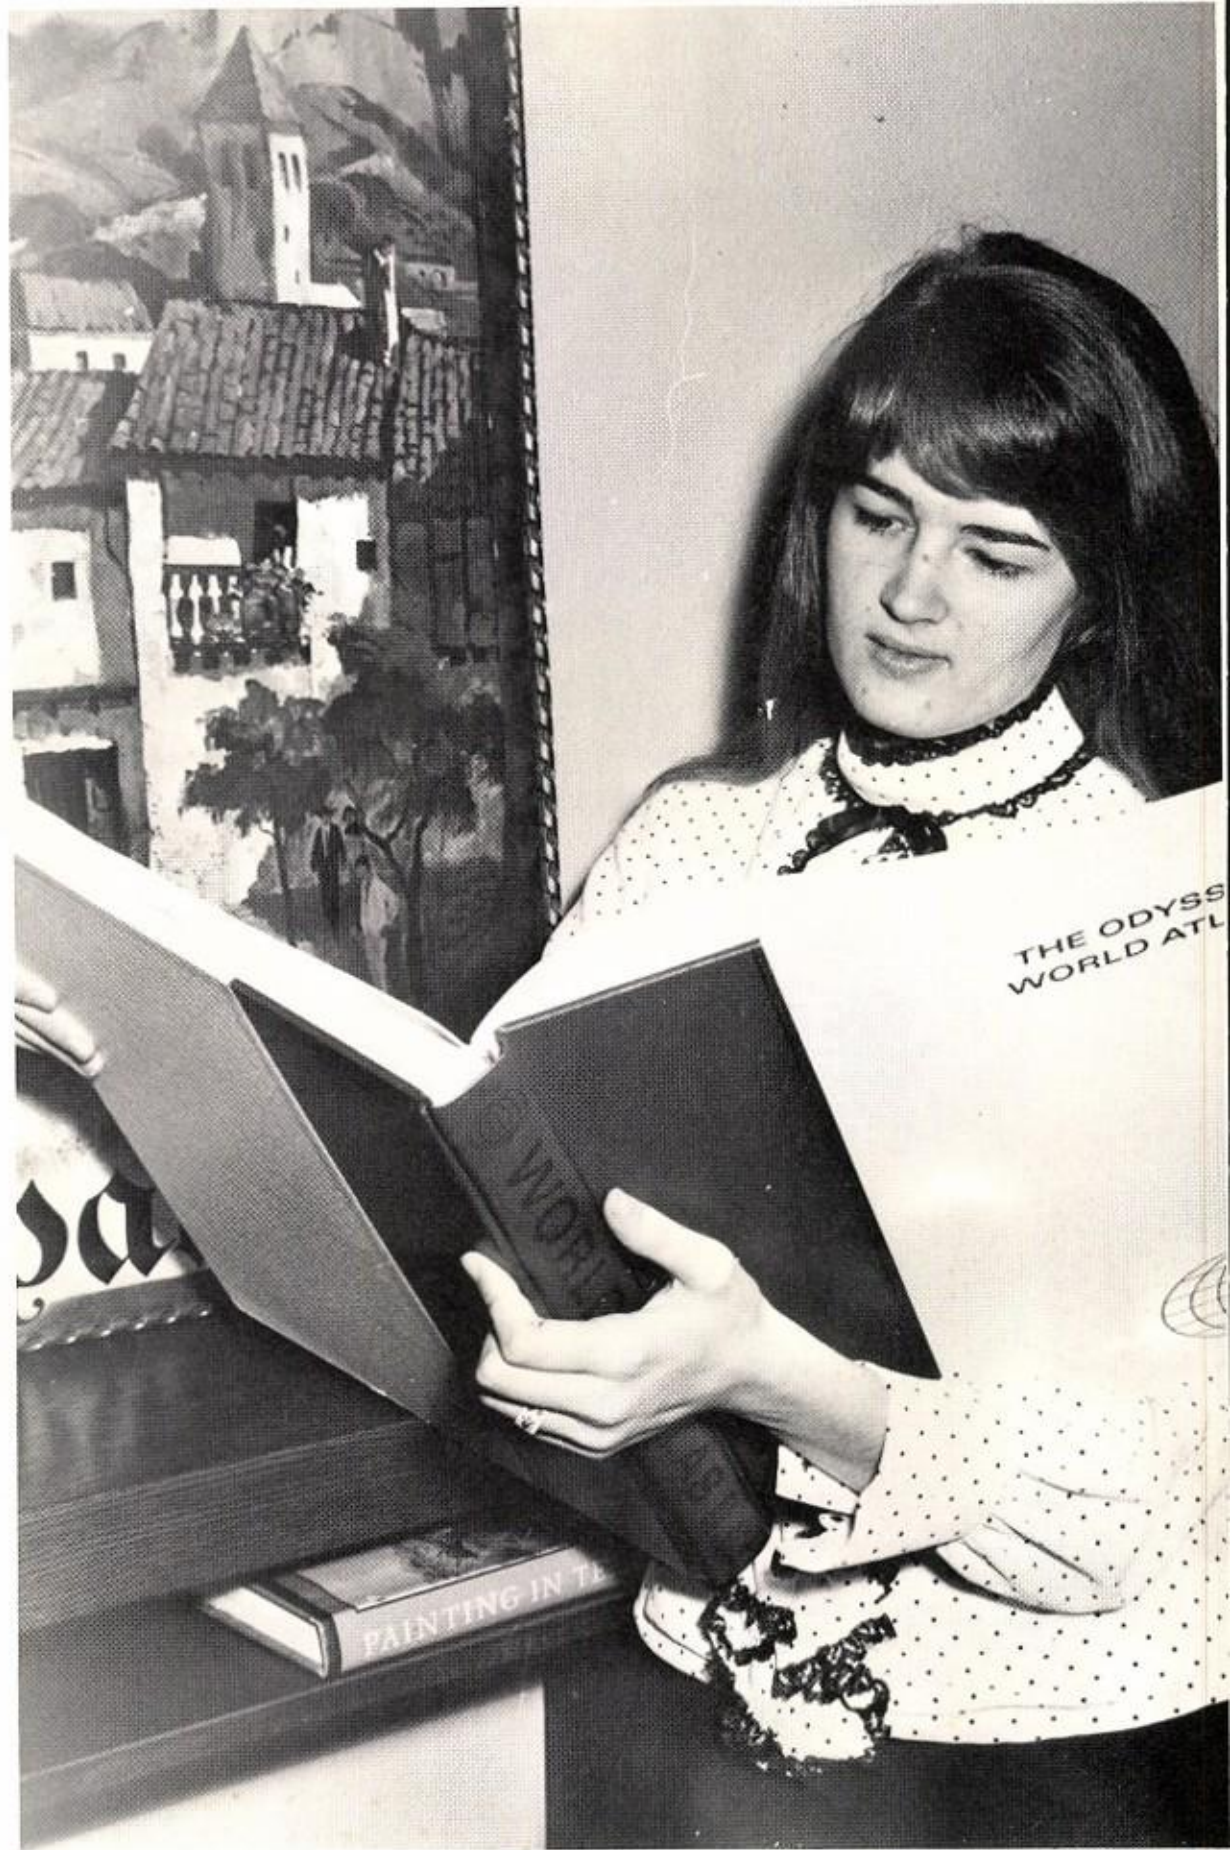

A logical mind and excellent reasoning ability lead to the obvious choice of Jack Reeves for Outstanding Mathematics Student. He has the highest grade point average of mathematics students at PHS. Jack ranked high in a national high school math test in his class at the National Science Foundation. In the Engineering Program at Texas A & M in 1968, Jack made the highest score ever made in the program. He received a letter of merit for the National Merit Test and attended the JETS Club state contest for physics in his junior year. He submits the Best Feature Story to the 1969 BEACON and is Optimist for October. Jack has been photographer for the BEACON for three years and a member of Quill and Scroll for two years.

Susan McElroy — Foreign Language

Susan McElroy is very aptly selected Outstanding Foreign Language Student. She has taken four years of Spanish and one year of French. Susan's proficiency in Spanish is demonstrated through her qualification for the Spanish Honor Society. She is also a member of the National Honor Society during her senior year. Susan participated in the Performing Arts Club and the Thespians for three years. She was president of the Thespians and News Editor for the BEACON in her junior year.

Carolyn Sladecek — Commercial

Because of Carolyn Sladecek's extensive work in many areas of business, she is selected Outstanding Commercial Student. As a member of Vocational Office Education this year, Carolyn gains valuable experience in typing and clerical work. She is a member of the Office Education Association Club and was on the honor roll in her junior year. She attends the UIL shorthand contest in Deer Park. The quality of Carolyn's work is evidenced by her fifth place win at a Vocational Office Education Convention.

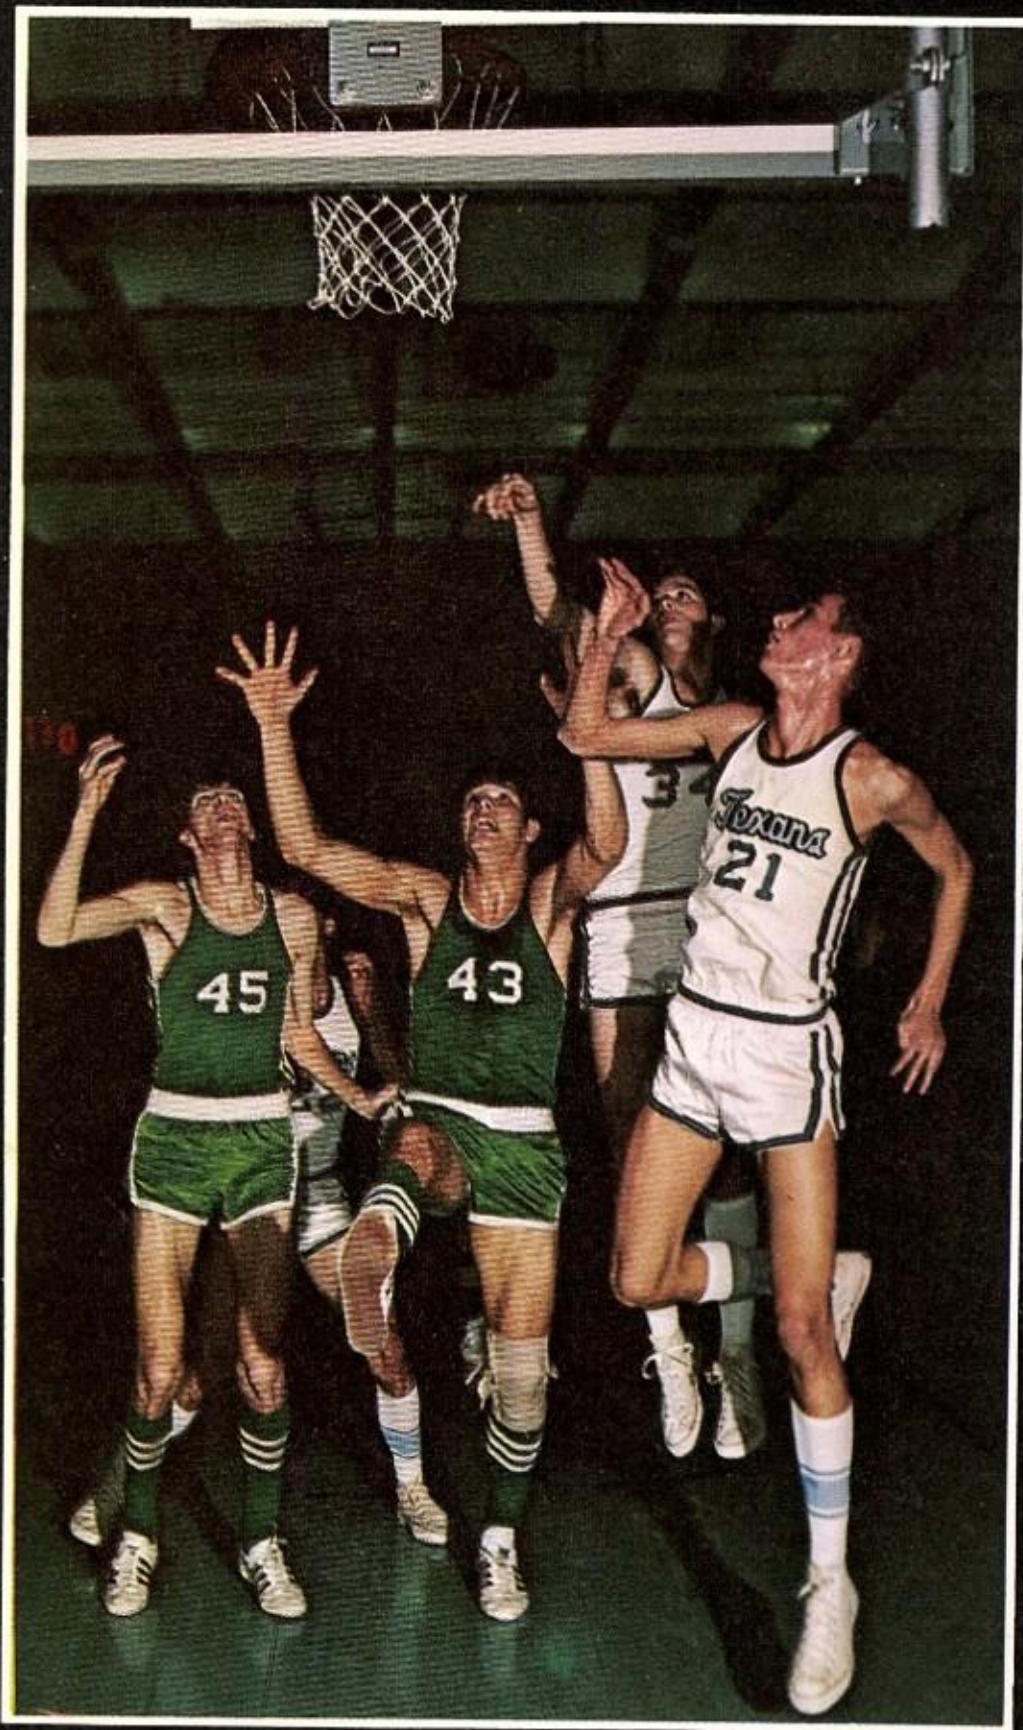

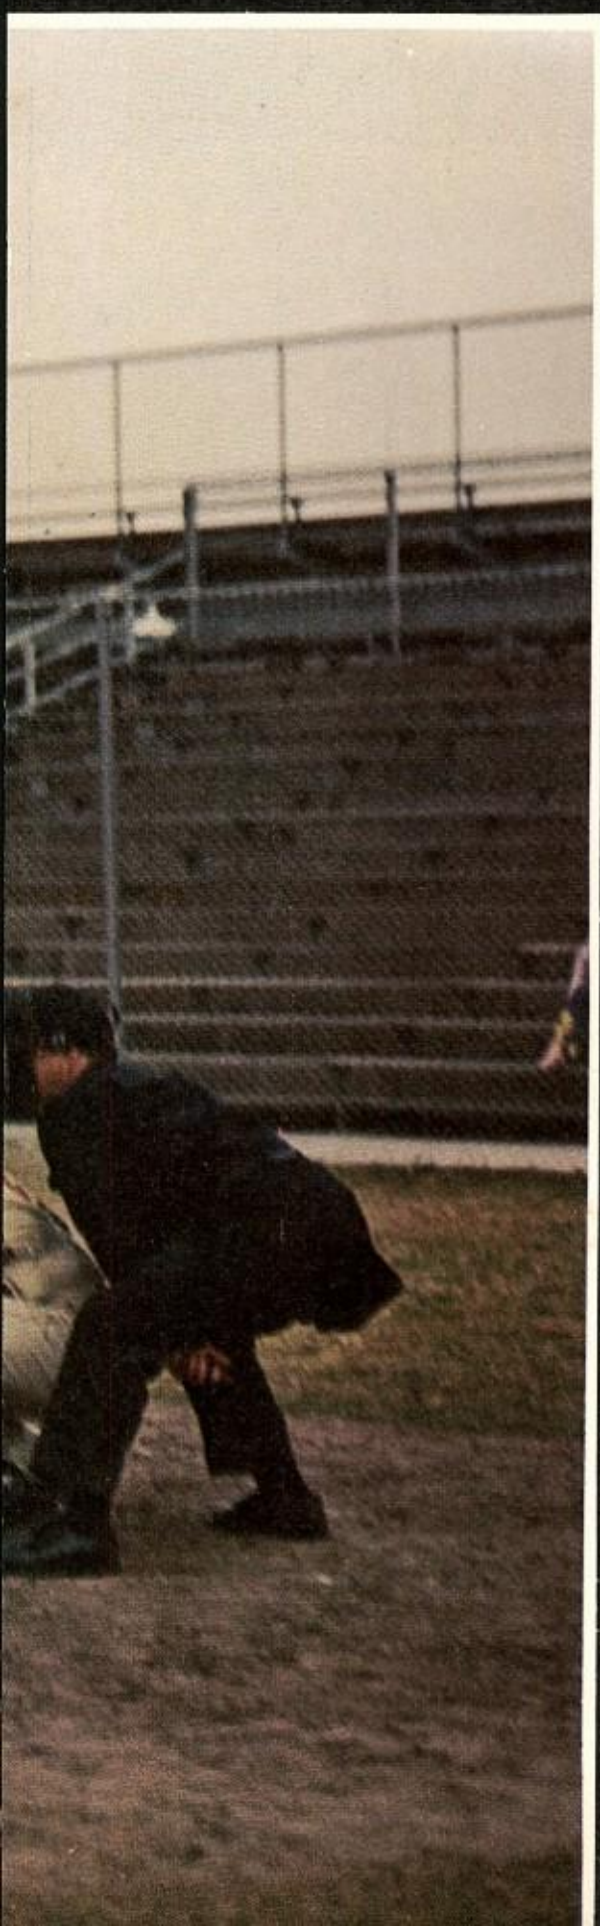

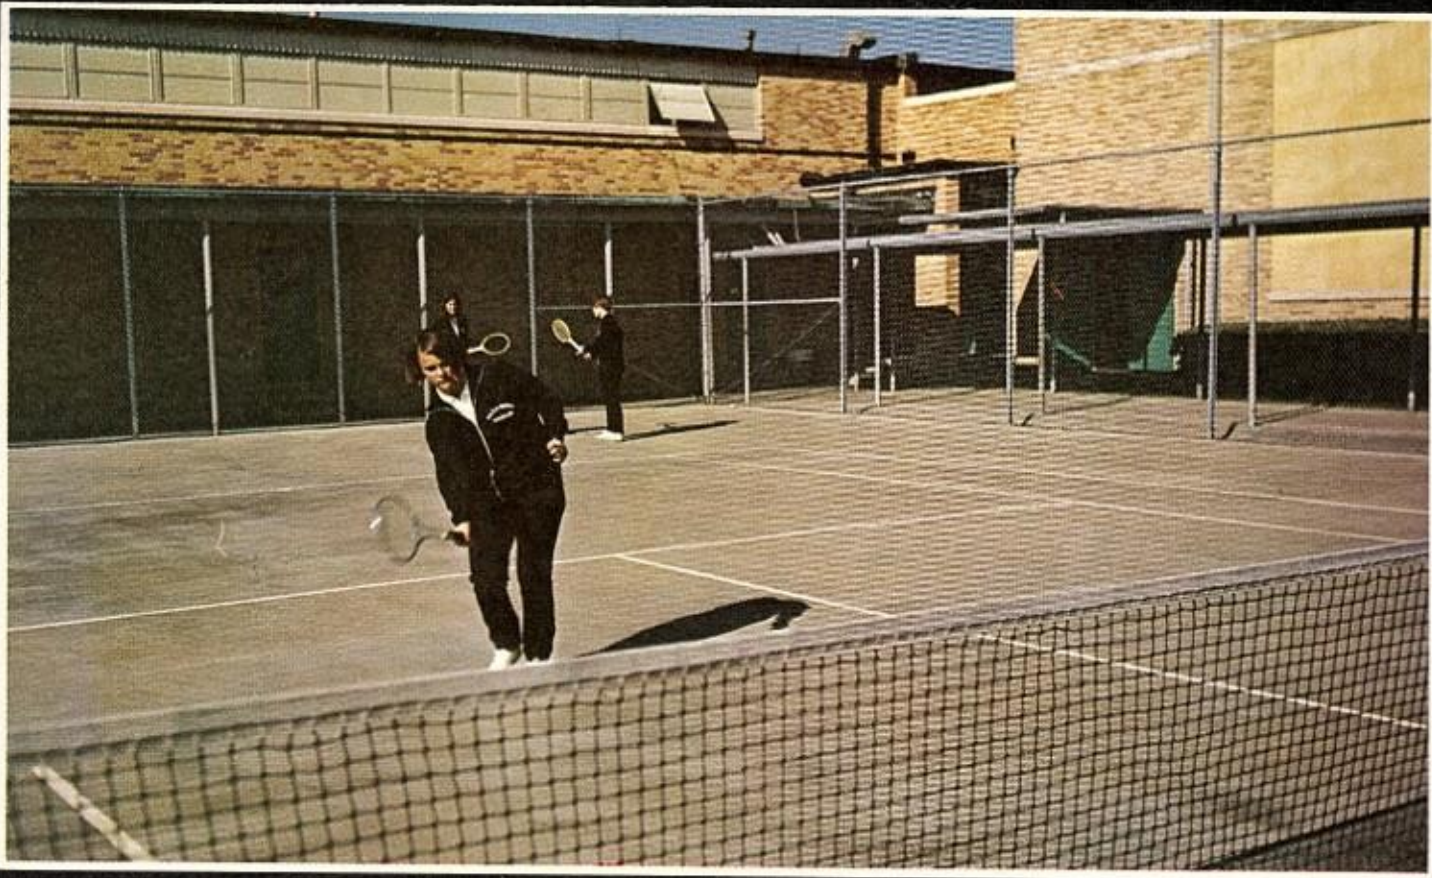

Athletics

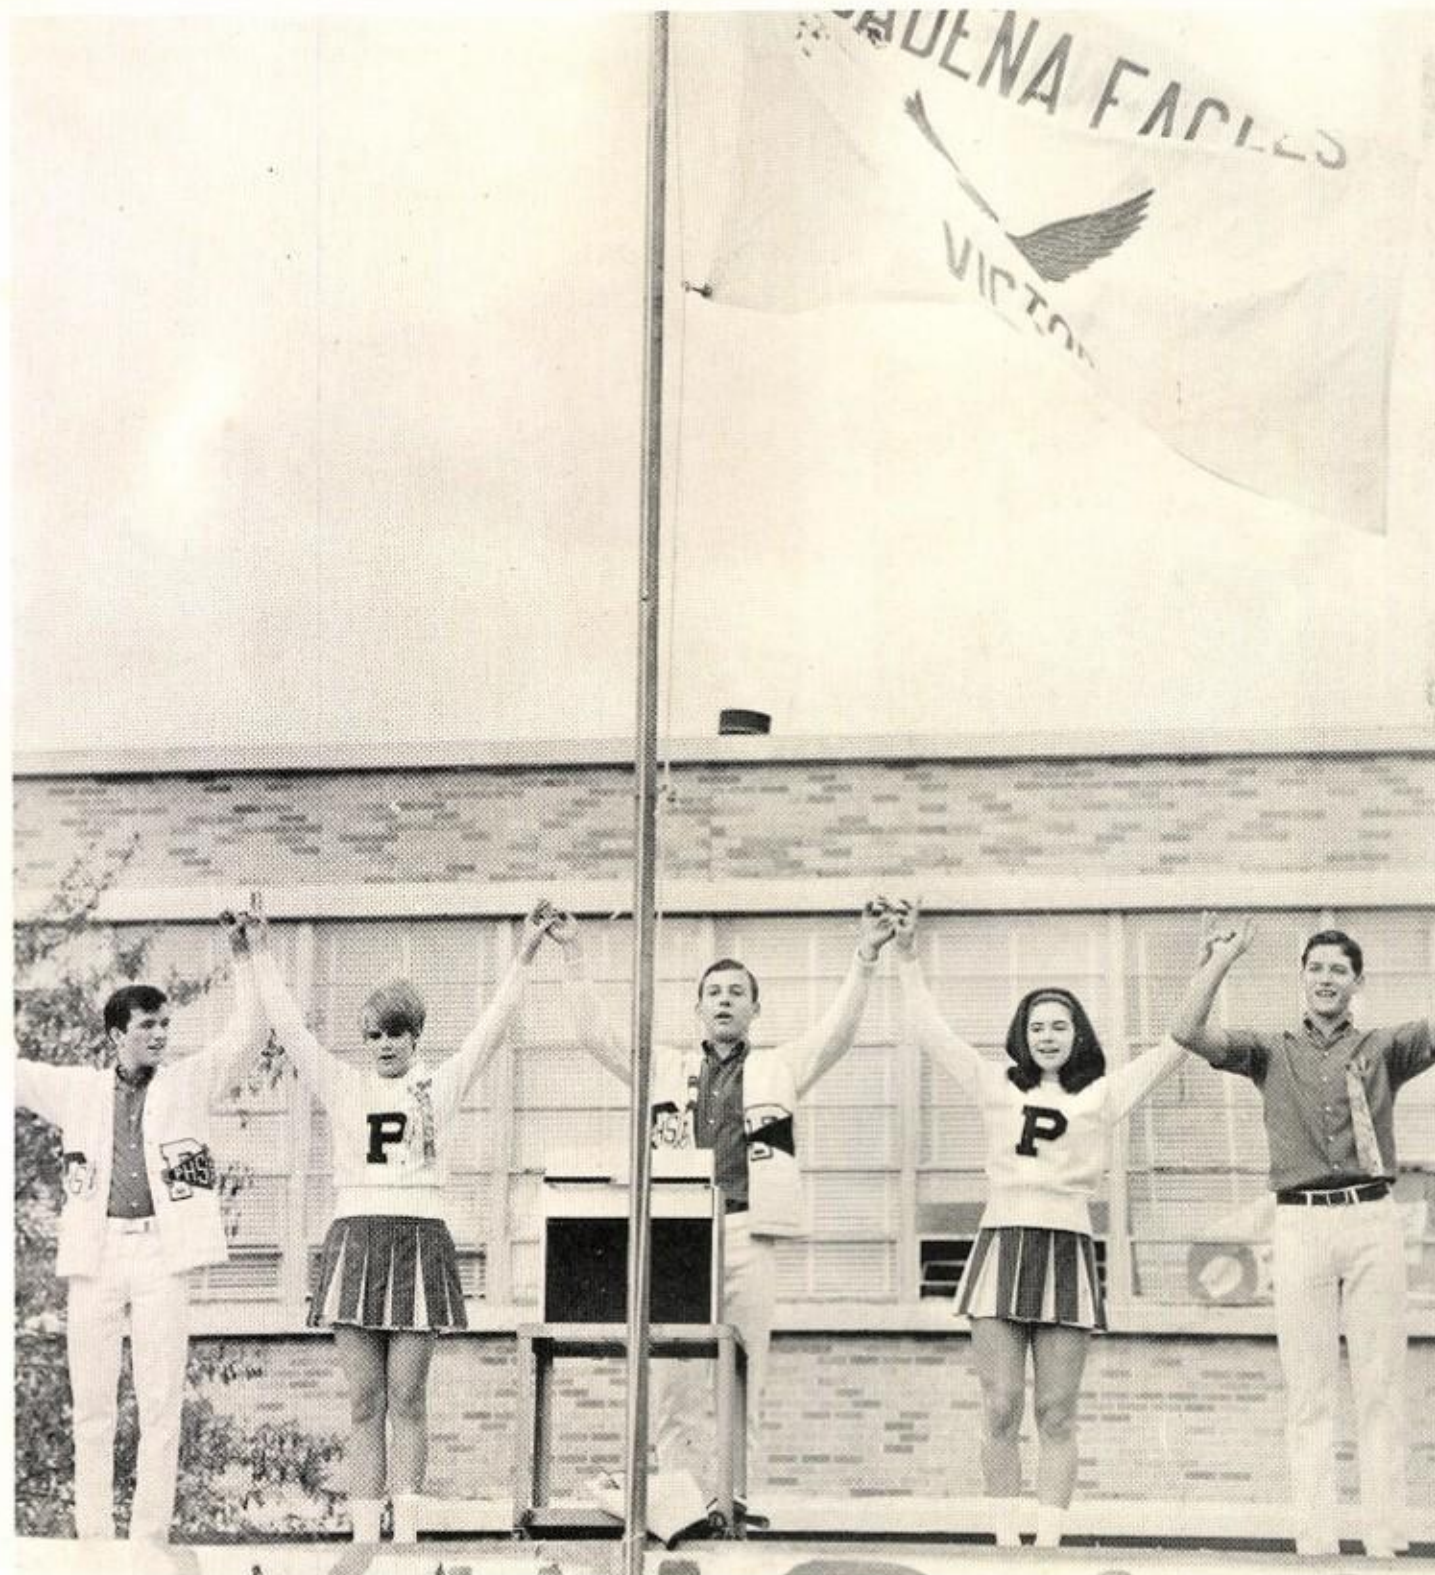

A united and a spirited student body reigns at Pasadena High School when athletics are concerned. Athletics offer a student opportunities to become both spectator and participant through many contests of abilities. Good sportsmanship and the rewards of healthy bouts of competition are some of the values athletics impress upon students.

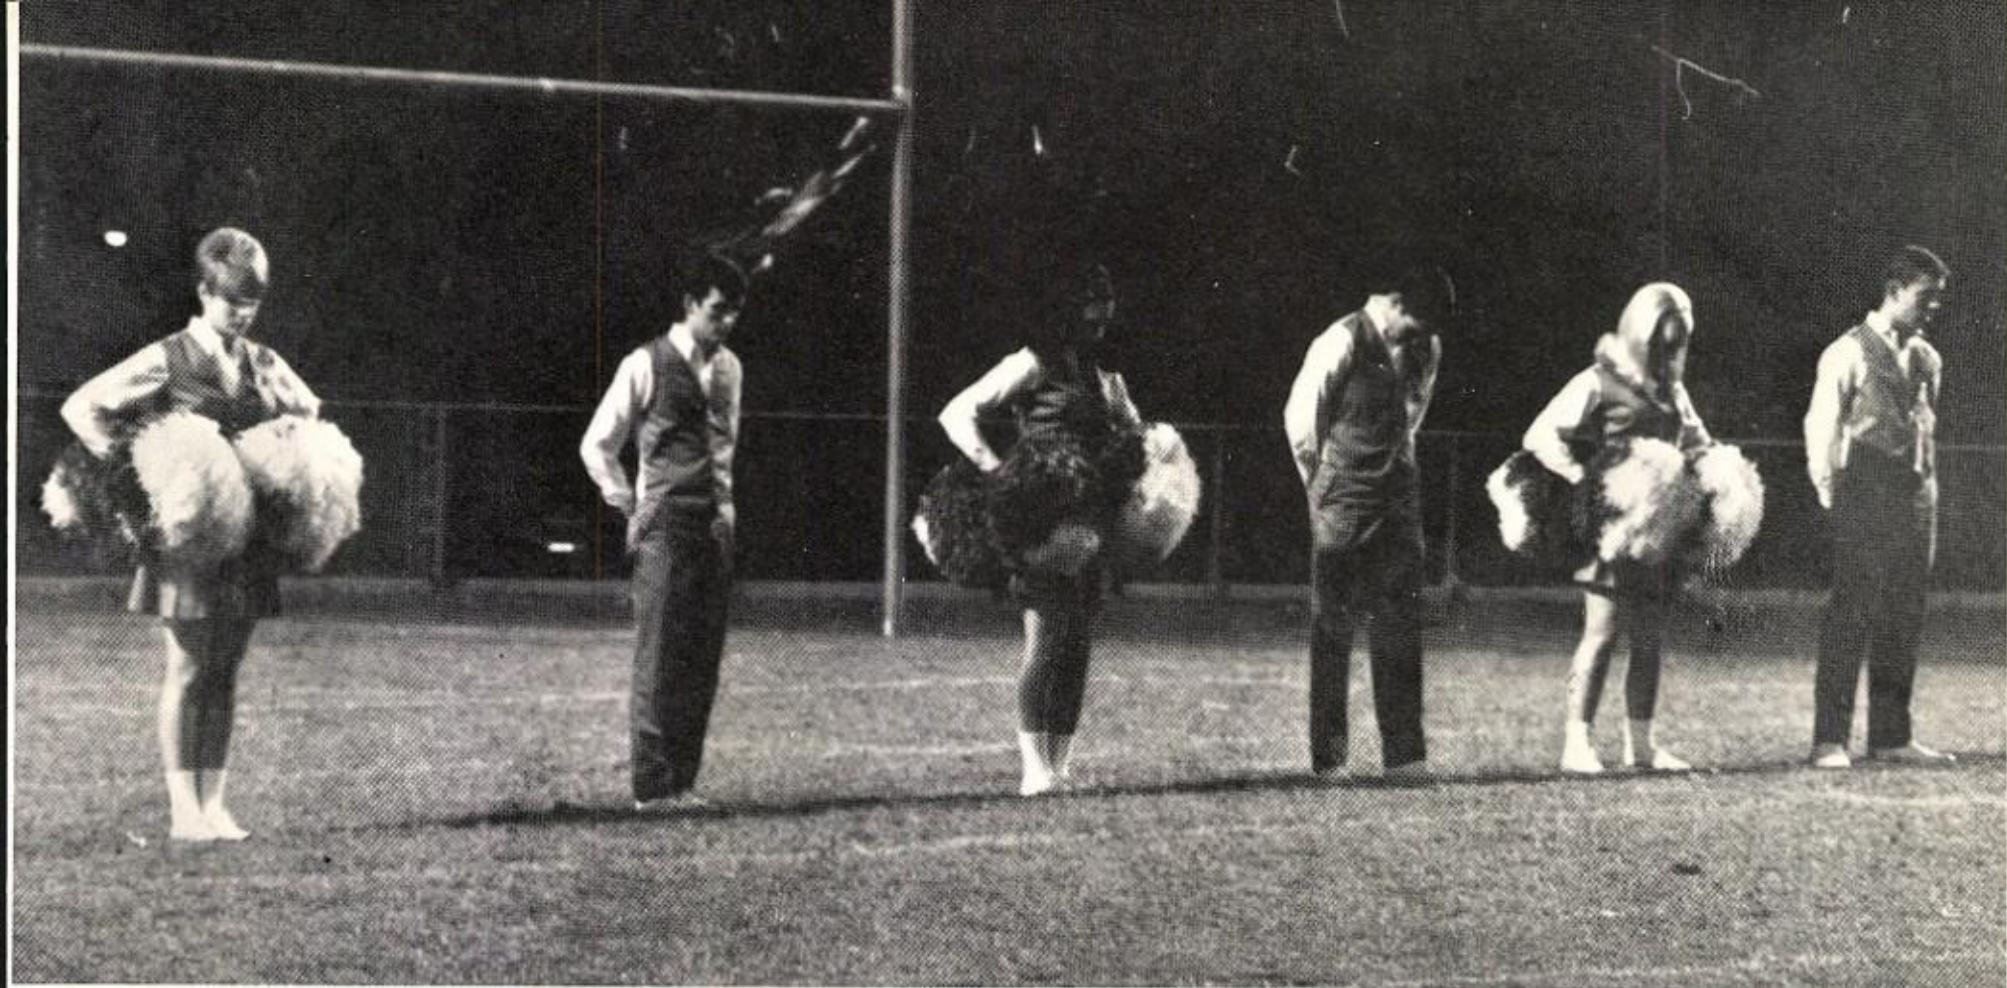

Cheerleaders Show Super Soul Spirit

When the problem of choosing cheerleaders reaches a climax, students select inspiring juniors Arlene Lucas and Bill Osborne. They single out seniors Alana Brennan, Elizabeth Windham, Steve Willingham, and Jerry Wilson to complete the group which is to represent PHS on the sidelines. This spirited crew practices under the experienced leadership of Mrs. Sandra Bryan.

Eagle Varsity

Quarterback Smitty McKenzie dodges tacklers and turns upfield for a gain against Texas City.

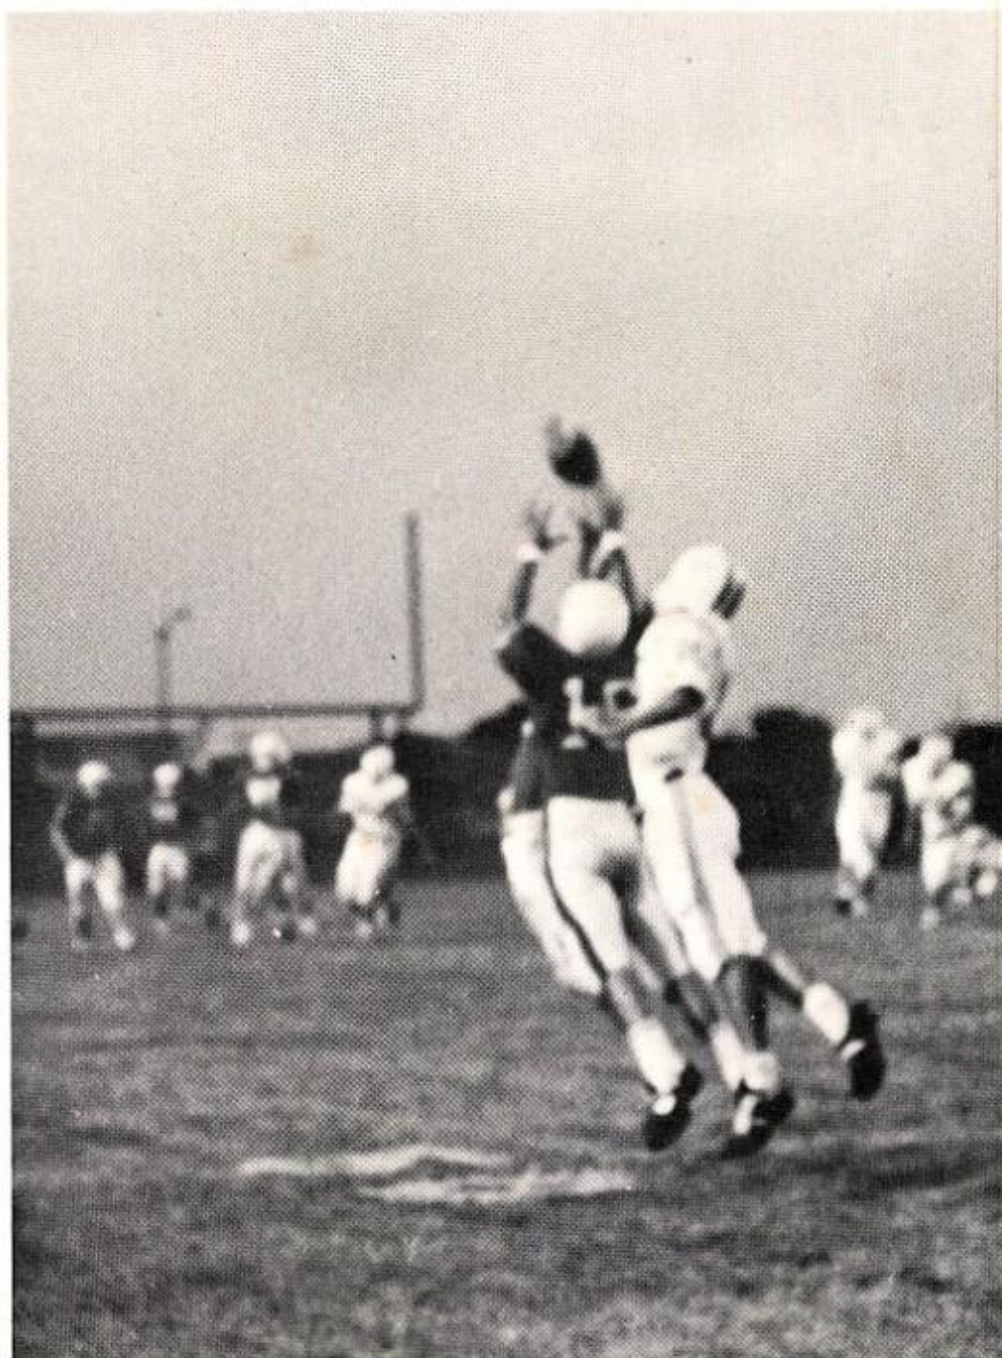

Sweeping the end, Smitty McKenzie looks for a block from Albert Kimball to set him free.

Season Starts Successfully

PHS's 1968 Eagle varsity begins its season with an 18-14 win over the Texas City Stingarees. Our defense, though shaky at first, comes through when needed as Albert Kimball intercepts a Stingaree pass on the Pasadena 5-yard line. This takes place with only 1:48 left to play, thus killing a TC drive. Fullback Eddie Foster, and halfbacks Robert Traylor and Albert Kimball demonstrate some of the Eagle's tremendous ground power. Quarterback Smitty McKenzie scores two of the touchdowns made. Late in the fourth quarter when Smitty fumbles in the end-zone, Steve Boren makes a key recovery for the third and winning touchdown.

Mike Barmore leaps high for a McKenzie pass as a TC defender tries to intercept.

Jackets Jolt Eagles

Playing poor hosts, the Galena Park Yellow Jackets upset our state-ranked Eagles 9-6. The Eagles start scoring with a 57-yard drive in the second quarter, climaxing it with Smitty's five-yard toss to Albert Kimball. Our boys in green are able to hold up against the Yellow Jacket offense for three quarters. Then with only 3:38 left in the game, GP forges ahead with a touchdown pass and PAT. The defensive squad stops several Jacket drives with David Barnes and Glenn Bondy making outstanding plays.

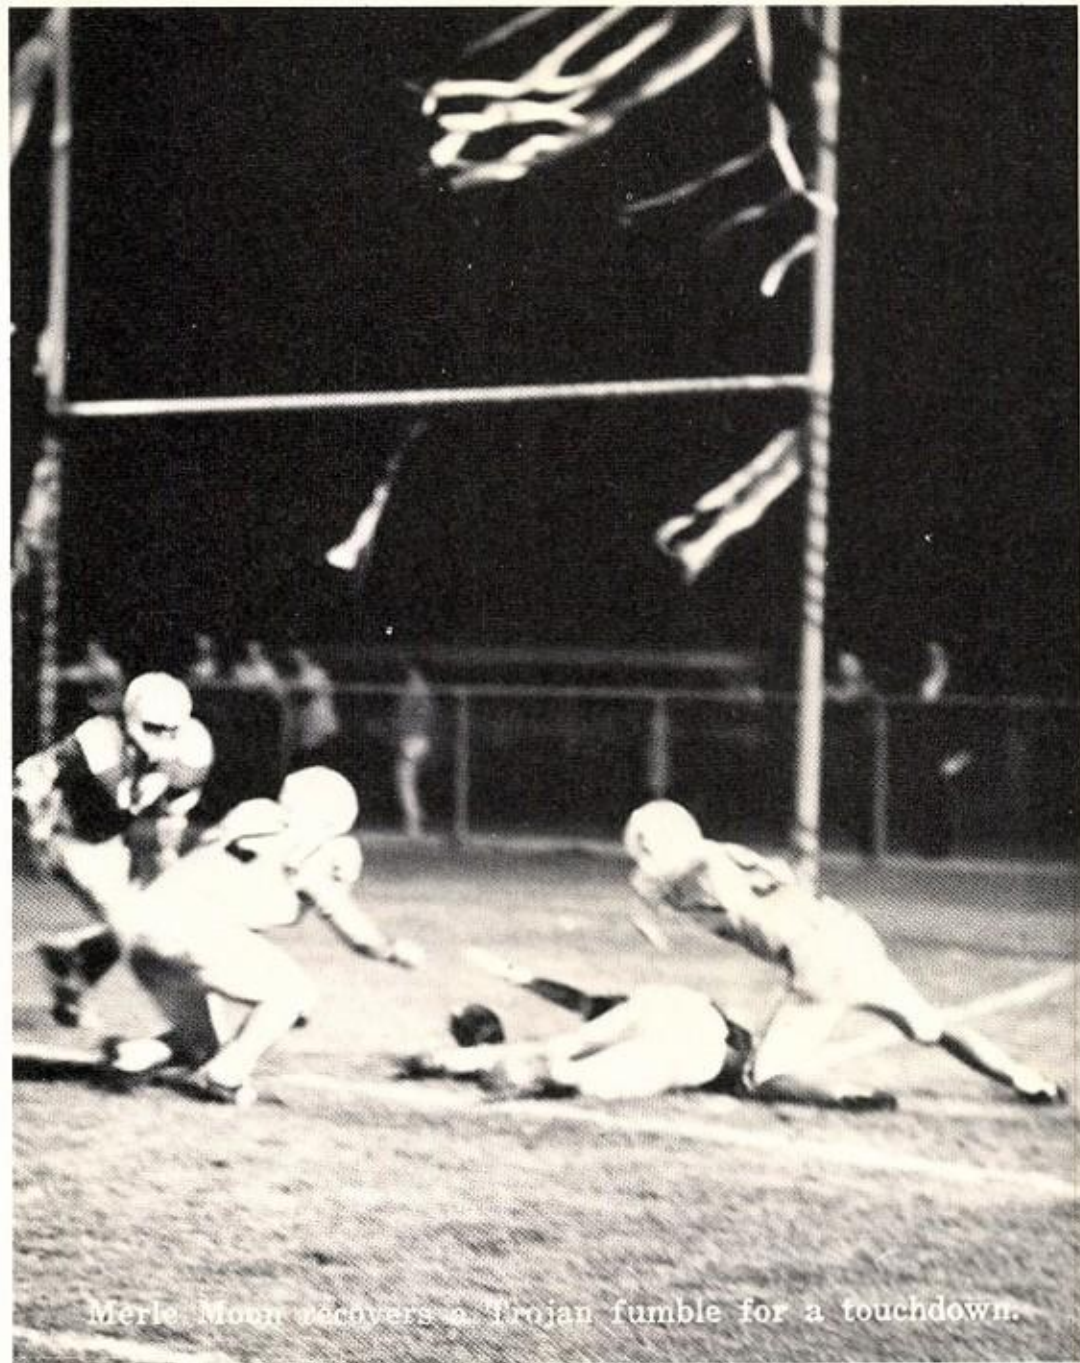

Mike Pay and Glenn Riske convince a Yellow Jacket they are here to play.

Defensive end Delray Bruce puts the stop to a Galena Park Yellow Jacket as Glenn Riske rushes to assist.

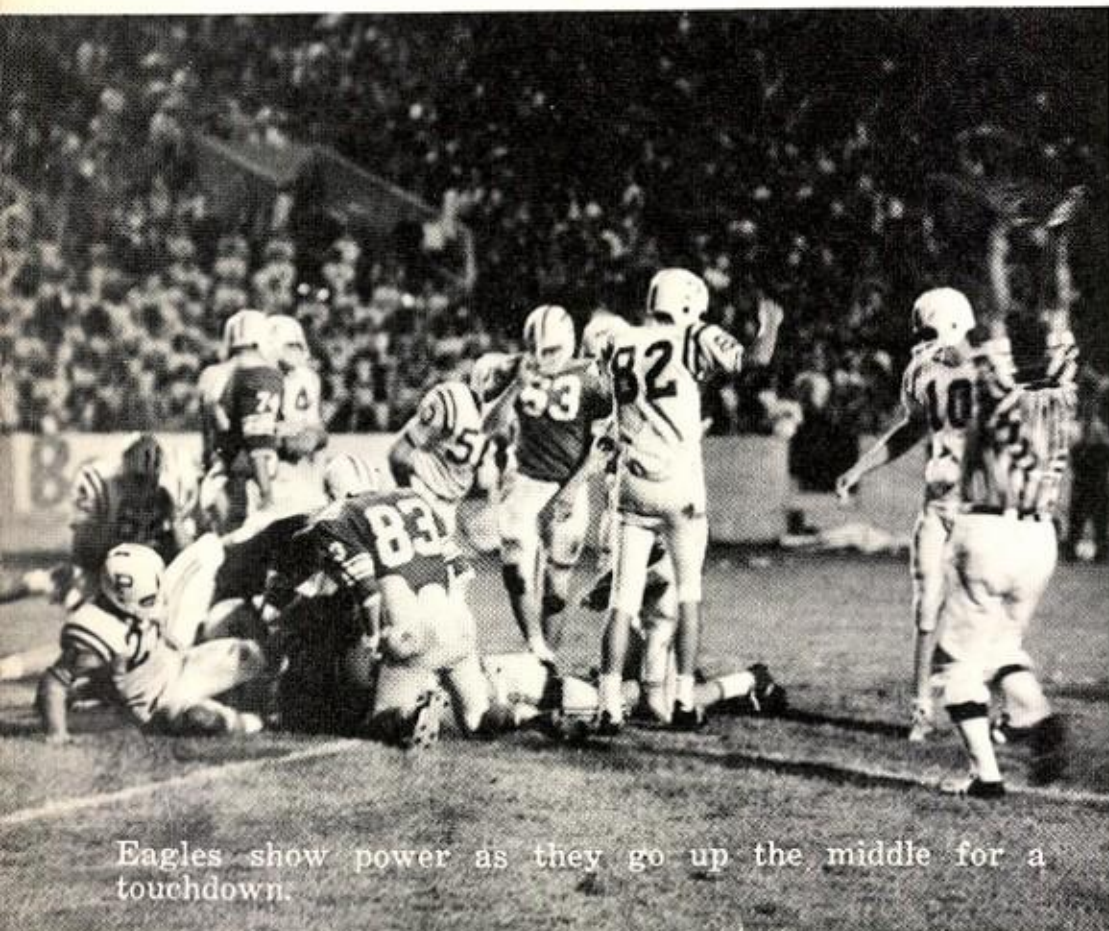

Eagles Roll Over Trojans

After an exciting but unfortunate loss to the Port Arthur Jackets, the Eagles return home to open their district games against South Houston. The Eagles, trailing 7-0 at the half, explode in the second half for a 28-7 victory. McKenzie makes the first touchdown on a five yard run while Eddie Foster adds to the score on a two yard run. A blocked punt by Glenn Riske results in the third touchdown. The final score comes on a fumble recovery by Merle Moon in the Trojan end zone. Albert Kimball kicks all four extra points.

Merle Moon recovers a Trojan fumble for a touchdown.

Albert Kimball prepares to land after making a substantial gain.

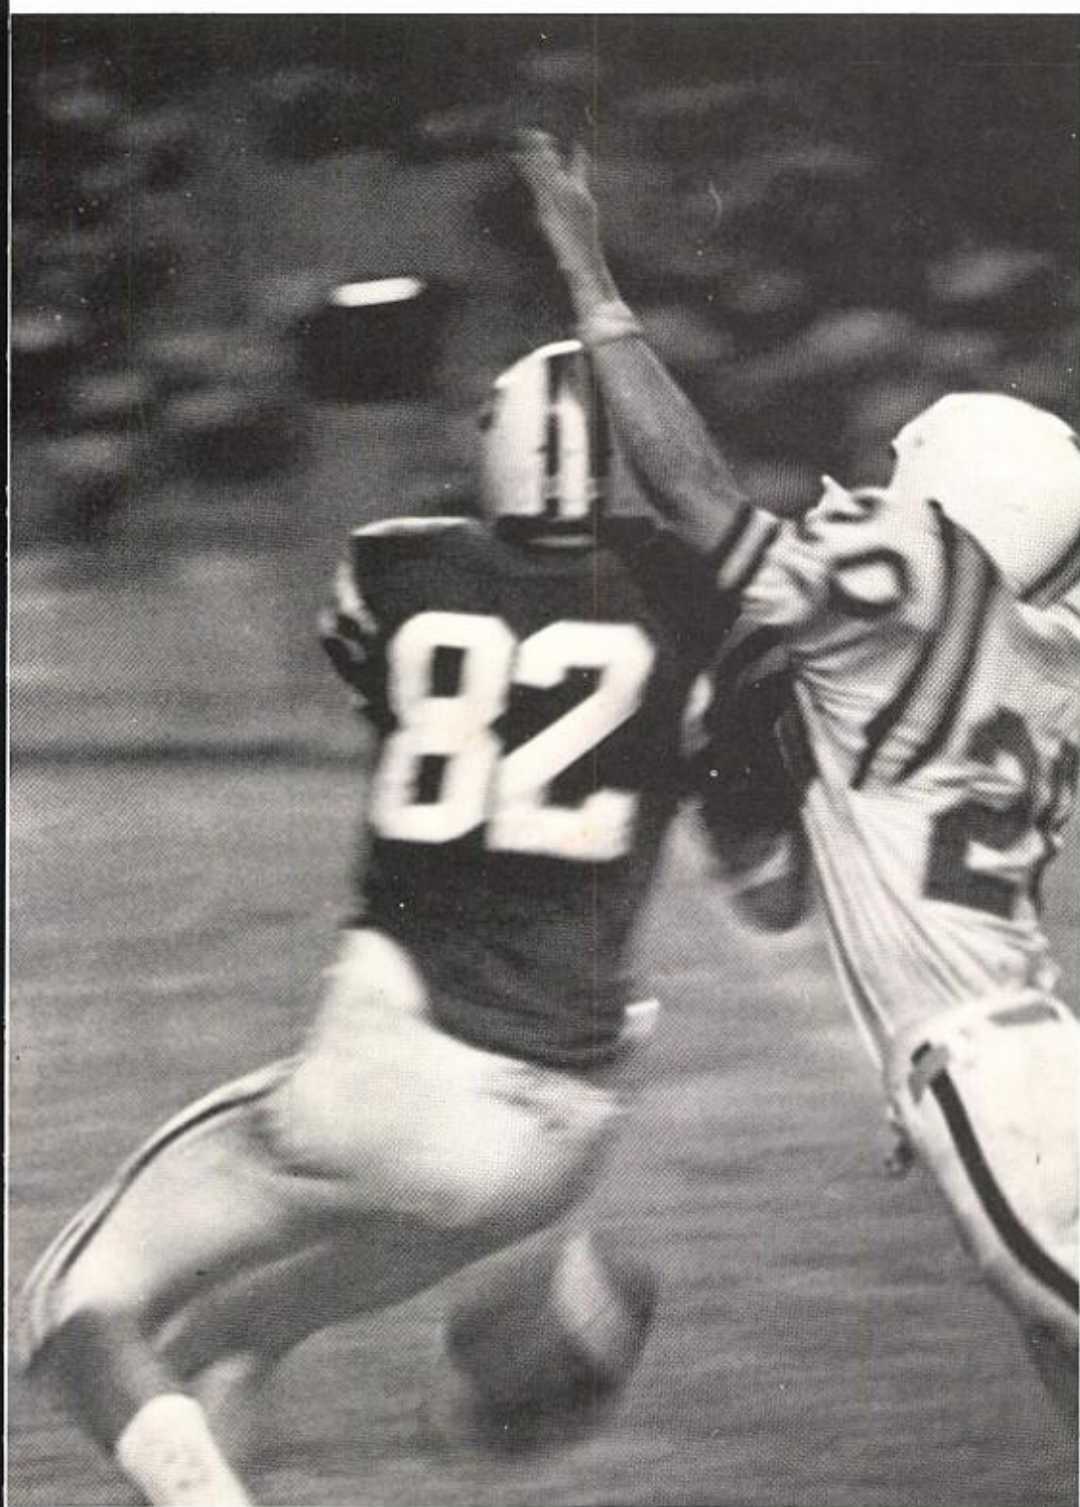

Eagles show power as they go up the middle for a touchdown.

Robert Traylor powers his way through the Deer Park line.

Eagles Fly Over Deer

Deer Park's Deer are no longer members of the undefeated list as a result of their game with us. Though leading only 7-0 at the half the Eagles come on strong in the second half for a 20-0 victory. The Eagles score first on a quarterback keeper around right end from the eight yard line and Albert Kimball kicks the PAT. Kimball scores all of the points of the second half. The first comes on a thirty-one yard pass from Smitty McKenzie with Kimball kicking the point after. The last points on the scoreboard are the results of Kimball's dive from the three yard line.

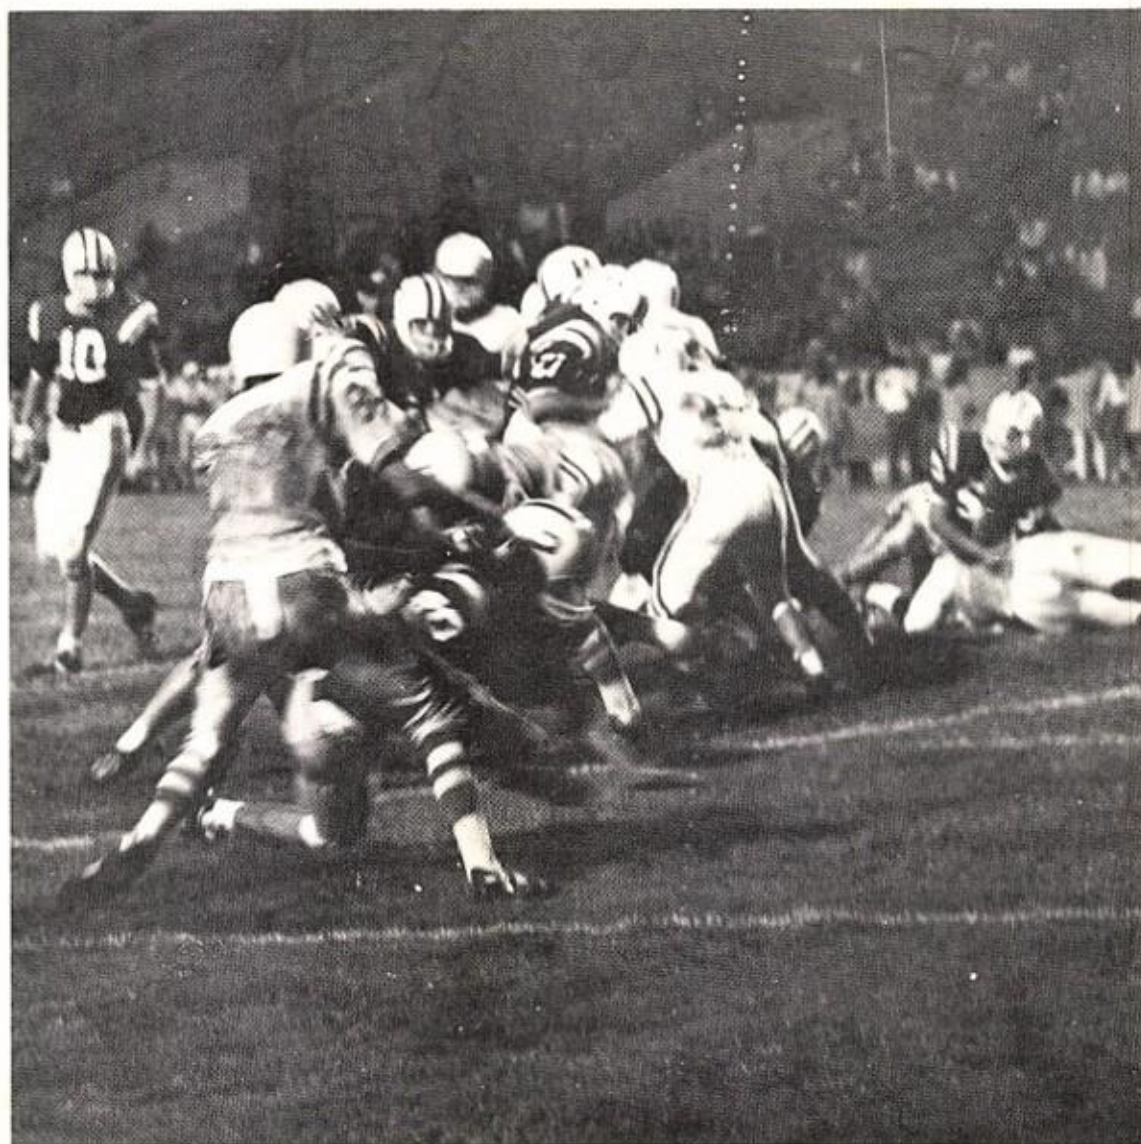

Steve Boren drops McKenzie's pass as he is jarred by the defensive man.

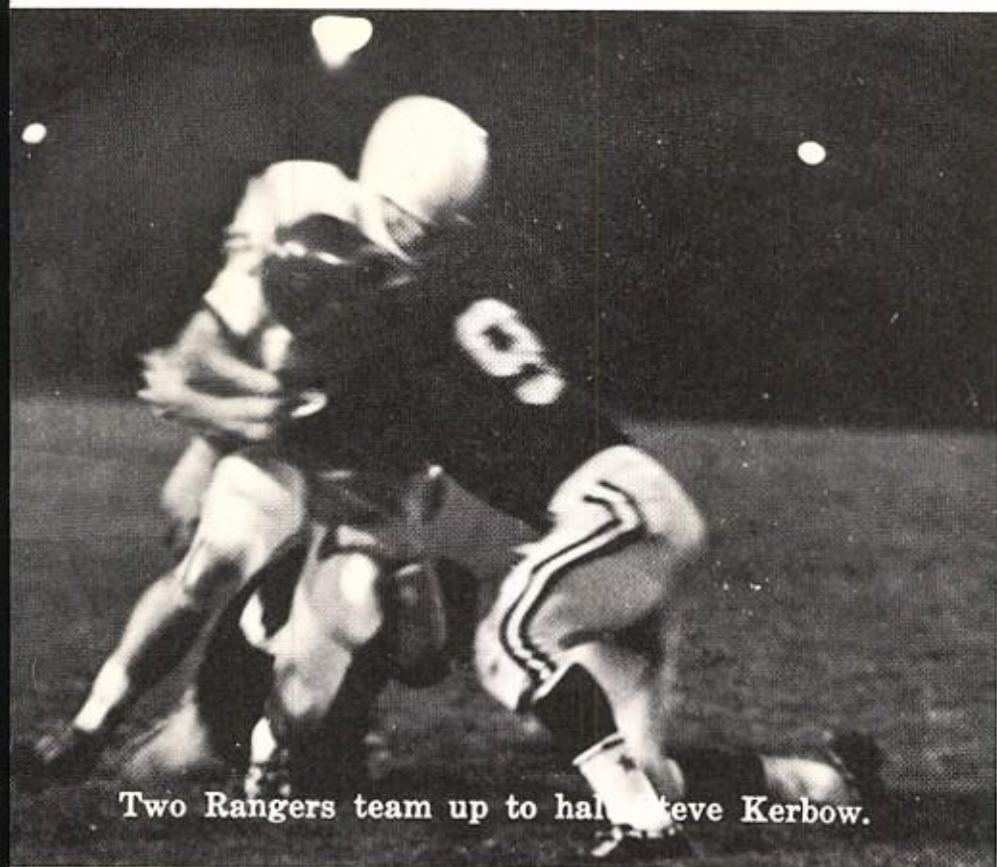

Being pursued by the defense, Smitty McKenzie scrambles up field.

Pasadena Overpowers Aldine

Pasadena's Eagles romp over the Aldine Mustangs 38-6 in a non-district battle. Several of the Eagles take part in the scoring during this one-sided game. Smitty McKenzie scores on runs of thirty-nine and eleven yards and tosses a twenty-one yard scoring pass to Mike Barmore. Eddie Foster and Bill Herring score touchdowns with Albert Kimball adding a twelve yard field goal.

The Aldine defense clogs up an Eagle running play.

Two Rangers team up to halt Steve Kerbow.

Eagles Take Rangers

The green of Pasadena is too strong for the Sterling Rangers as the Eagles roll up a 42-13 win. This keeps the Eagles' district record unblemished. The scoring starts immediately as the Eagles stack up 21 points the first quarter and go into the half with a 28-0 lead. Smitty McKenzie proves invaluable as he runs for three touchdowns, throws two touchdown passes, and runs for two extra points. Charles Coleman's fumble recovery and Doug Twitty's pass interception start two of the Eagles' scoring drives. Junior quarterback Bobby Randall does an exceptional job as he relieves McKenzie at quarterback.

Will Hasson catches the pass although he is surrounded by Rangers.

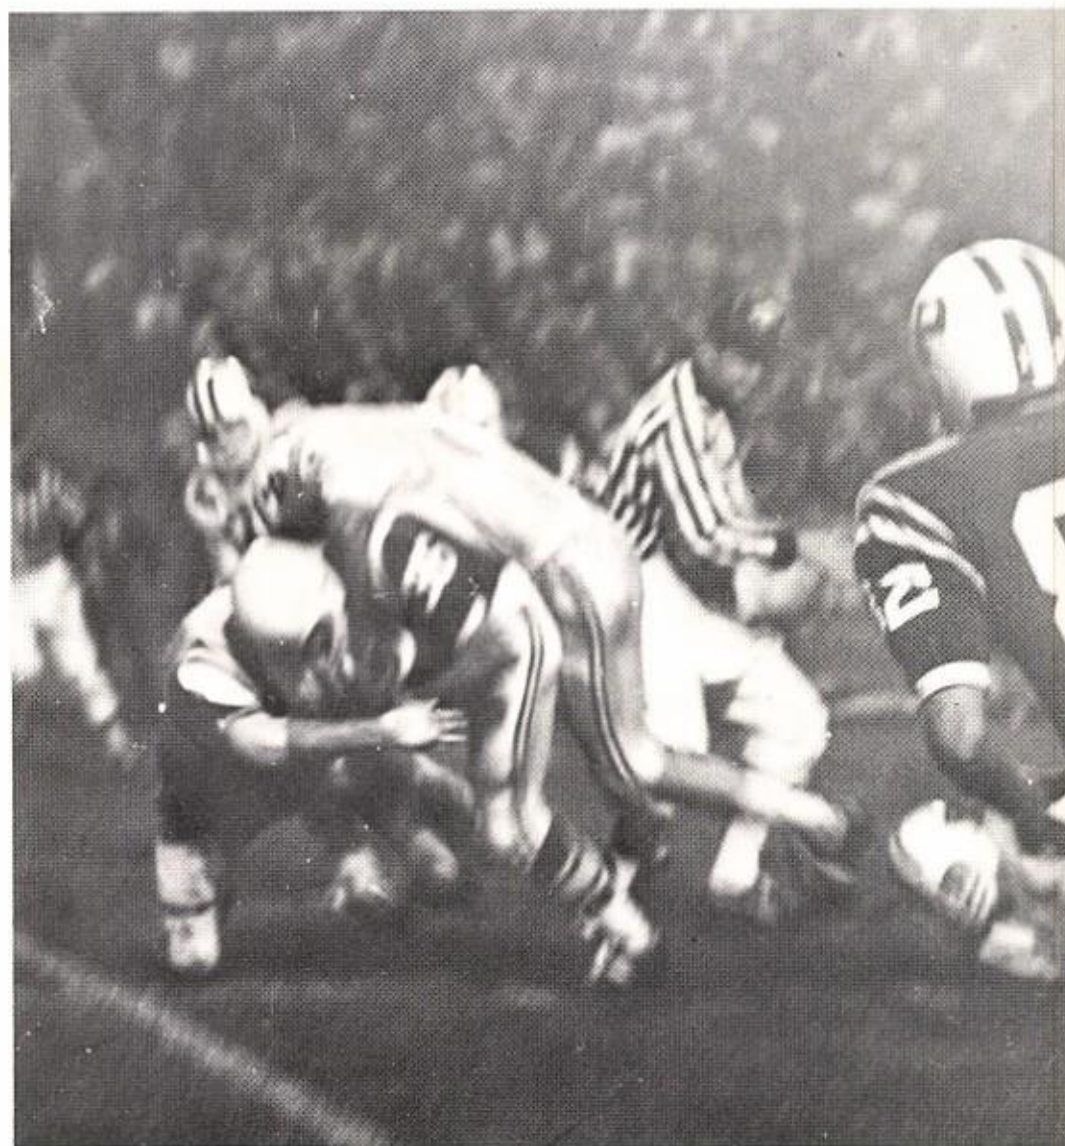

Albert Kimball adds another score to the already one-sided game.

Eddie Foster uses his speed and a crushing block to make a sizeable gain.

The second trip to Baytown becomes as successful as the first when the Eagles score a 7-0 victory over the Lee Ganders. A muddy field limits the scoring to Albert Kimball's seventy-three yard punt return and PAT.

The Eagles are forced to settle for a tie in the district battle as a result of Sam Rayburn defeating them 34-7. Pasadena starts strong as the Eagles score the first time they get the ball, but they don't have quite enough to stop the Texans. One consoling fact is that this is the first time in five years that Rayburn has managed to come out on top, and once in five years is not too great an average.

Will Hasson grinds out a few yards against the tough Rayburn defense.

Eagles Tie for Title

Football Banquet Honors Eagles

Steve Smith accepts the district co-champs' trophy from Bob Barfield for the whole team.

Guest speaker Gene Stallings addresses the team and its guests.

On Monday, January 13, 1969, the annual Football Banquet is held in the banquet room of San Jacinto Junior College and several of the varsity members receive trophies for their efforts during the football season. Mike Pay receives the trophy for outstanding lineman while Smitty McKenzie is awarded the trophy for outstanding back. The trophy for the most valuable Eagle is given to halfback Albert Kimball. The whole team also receives a trophy as district co-champions. Gene Stallings, athletic director and head coach at Texas A&M, is the guest speaker. Bill Barmore acts as master of ceremonies and Coach Bob Barfield makes the presentation of awards.

Outstanding Eagles Albert Kimball, Smitty McKenzie, and Mike Pay proudly display their trophies.

Cheerleaders — Co-Captains of the Court

As the PHS basketball year draws near, the Eagle supporters are being spirited by cheerleaders Cindy Carroll, Michelle Cordrey, Pam Nicholson, Dorinda Shook, Richard Bezdek, Jimmy DeLony, Steve LaCaze, and Tommy Partin. This fine bunch of youngsters rally basketball enthusiasts at all the many games.

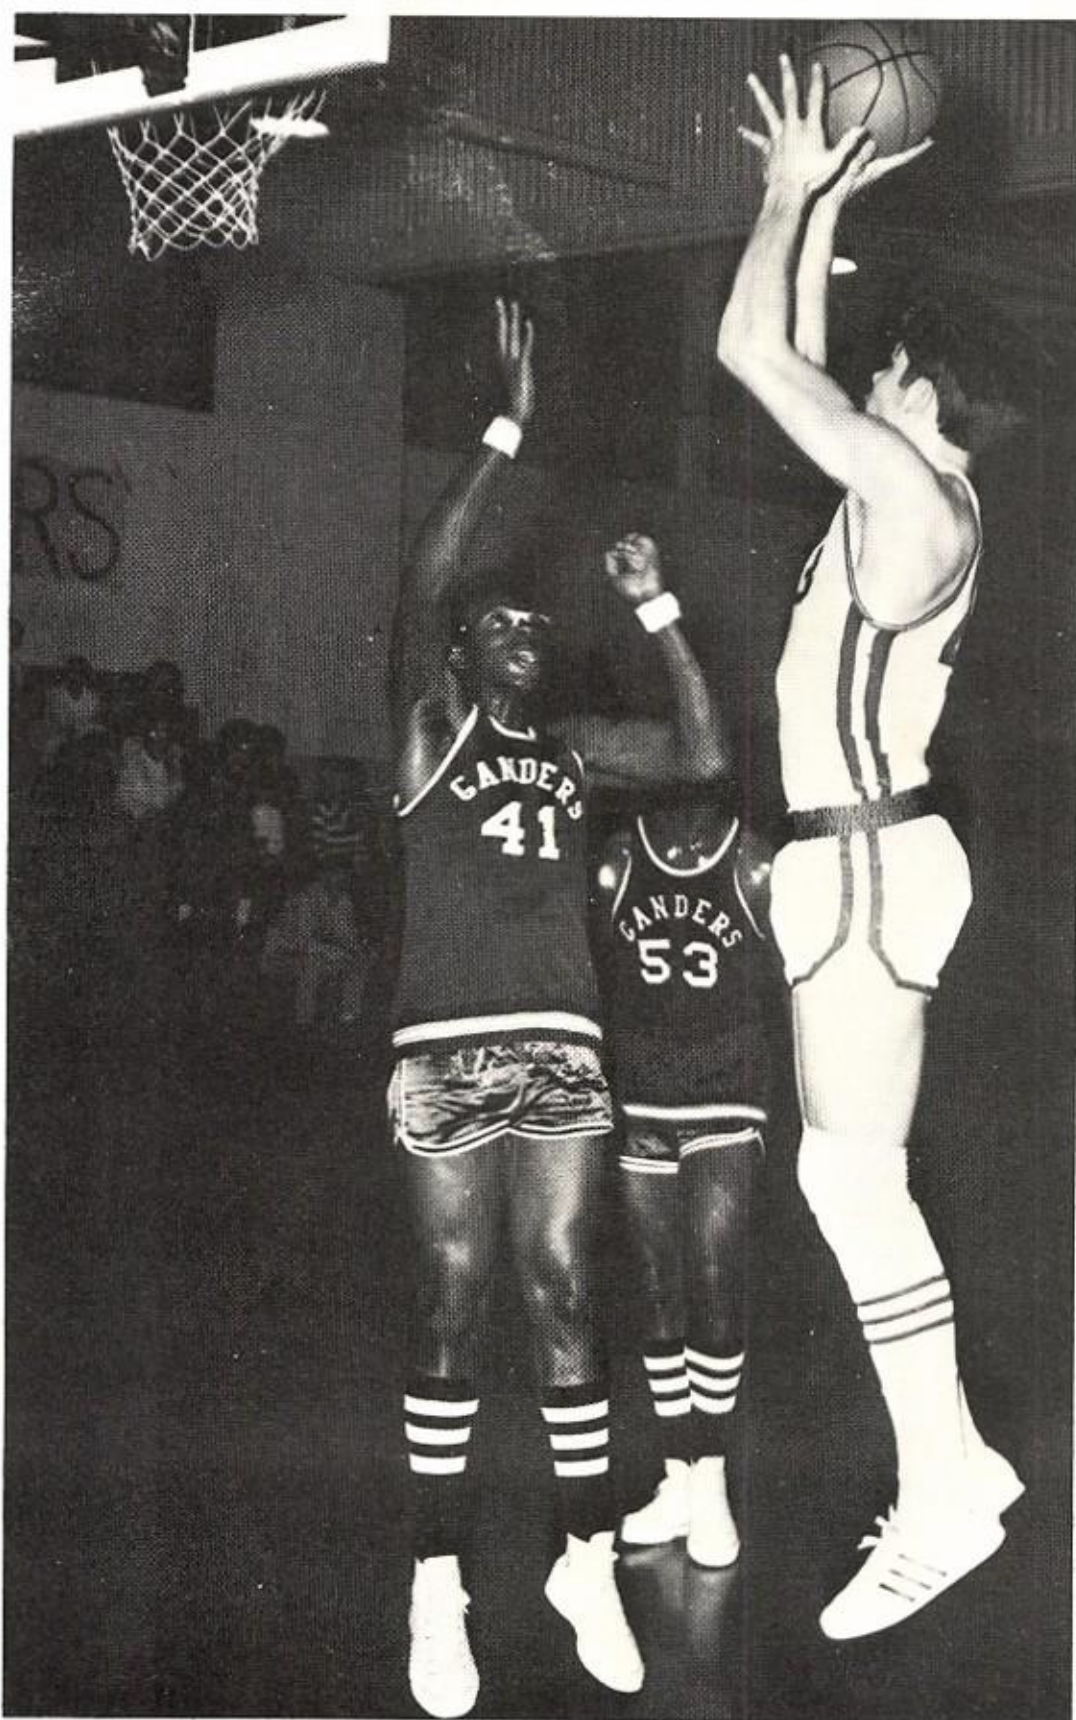

Basketball Is a Year-Round Sport

Basketball, like football, is a year-round sport in high school. The team practices throughout the year, especially from November through January. The varsity is under the direction of Coach Bobby McKinley.

Steve Trncak sets his sights on another sure field goal.

Ricky Triplett arches a jump shot for a possible two points.

Season's Record Is Respectable

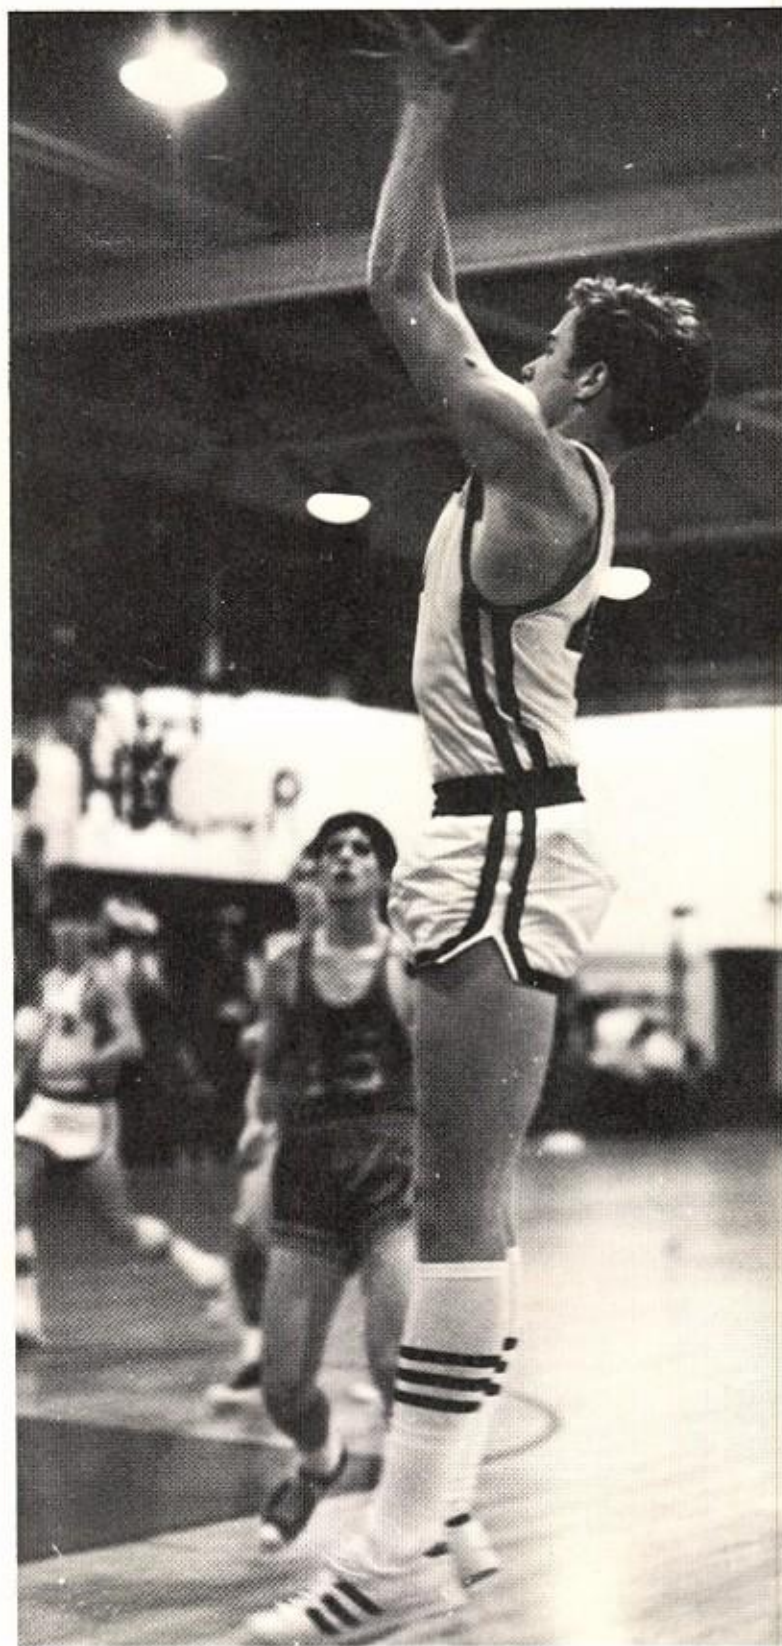

The 1968-1969 varsity record, though not spectacular, is still one that is quite presentable. During district play the team has a 5-7 win-loss record with several of the losses being extremely close games.

Several Cagers Are Honored

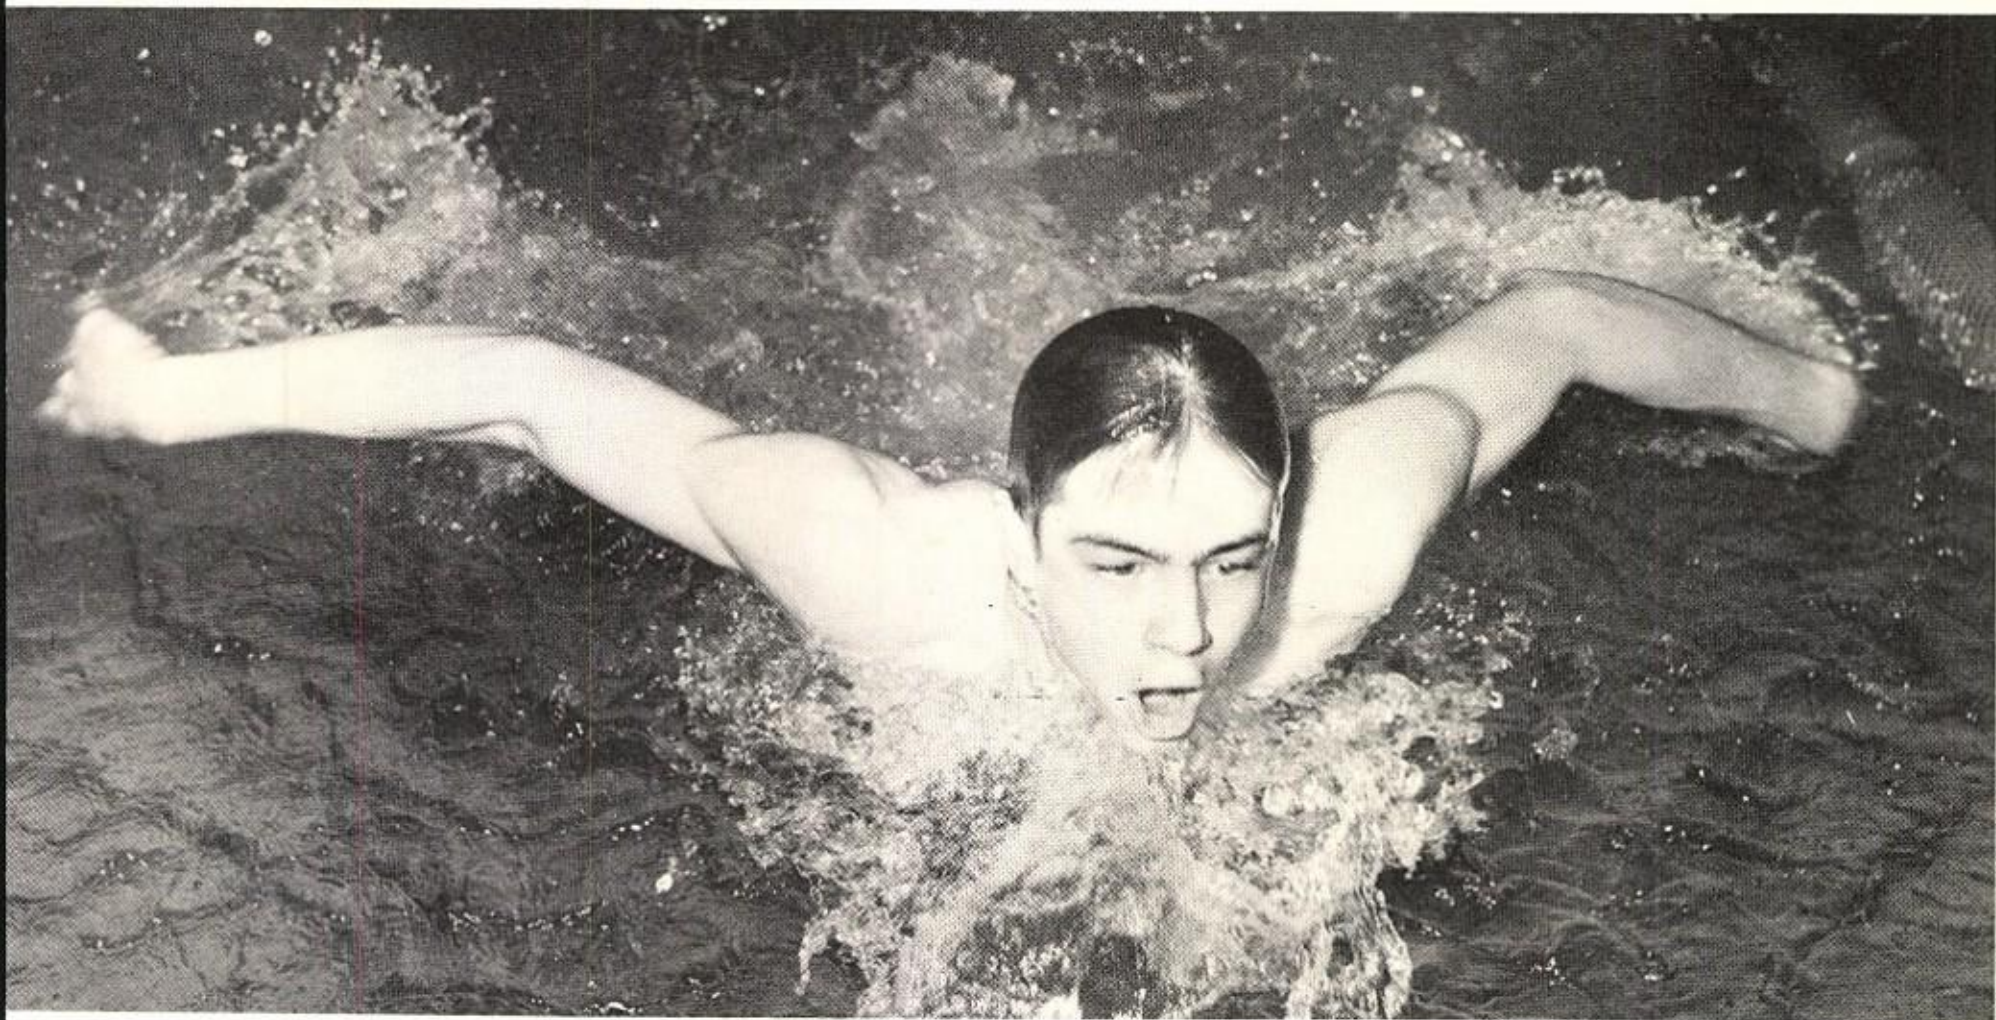

Sophomore Steve Trncak represents a big factor in the future success of the netters. This season Steve has an 18 point scoring average and an average of 14 rebounds per game. He is a member of the District 23-4A all-district team. Seniors Kelley Hazen, Ricky Triplett, and Steve Nelson receive honorable mention for their efforts.

State Invitation Rewards Toil

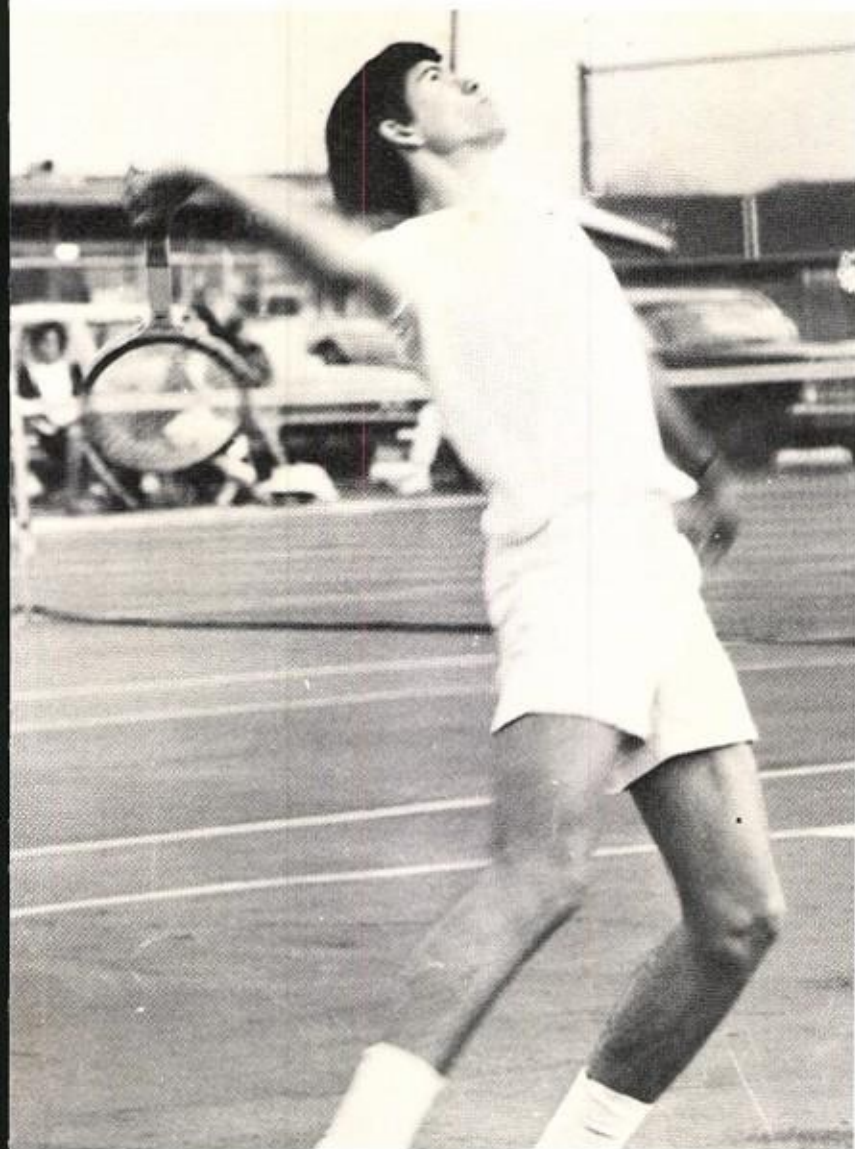

The often forgotten PHS swim team finishes with four wins and three losses and a fourth place at the district meet. The team works hard and long as they put in many hours of practice every day after school at Southmore Intermediate.

Senior John Elton and junior Pete Dietz both attend the Texas Invitational Meet at Austin. Pete also attends the State Meet in Dallas. He does a fine job in his representation of Pasadena High.

The team has a bright future ahead as John Elton is the only graduating member. With the experience of this year the team should do quite well in the upcoming years.

Netters Compete Vigorously

Many weeks of vigorous training and hours of practice after school result in the emergence of our 1969 Tennis Team. PHS maintains good participation in the weekend tennis tournaments. Due to the determination of the players, many attempts and matches prove to be quite successful. John Hunter and Larry Tyree place second in the South Houston Tournament and the Pasadena Recreation Thanksgiving Tournament. Michelle Luebe wins third place in the Pasadena Invitational Tournament. She and John receive a second place in mixed doubles at the Pasadena Interscholastic Tournament. Several of our leading tennis players give stiff competition to state-ranked contestants during these matches. After a season of triumphs and heartaches, the team finishes out this year practicing and anticipating next year.

In an effort to perfect her serve, Dorinda Dough-

Eagles Finish Fourth In District

Baseball, the national pastime, is also a great pastime at Pasadena High. Coach Webb and his varsity players do a fine job in representing Pasadena wherever they play. This year lady luck is sort of harem-scarem around Pasadena and the varsity has only a fairly good season. They finish the season with an overall record of 13 wins and 14 losses, and a district record of 5 wins and 6 losses. They finish fourth in the district standings.

The first base coach aids the runner in beating the throw to first.

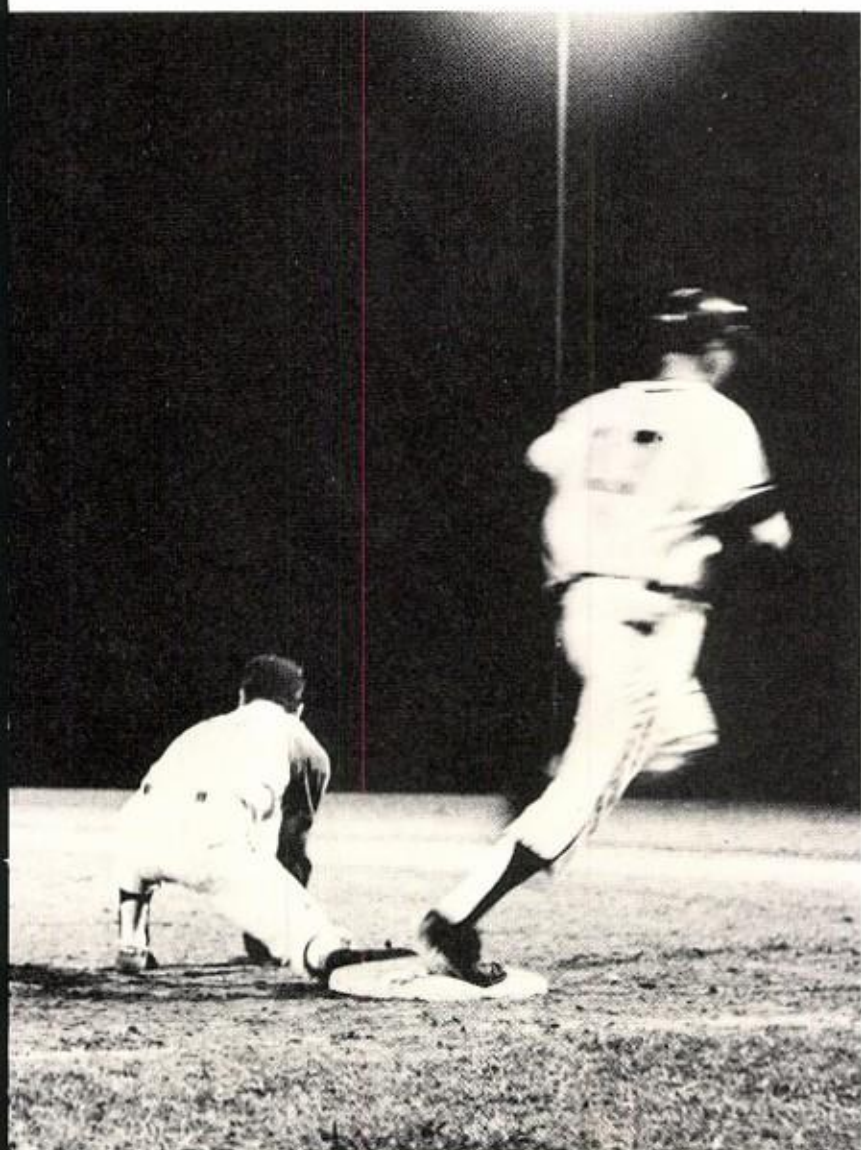

Season Produces Exciting Games

This season has been full of many exciting and eventful games. One of the most exciting games is a sixteen inning marathon with the South Houston Trojans. The Eagles come out on top with a 3-2 victory in the hard fought contest. Although unsuccessful in our several attempts this year against the Sam Rayburn Texans, the baseball team is successful in one of their contests with the Texans. The final outcome is a 7-3 win for the Eagle nine.

The opposing first baseman holds Ronnie Foree close to first.

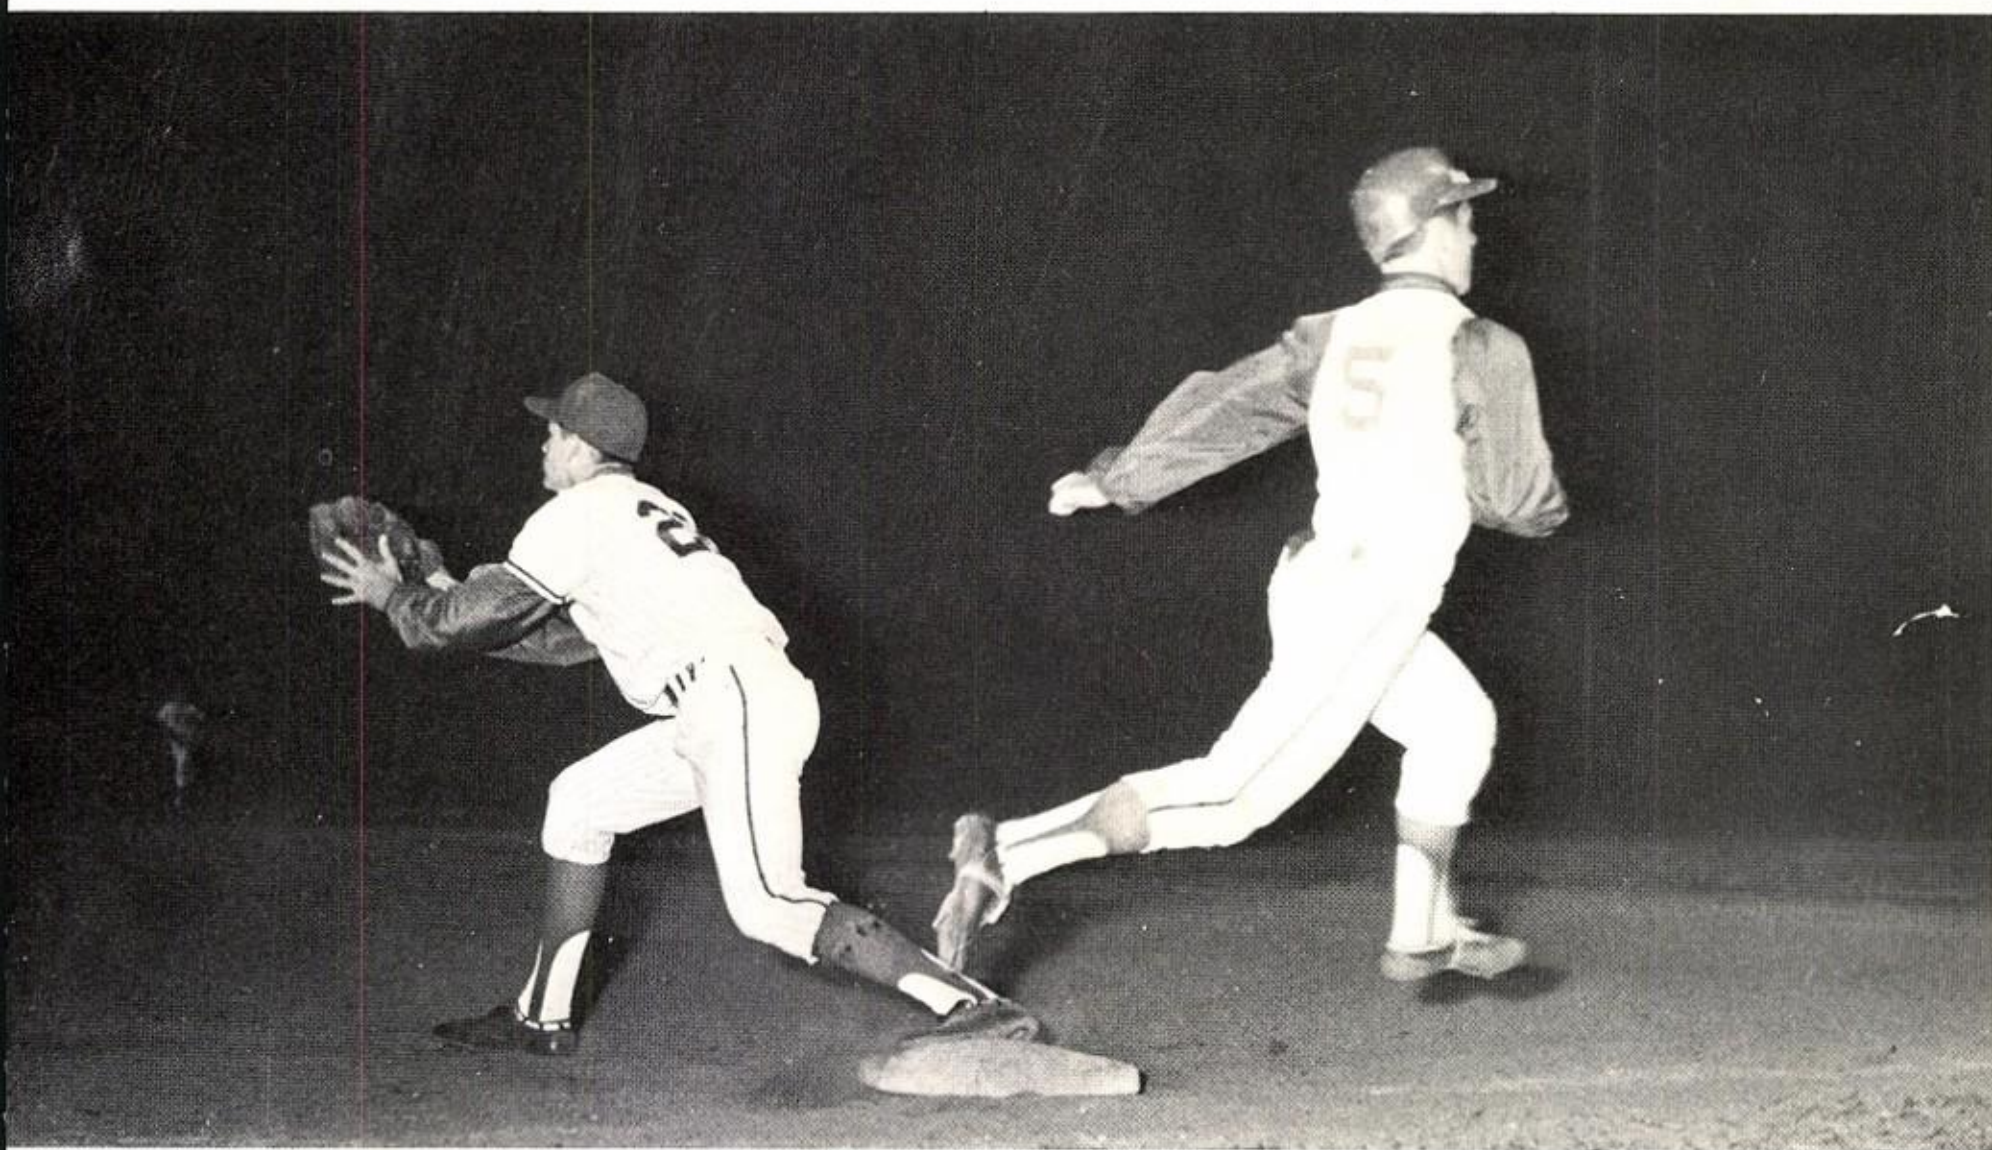

Team Effort Results in Successful Season

The success of this year's team, as in most other sports, is not due to any one player, but to the team working together as a whole. There are, however, several outstanding Eagles who do a great deal in making the season the success it is. One of these contributors is Albert Kimball, who leads the team in batting with a tremendous .320 batting average. Close behind Albert is Dennis Reed with a .316 average. Tommy McDaniels is one of the top hurlers for the Eagles as he finishes the season with a 5-5 win-loss record. Other Eagle pitchers and their records are Mike Kirkland 4-3, Tommy Strawther 2-2, Glenn Morgan 0-2, Albert Kimball 1-0, Smitty McKenzie 0-1, and Gary Kimmons 1-1.

Recognition Given Top Players

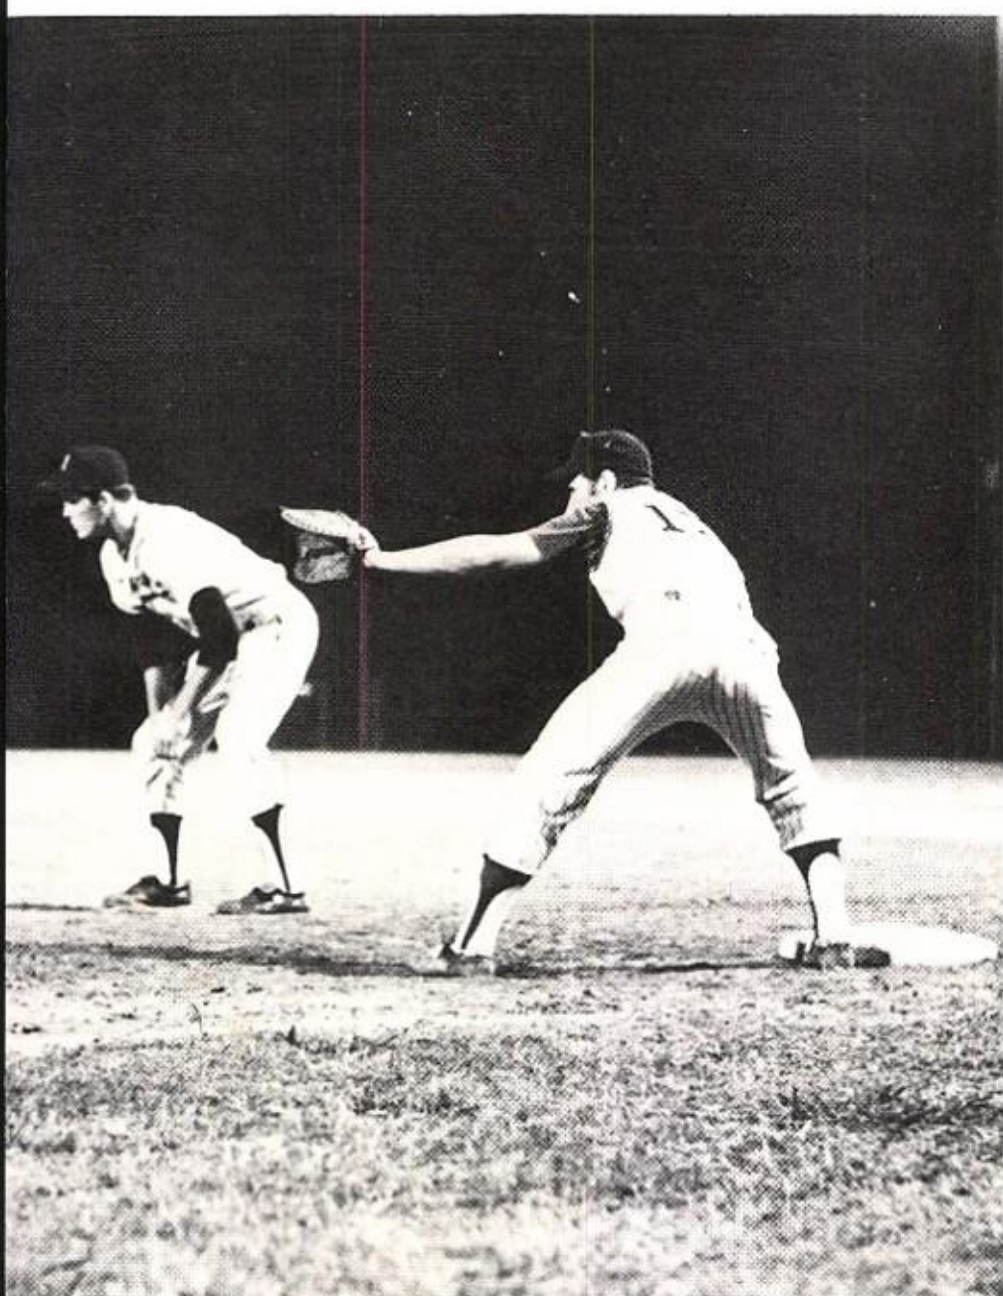

For their efforts in the 1969 season, several of the Eagles receive special honors and awards. Albert Kimball is selected Most Valuable Player by his teammates. Many of the players on this year's baseball team are selected to All-District Teams. Albert Kimball and Dennis Reed make the first team, while Tommy McDaniel, Smitty McKenzie, and Danny White make the second team. Mike Kirkland and Robert Traylor receive and Robert Traylor receive honorable mention.

Tracksters Finish Second in District

The track team of 1968-69 finishes a very strong second in the district meet. They finish with 96 points, just a few behind the winners—the Deer Park Deer.

When the word track is mentioned, most people think of speed, and Pasadena has its share. Steve Boren gives the opposition rough competition in the 100-yard dash, while Mike Barmore pushes the competition in the hurdles. Besides individual speedsters, the Eagles also have an outstanding mile relay team consisting of Will Hasson, Gary Milligan, Lee Milligan, and Ricky Meyer.

Golfers Tee Off

The PHS golf team plays in many tournaments during the year. This year they go to Beaumont, Bryan, Galveston, Orange, and the district meet in Baytown. At the district meet the team places fifth, and Bruce Angel wins sixth. Coach Hollis will have several returning golfers next year including Bruce Angel, Stanley Barnes, Alan Delafield, David Masoner, and Ricky Swan.

Organizations

Another facet of school life that has a great deal to offer an involved student body is organizations. PHS teems with activity with all the many clubs and organizations on campus. There is a club to further almost any interest a student may have and to enable him to become an integral part of a unified whole. Much fun, hard work, and accomplishment can be found in these various organizations of which PHS is so proud.

Air Conditioning and Refrigeration Stresses Active Participation

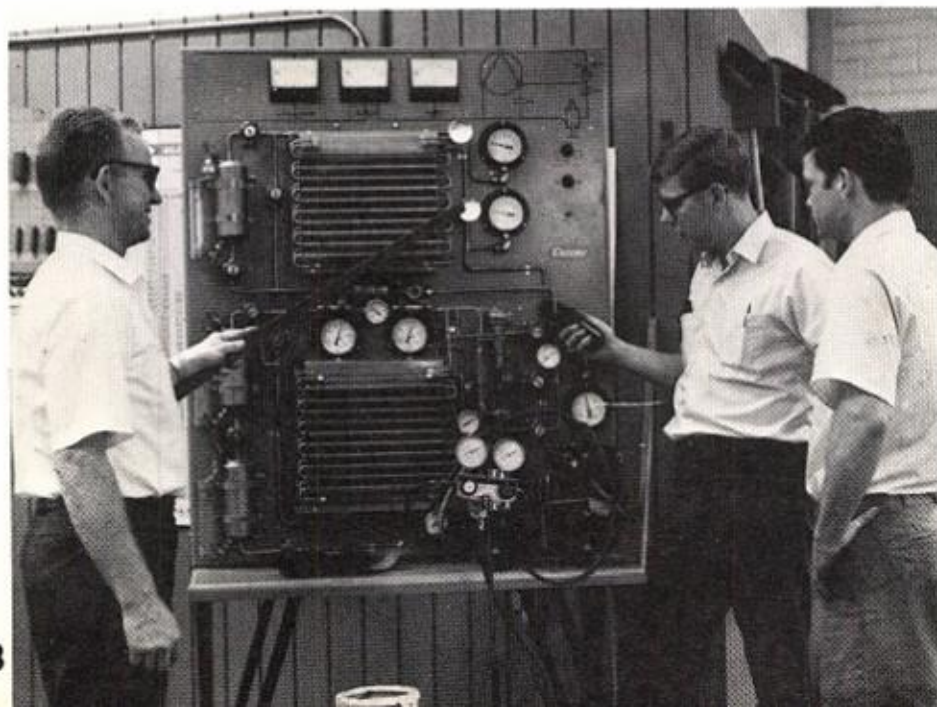

The Air Conditioning and Refrigeration Club trouble shoots, diagnoses, and repairs compressors, condensers, and cooling coils. They learn all of the components of refrigeration, air conditioning, and heat control units. At Christmas they collect food for a needy family as a service project. Throughout the year, these students work on units belonging to anyone connected with the school for cost only.

Students Learn Car Restoration

In Auto Paint and Body students have an excellent chance to prepare themselves for the future. These students learn how to repair wrecked trucks and cars to their original shape. Many of them can do as fine a job as experienced men in this field. The members learn the art of painting a car. This is a very involved process and requires many hours of study and practice. Finishing this course with a good grade prepares many boys for this field of endeavor.

This organization supports a needy family at Christmas. Using their talents, they repair and paint bicycles, tricycles, and wagons for the children of several needy families. These toys brighten the eyes of many on Christmas morning.

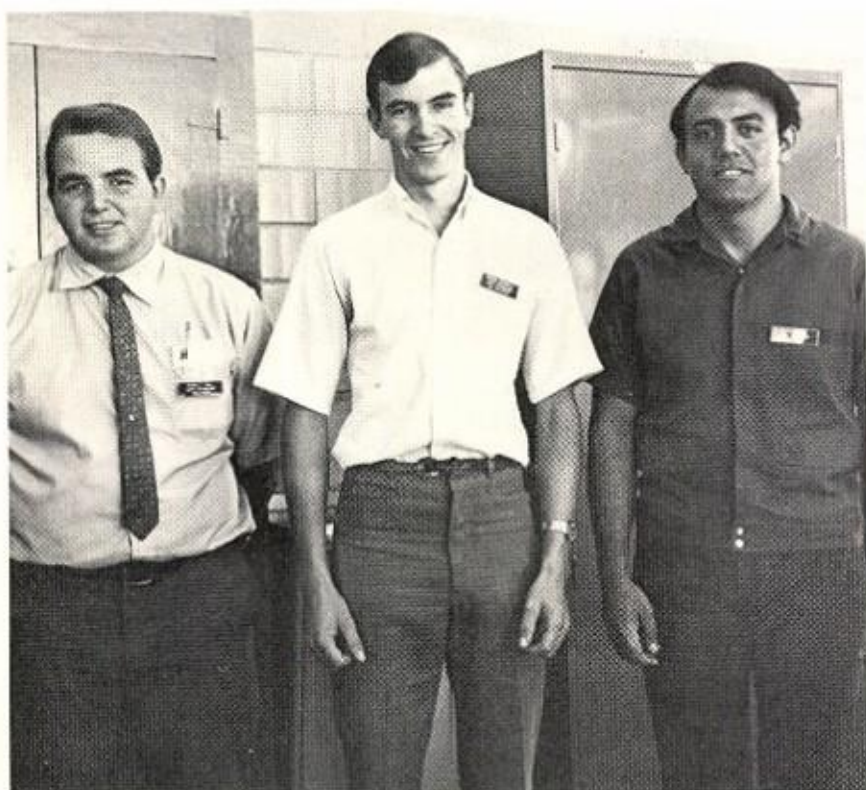

Mr. Bailey shows how to go about the repair of this mutilated car.

Auto Mechanics Clubs Help Others

The Auto Mechanics Clubs, Chapters 117 and 362, require members to be enrolled in a vocational course. Their main interest lies in learning about, working with, and repairing cars. Their services are made available at cost to all people connected with the high schools. At Christmas these boys collected over \$300 in money and over 500 pounds of food to help four needy families.

Girls Learn Skills Through Cosmetology

PHS prepares students for a career as beauticians by teaching them to give permanents and manicures, wash, roll, cut, and comb out hair in the latest fashions. Cosmetology students must learn all about the scalp, muscles in the head and neck, and skin diseases. After one thousand hours of class participation, they can go to Austin for their state board examination. Upon passing the exam, they are given licenses to practice. The cosmetology class enters a float in the rodeo parade every year.

Awareness Program Initiated by DE

The Distributive Education Club creates, executes, and engineers a city-wide "Awareness of Pasadena Program." This program is primarily designed to help the citizens know what's happening in their community by subscribing to the hometown newspaper, the **Pasadena News Citizen**. "Trade at home by showing your loyalty to home" is the main theme, and this program is an outgrowth of last year's nationally acclaimed "Shop at Home" project. By selling these subscriptions to the hometown newspaper, the DE students hope to make Pasadenians aware of their rapidly-growing suburban city.

Mayor Clyde Doyal presents a proclamation for a city-wide "Dick Nichols Day" on March 17, as a result of the suggestion of the DE Club.

Awards Mark Success by Future Farmers

The Future Farmers of America has a multitude of honors bestowed upon them. Del Ray Bruce is elected District II Vice-President and Arlene Lucas goes on to win State FFA Sweetheart. At officers' camp, David Berrier receives a first-place trophy while Del Ray Bruce picks up a trophy for third place. Many of the boys win awards throughout the year for their outstanding animals. Grand Champion awards include: Jim Richards, sheep; David Berrier, fryers; David Huffman, trio capons; and Kenneth Wiggins and Jimmy Richards, rabbits.

Sponsored by Mr. Murphy, the Industrial Cooperative Training class is composed of students who combine their school work with jobs which will prepare them for a future vocation. Along with the assistance of Mr. Murphy and an advisory board, the class sponsors needy families at Thanksgiving and Christmas, and sends projects, both chapter and individual, into district and state competition.

Data Processing Engages in Charitable Works

The Data Processing Club's membership is limited to the students in Mr. Michael Wygant's first and second year classes. As a group, they work with the school administration in supplying food to needy families and Easter Baskets to children in the local hospitals.

To finance club activities, Christmas wreaths made from used data processing cards are laboriously put together and then sold by the club members.

An efficient computation calls for accurate programming by Data Processors.

During the school year, the club sponsors picnics, bowling parties, and field trips to local industries. The highlight of the year's activities is the contest held in the spring that allows the students to test their new-found Data Processing skills against other pupils.

Hopefully, all of the activities will better prepare the individual to get a job after graduation, or to further his education in college.

Guest Speakers Highlight Spanish Club Meetings

The Spanish Club is composed of those students who have shown an interest in the Spanish language and customs. Members must have been enrolled in Spanish sometimes during their high school years. Interest in this club has been aroused by such activities as a bake sale, a variety of speakers at meetings, and a banquet at the end of the year. The Spanish Club has done much to promote practice in speaking Spanish conversationally with programs conducted totally in Spanish.

The Future Teachers of America works toward preparing its members for a teaching career. A welcome-back tea for the faculty brings students and teachers together in a social atmosphere and deepens the understanding and communication between the two.

In November the district convention is held. Jackie Hayes serves as District I Chaplain for 1968. Kelly Hazen is a state delegate for 1969, and Melanie Morehead holds the office of District IV Treasurer 1969. FTA grants a scholarship to a deserving senior each year. There is much to be gained toward achieving future goals in personal and career lives in FTA.

Performing Arts Club Brings the Magic of Entertainment Alive

The Performing Arts Club helps keep the social life at PHS alive through entertainment. Members of this club put on a variety of shows for students during school. Their part of the Christmas assembly consists of a one-act skit entitled "Christmas on Mars." The annual one-act play is "Doctor Faustus." Acting ability is not the only thing gained from participation in this club. Lighting and sound control is also taught and practiced. With this knowledge, members help with the Eagle Escort Revue, the Senior Talent Show, and other assemblies.

Key Club Unlocks Doors to Future

A service organization such as the Key Club instills initiative and leadership in young men of a community. They strive for useful citizenship with the cooperation of the school principal and the Kiwanis.

1969 is definitely a year of involvement for the Key Club. The first target for group action by enthusiastic members is the movement of a field hospital from the National Guard Armory in Pasadena to Angleton. Another project includes the collection of money at the Pasadena Rodeo for the Kiwanis. Friendly rivalry builds up when the Key Club challenges the Kiwanis to a basketball game. Members visit the White Wing Skeet Range often throughout the year. Distinguished guests, including Ellis Means of the Pasadena Police Department, attend meetings during the year to discuss interesting topics of controversy on life in our modern world.

To qualify for membership in Mu Alpha Theta, the student must have had at least four semesters of college preparatory mathematics completed with a "B" average or better, and be enrolled in a fifth semester.

Thespians Enact Life

The Thespians, a national honor society for dramatic students, is a dominant feature of the PHS campus. Its members must have earned ten points, which is equivalent to thirty hours of work, on such things as producing plays and making scenery. For every ten points thereafter, they are presented with a gold star. Once initiated into the society, they have a lifetime membership. The joint effort of the Thespians and the PAC has encouraged many drama students to strive to be a part of this type of activity.

Members listen attentively during a business meeting.

Our History Club at PHS is one of the most active clubs on campus. Its calendar of events include: sponsoring the Valentine Party, attending state convention, and taking two field trips. While in Austin for the convention, members of the club have the privilege of meeting Senator Chet Brooks. Their field trips consist of a ship channel excursion and a trip to NASA. Participation is a major factor to the success of the club.

History Club members tour the State Capitol while in Austin.

Activities include a field trip to NASA and a tour of Texas A&M University. Among the noted speakers to address the members is Mr. St. Leger from NASA, who discusses the flight of Apollo 8.

Computer programmer Joe Snyder explains facilities and procedures of IBM machines to the future engineers.

Pete Dietz and Wally McCaffety examine the blueprints they made of the new parking lot on site.

Interact Promotes New School Parking Lot

The members of Interact are always looking for ways to help their fellow students. This year they are starting a campaign for a new parking lot for our school which will add about three hundred and sixty parking places for students. This is something which has been needed for a long time by PHS. The members make the plans and draw up the blueprints. They send representatives to the city council for the persuasion of our cause. The Interact boys collect old batteries for their money-making project this year. About fifty of these batteries are procured to raise money.

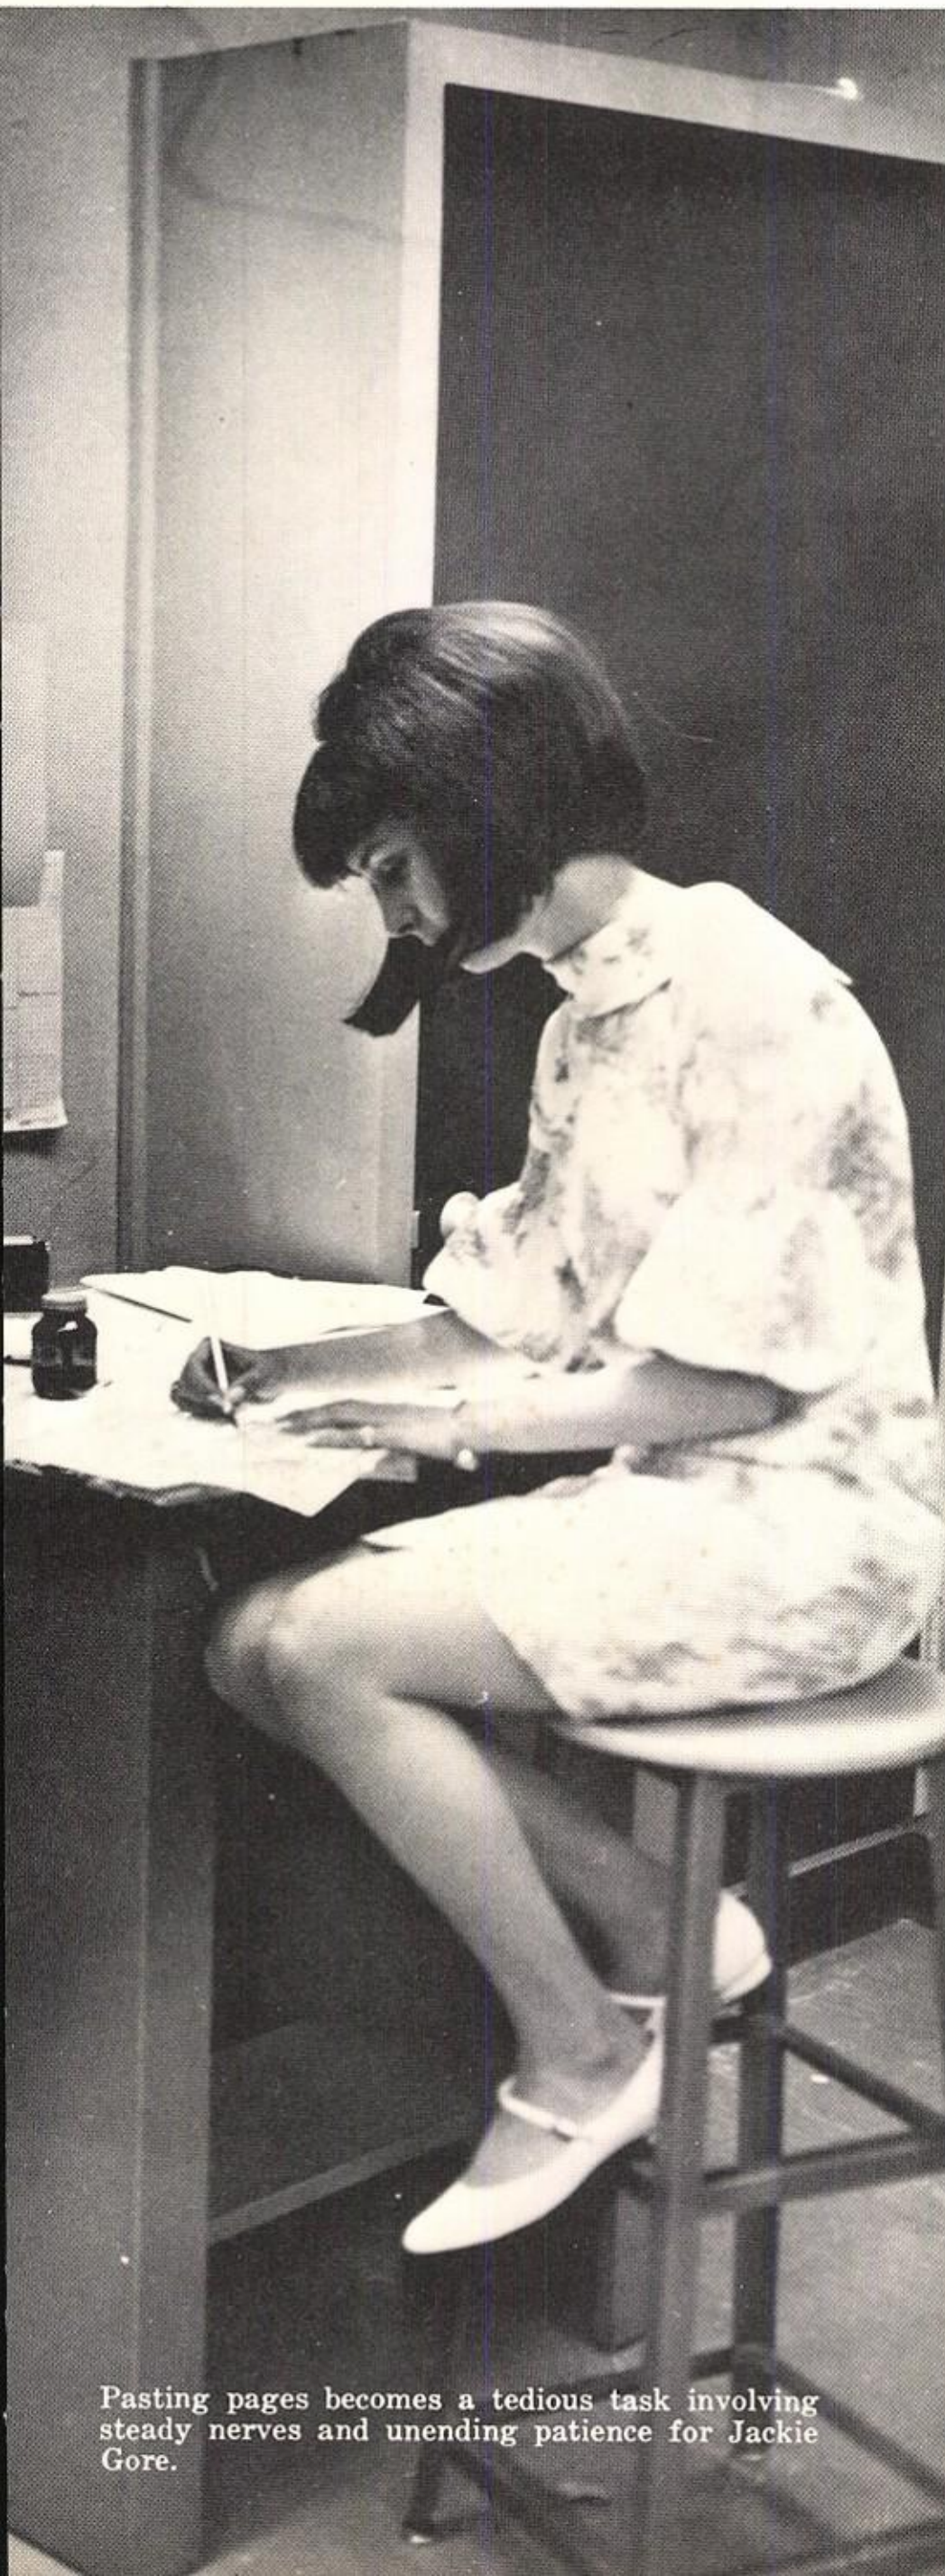

Interact member Doug Laws goes to any length to collect batteries for the money-making project.

Beacon Takes on a New Look for '69

A successful issue springs from careful planning under the leadership of Mrs. Sharon Cox and hardworking Jackie Gore.

Pasting pages becomes a tedious task involving steady nerves and unending patience for Jackie Gore.

The fourth period journalism class faces the terror of compiling their first issue.

Reflections of a school year—news, sports, fashions and personalities are all a part of the 1969 **Beacon**. This year's **Beacon** looks completely different from previous ones as it features magazine style on a smaller paper. Published every three weeks, the **Beacon** spotlights students with interesting jobs or hobbies on one-page spreads. One of the major duties of the paper is to explain various school policies to the student body.

Beacon staffers attend workshops throughout the year in order to improve the quality of the paper. Carol Furness is elected secretary of the Texas Gulf Coast High School Press Association. Staff members also go to the Interscholastic League Press Conference, San Jacinto Junior College Journalism Day and the University of Houston Journalism Day. Under the direction of Mrs. Sharon Cox, ten issues of the paper are published, along with a special Senior Day edition.

Academics

Goals for a successful high school year are achieved through the joint efforts of administrators, teachers, and students. PHS is proud of a faculty composed of educated, traveled, and interesting people. Students take pride in teachers who devote their time toward the strengthening of a student's capacity for handling responsibility and who exude enthusiasm for learning. Regardless, however, of a strong faculty, it is the action of the student body that molds the life of a school, determining the true success of a high school year.

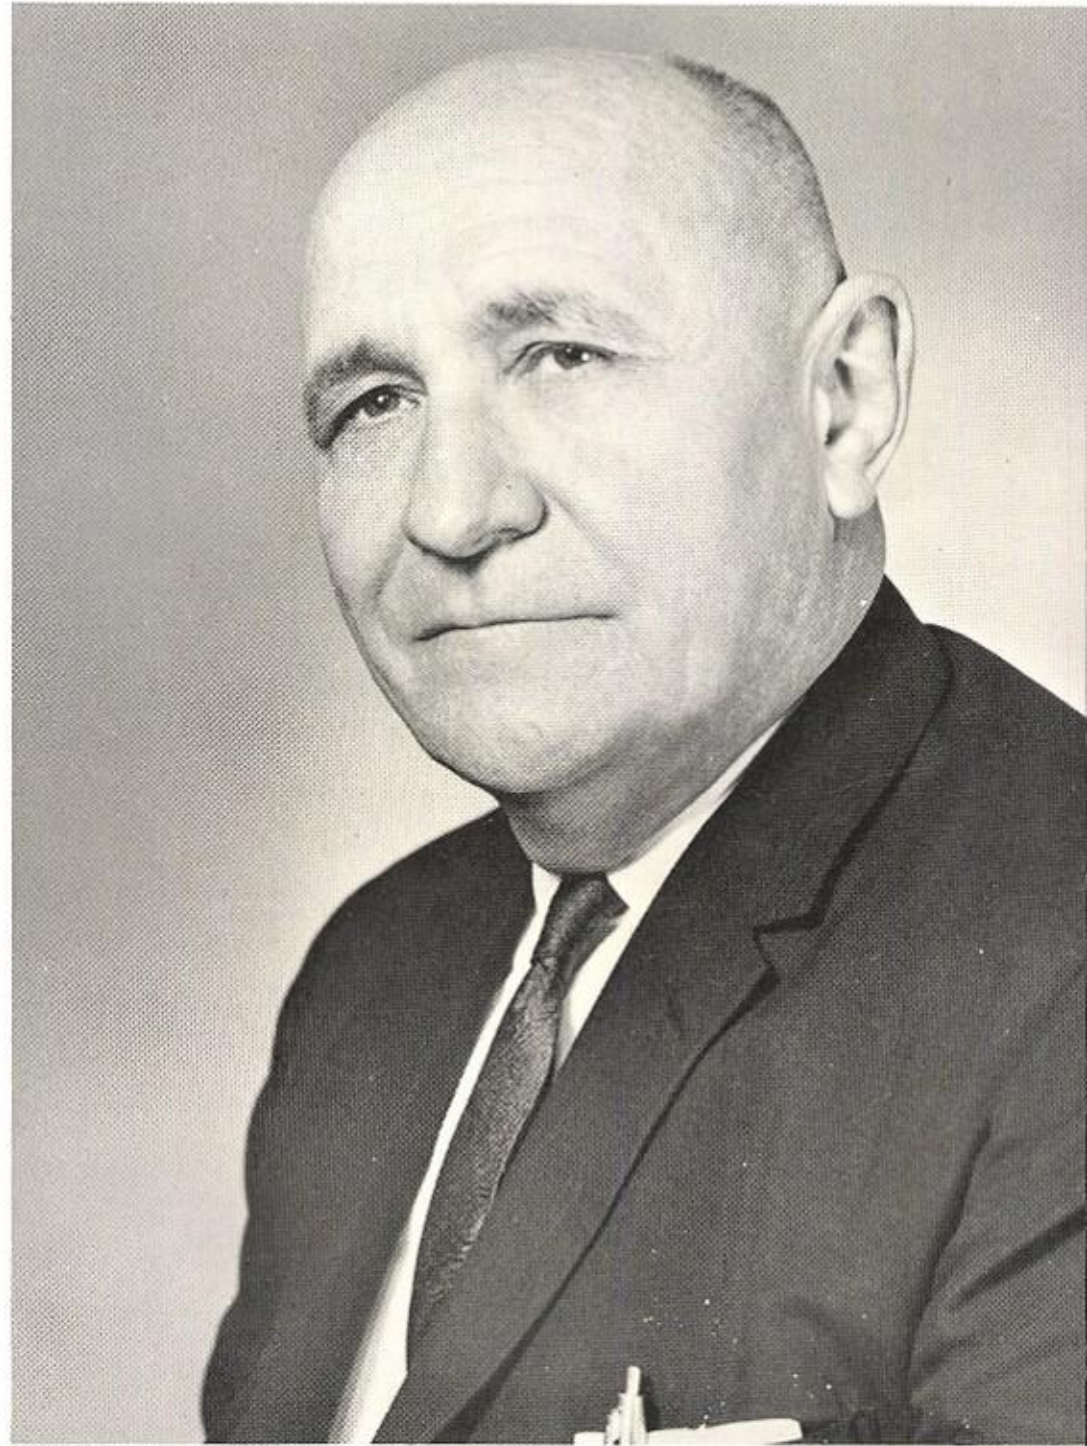

Administration Directs Successful Year

The ADMINISTRATION of the Pasadena Independent School District contributes its time and talents as the 1969 year continues. It helps regulate and amend past rules and policies to apply to our modern school district. Ideas are formulated and put into action as the need arises. This year's administration has shown an overwhelming interest and desire to help the youth they govern.

Mr. Davis and Mr. Lackey flip over another victim.

The ADMINISTRATIVE LEADERS of PHS, Lonnie B. Keller, Principal, Wilburn Lynch, Associate Principal, and Jim Davis, Assistant Principal, continue to uphold this school's already outstanding reputation. Their jobs require a great deal of diplomacy, patience, and determination in order to complete a successful year. Due to their deep insight into the problems facing students in high school, they are able to handle disciplinary matters in a fair and understanding manner. This is reflected in the willingness of students to confide in them about problems and talk with them about special projects and activities relating to school.

Mr. Lynch raises junior spirit by helping them with their SOUL poster.

Problems Into Focus

Few work so hard and accomplish so much as does Miss Agnes McKinley, DEAN of GIRLS at PHS. Not only does she help each girl on campus with any problem she may have on or off campus, but she is a friend ready to help any who need her aid as exemplified through her sponsoring of the Student Council. Here Miss McKinley excels in leadership and guidance as she strives toward deepening relations among administrators, faculty members, and students. Along with the school nurse Mrs. McCart, Miss McKinley looks after the needs of many families and students who need some form of assistance throughout the year.

COUNSELORS are faced with a tremendous responsibility as they begin a year of guidance each September. They must give assistance to students in choosing courses which will be most beneficial.

Throughout the year they continue to encourage and prepare them for a future life. Many hours are spent with individual students planning and making decisions concerning schedules, testing, programs, and college plans. All this results in a busy year for counselors.

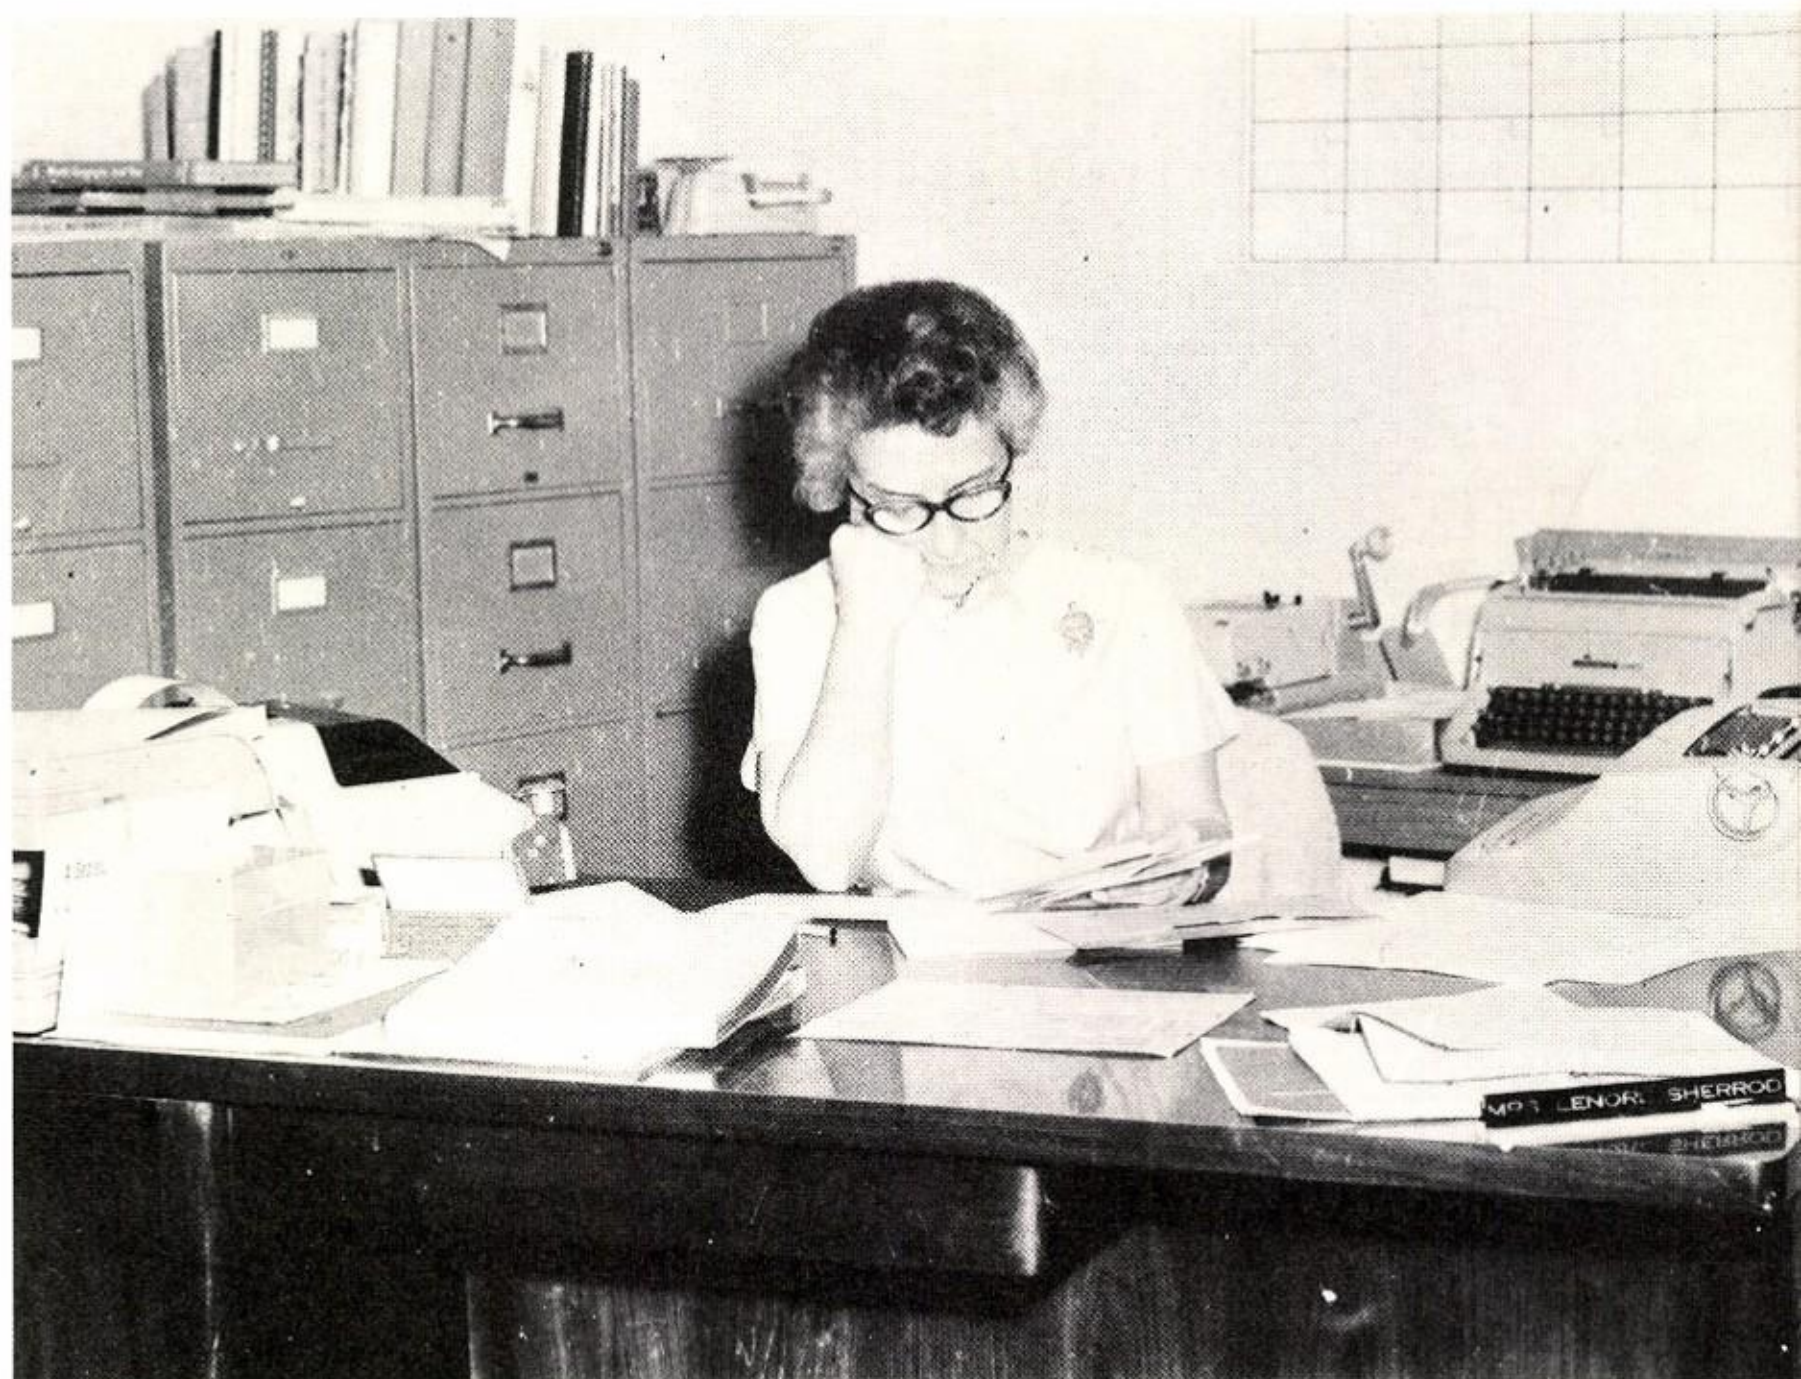

Sophomores often turn to Mrs. Williams for answers.

Never a Dull Moment

The ladies working in OFFICES at PHS are the unsung heroines of our school. They must be prepared for many unexpected situations which can and do often arise. Although the office can be found in a hectic state of turmoil at times, the smooth efficiency with which these ladies move proves that the office is truly in capable hands. Senior girls are allowed to take office as an elective. Through working in a real office, they gain experience which can be invaluable to them.

In an efficient LIBRARY like ours, students are able to find a quiet and calm atmosphere for study and research work. Such an atmosphere invites reading just for pleasure, also. The librarians, Kathleen Lege, Odessa Eskridge, and Ann Smith, spend much time taking care of the library and explaining its functions and uses to new students. The librarians teach and are assisted by students taking library science.

A lone and secluded Mrs. Lege brushes up on current events.

Math Adds Up to a Problem

MATHEMATICS at PHS is stretching its boundaries to include elementary analysis, analytical geometry, and other courses of complex study. Teachers in this department are striving to prepare students for careers that require well-educated and qualified mathematicians. A career in mathematics can only be accomplished by determination and intense study. As a student progresses in this department, he becomes eligible to join the Mu Alpha Theta, a new math club recently organized by Ivan McKinney and Walter Faseler. Mathematics is a subject to be explored and conquered so that it will become easy for one to use.

How the ancient civilization expanded and formed the world we live in today is part of what is taught in our HISTORY department. Just as past generations were faced with many problems, so is the world at present. Students learn about their failures and disappointments as well as their successes and achievements. In studying about these various aspects of the past, we are becoming better able to handle the situations we will meet in the future. Teachers in this department enrich the textbooks with films and lectures. Several new and more advanced courses are being introduced into the rapidly growing history curriculum such as contemporary world history, making the opportunities for study in this area of education more widespread.

Courses in the ENGLISH department offer a background for the understanding of more complicated subjects. Students make a detailed study of the English language and how to use it properly in composition. Much time is also spent reading and studying the literature of American and foreign authors. Plays presented by the students, and slides and films shown by the teachers help enrich the study of this subject.

The FOREIGN LANGUAGE department at PHS offers an excellent opportunity for students to learn about the countries around them—their history, geography, and customs. Here students learn to speak and to write languages fluently. These difficult tasks are made easier by modern facilities, such as the language lab. Many find this department one of interest and enjoyment and continue this line of study in college. This department offers courses in Spanish, French, Latin, and German.

The FINE ARTS department is composed of the graphic arts such as painting, music, and drama. The teachers spend a great deal of time planning and organizing activities in various fields of art. Students who show an amazing ability in a particular area are often given special coaching and encouragement. Many such students bring honors and recognition to PHS. The annual art show in the foyer is evidence of this.

The most important function of a high school is to prepare students for the future, whether it be college, a career, or a family. The COMMERCIAL department fulfills this function in two different ways. It offers courses pertaining to secretarial careers and office methods. Many of these courses are beneficial to the future homemaker in the efficient and organized management of a home. Book-keeping is the first step toward a career in accounting, but it is also important to understanding household finances and balancing a budget. Business arithmetic puts math on a practical and applicable level and teaches shortcuts and timesavers in the process. Business law is informative concerning the legal aspects which relate to owning, operating, or working for a business concern. This department contributes a great deal to accomplishing the purposes of high school with the aid of skillful, devoted teachers.

The PHYSICAL EDUCATION department adds greatly to the development of the students at PHS. Here students can escape from the pressures of their academic subjects and the world around them. They are able to enjoy a variety of sports with their friends. Team sports in which many participate are football, basketball, track, tennis, baseball, volleyball, swimming, and golf. Spirit exhibited by the teachers in this department has a vital effect on its progress.

Dedicated Teachers

Ethel Stanley resigns in 1969 after faithfully serving the math department for many years. She has been a great addition to this department and has benefited many students. Other teachers also bring pride to PHS by attending summer institutes and fellowships. Kae Velmeden and Eugene Tegeler are among these teachers. Kae Velmeden received her fellowship from Goeth Institute to study the German language for two months in Munich, Germany. This fellowship was attended by German teachers all over the world. Eugene Tegeler attended an institute entitled "organismal biology" at the college of St. Thomas in St. Paul, Minnesota. Teachers who prove their dedication in so many different ways are a credit to PHS.

Seniors

At last we are the upper-classmen—the seniors of '68. New friendships are made and others deepened while we participate in school activities with a growing enthusiasm. Our leadership is prevalent throughout PHS and because of this, new responsibilities and opportunities face us, making this a year of involvement. This promises to be a meaningful year for our class of 55.

This year, the 1969 Senior Prom touches off a spark of melancholy as over four hundred guests dance to the beat of the TSU Toronados. Once again, the prom is held at the Sylvan Beach Pavilion. The Senior Banquet takes place at the renowned Houston Yacht Club, with more than one hundred forty persons attending. The guest speaker at the banquet is Mr. Alfred Danheim, the director of Special Services for the Pasadena Independent School District.

Seniors Flourish In Their Own Right

The cafeteria becomes a banquet room for the mighty seniors on their day.

Graduation practice goes smoothly in the auditorium.

Here it is! This is the time when hearts fly and people pace the floor hoping to pass their finals as graduation nears. All the hustle and bustle of the past years now seems worthwhile. The dull hours of studying become stepping stones to newer and greater heights after that final, climactic moment when diplomas are received. The many teachers who have guided your progress prove to be invaluable for their sharing of knowledge. The extra effort put forth by some instructors is emphasized because it will be extremely important in the future. The final realization comes when you really understand that after that single, short night you will be a graduate of Pasadena High School. Twelve years of learning and ability are represented by a thin layer of fibrous wood pulp called a diploma.

Instructions flow freely while seniors receive caps and gowns.

Student speakers for the graduation are chosen by the faculty on the basis of oratory skills. Sunne Cope delivers the invocation, Judy Porter talks about future ambitions, and Mark Stubbs closes the entire ceremony with the benediction.

Happy Days Are Here Again OR The Great Escape

Seniors rush to turn in their caps and gowns.

The Senior Class of 1969 has come to its greatest endeavor. For now this class will be embarking on a journey through life. They will experience the joys and sorrows of an individual, an insecure person in a world of strangers. Yet, to maintain its strength and courage, this class will always recall the good, and sometimes bad, memories of Pasadena High School. They have spent four years in our school, watching it grow in both physical and moral qualities. They have walked through the halls countless hours in expectation of graduation, that fateful moment when some feel really free, and others afraid. They will drift apart, searching for separate careers, but they eventually return, seeking old friends or making new ones. So, the class of 1969 will not be parted, but will always remain as one in the minds of these graduates.

Juniors

The only word for this year's junior class is great ... great in spirit, great in athletics, and great in ability. Junior enthusiasm is visible at pep rallies as "We've got spirit ..." can be heard. These words help to cheer the Junior Varsity to nine victories this season. Because of their willingness to help with projects and to work hard in school, the junior class moves forward to success. Juniors truly have a class they can be proud of, as moments of utmost efforts and wonderful times with friends are remembered.

Each September at the annual party the cafeteria once again comes alive with students returning to school after summer vacations. It is always a happy reunion, and after an eventful summer, there is a great deal of news and many stories to be exchanged. Although it is crowded and noisy, people are able to remember highlights of the past year while signing yearbooks. However, it is now also time to anticipate work of the coming year because as juniors we are now leaders ... not followers!

There are many special courses offered to students at PHS which enrich selected vocations. Mrs. Alice Burford, the head of a special English class for OCT students, was the first to think of using newspapers each week to widen students' usage of grammar. In this manner new interest sparks otherwise routine studies and broadens the education of those involved. Many juniors find vocational training courses such as DE, OCT, and ICT enjoyable because they are able to train for a job while receiving the benefits of an education at the same time.

The key word to the attitude of this year's junior class is spirit. They were the first to receive the spirit stick for enthusiastic cheers at pep rallies and worked hard to keep the title for another week during the season. At times, their section at the pep rallies is decorated with balloons, colored lollipops and spirit signs made by junior cheerleaders. Poster parties and "write-ins" also provide fun while backing the team with visible interest and confidence. Always present at the games, the juniors cheer PHS on to winning titles.

Our cheerleaders imitate the masculinity of Rayburn football players at the pep rally.

Sports are another capacity in which juniors display exceptional talent. Junior boys can be seen working long hours after school every day to attain their goals in sports—football, basketball, baseball, track, tennis, and swimming. Many junior girls enjoy participating in GRA and are members of the girls' tennis team or volleyball team. There are many types of sports to choose from, and all provide rewarding fun as extracurricular activities.

Many football boys are seen standing pensively at morning pep rallies.

Hits the Campus

This fall our campus is the site of mass campaigning as the 1968 presidential election arouses many public-spirited students to support their favorite candidate. A recent poll taken by members of the **Beacon** staff and the faculty shows that a slight edge is held by the Republican nominee, Richard Nixon. Students have shown their enthusiasm by obtaining additional information concerning issues prevalent to this election at the various campaign headquarters.

After a hasty party conference, the attendance office girls have decided to strengthen Pat Paulsen's platform.

Matt Reid has difficulty deciding on a political candidate.

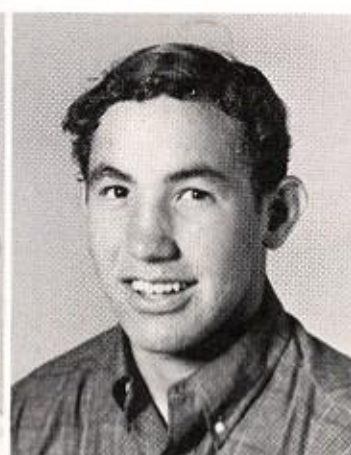

Juniors Are Chosen as Miss

Each year at Christmas, a boy and girl are chosen to represent their class in a contest for the titles of Miss Merry Christmas and Mr. St. Nick. The class with the most votes receives the titles, and as a result the candidates and their helpers are seen at all hours of the day, pleading for contributions. Cake sales and other fund raising ideas are used to help build votes, and at the end of each day, contributions are counted and recorded by Miss Mary K. Myers. The winners are announced at the annual Christmas party and excitement stirs as hopes mount during the week. The spirit of the contest stays in keeping with the season, however, as all proceeds are given to the United Fund to help families at Christmas.

Candidates pose relaxed after the winners have been announced.

Juniors not only show their ability in sports and personal achievements, but in academics as well. The students in PHS rank high academically in comparison with other schools across the nation as is shown by achievement tests taken every year. On the opposite page, they are pictured from left to right as Wayne Sullender, Lee Thompson, Steve Shuttlesworth, Betty Ellison, Julie Jones, Glenda Kingsbury, Kathy Williams, Sherri Burns, Ruth Ann Jones, Ronald Johnson, Wayde Shipman, and Sandra Crosnoe. Junior Kenneth Wiggins receives ribbons and a trophy for perpetual care of his rabbits.

The conscientious Future Farmers of America work hard each year to favorably represent PHS at the Pasadena Livestock Rodeo Show. In addition to calves, the boys also breed and groom rabbits and chickens to enter in individual contests. These animals are carefully fed and cleaned prior to the showings. Kenneth Wiggins, who has won a trophy and numerous ribbons for his rabbits, is only one of many junior winners in the rodeo contest. Mr. Etheridge, FFA sponsor, says that the rabbits at PHS are rated the second highest in the United States.

Visitors Prove Popular Among Students

Students appear attentive as M. McClenahan discusses his duties as foreign emissary to the U.S.

Professor Kim Soo demonstrates the correct Karate technique used to split a pine board one inch thick

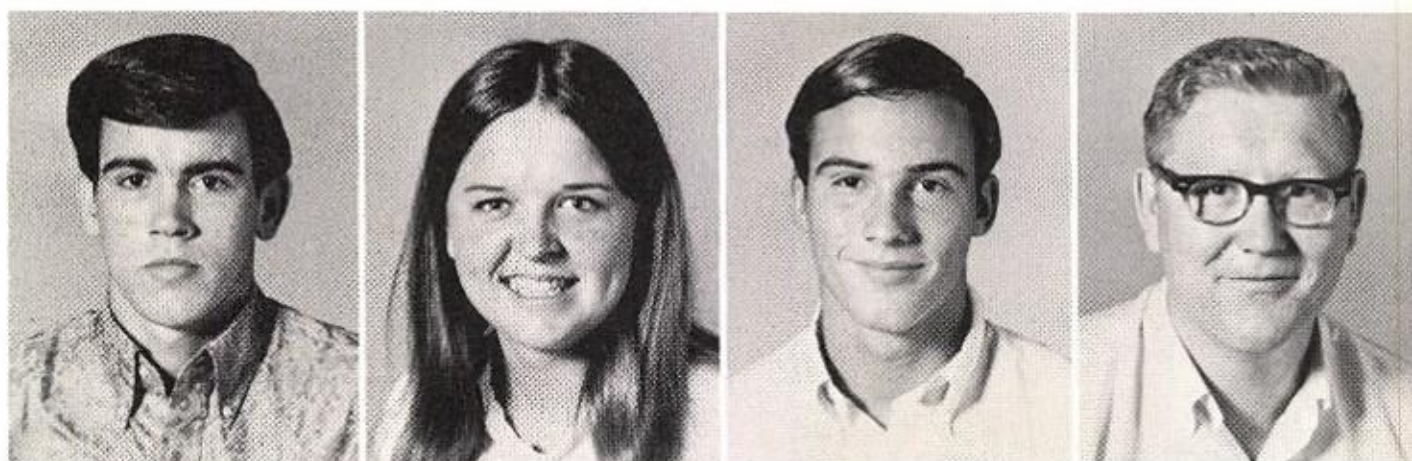

During the past several months, many talented, well-known, and important people have graced the halls of PHS. Among these, the most notable is Spiro T. Agnew, the Vice-President of the United States. From the diplomatic corps, Monsieur McClenahan, a consul from the country of France, visits our school. He is interviewed by one of Mr. Estill Allen's history classes. Perhaps the most talented is Professor Kim Soo, a black belt Karate expert and instructor to the bodyguards of the former President of the Republic of Korea.

Sophomores

Beginning their second year at PHS, 681 sophomores led by Kim Brizendine, Wynan McCaffety, Marla Smith, Judy Price, and Pat Forbes, start out to make this memorable year. No longer requiring help to find class, they look forward to the exciting and fascinating year as a sophomore. With the help of Mrs. Ethel Williams, sophomore counselor, many parties and other activities are enjoyed by these enthusiastic seniors of '71. Their effort to be an outstanding class is shown at the football pep rallies as they are constantly striving for the coveted spirit stick, which they receive for one week. This year is by far the year of the sophomores.

"Well, Mr. Lucifer, if we go on vacation, Mr. Davis will handle things for a while."

The various campus organizations and visiting groups have brought Pasadena High School many hours of interesting enjoyment. The A Cappella Choir and the Performing Arts Club combine to present a dazzling exhibition of Christmas history, past, present, and future. The Eagle Escort Revue unites talent and beauty to produce a brilliant array of pageantry. The Health Careers Caravan's assembly encourages interested students to enter paramedical fields of study.

Dr. L. A. Boratory's attempts are wasted as he tries to repair a patient injured in the operating room.

Many hours are needed for perfecting the special effects for opening night.

Assemblies Provide Variety in Daily Activities

Dancers perfect their routine during a last-minute rehearsal.

This second annual Sadie Hawkins Week at PHS gives every girl on campus a chance to get the date she has always wanted. The cheerleaders help make things a little more formal by selling boutonnieres. Boys definitely enjoy this switch of routine for one week, which gives them the chance to save their money.

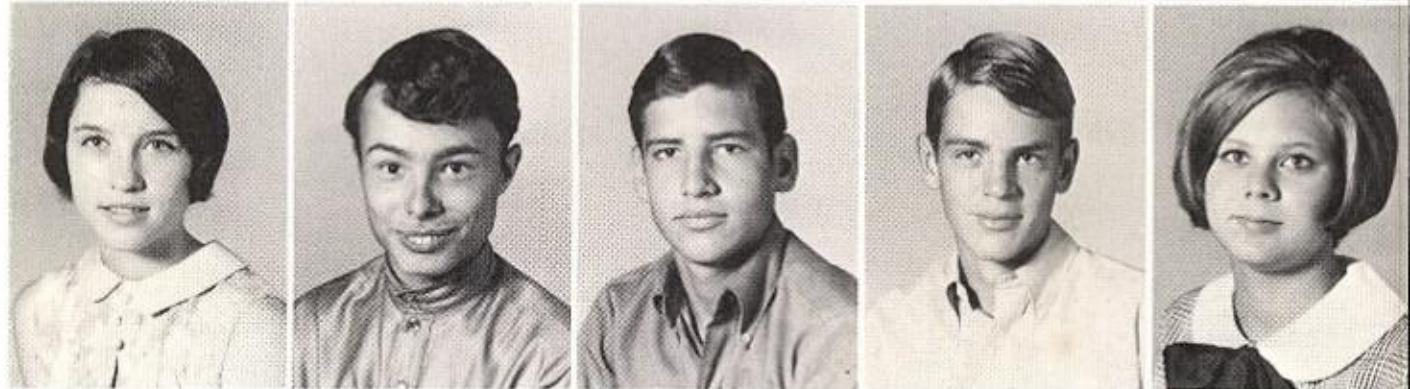

Because she always gets her man, Debbie Shook pursues Will Hasson.

Starting the new year off right, the sophomore and freshman classes sponsor an all-school party in the girls' gym. Music is provided by the well-known "Love Society," thus prompting more students to attend this January 19th party. For those who do not dance there are volleyball games and ping-pong tables in the upstairs gym. Admission price is twenty-five cents, which is paid when entering the gym. This party is by far the most exciting one of the year!

Sophs Push for Pennies

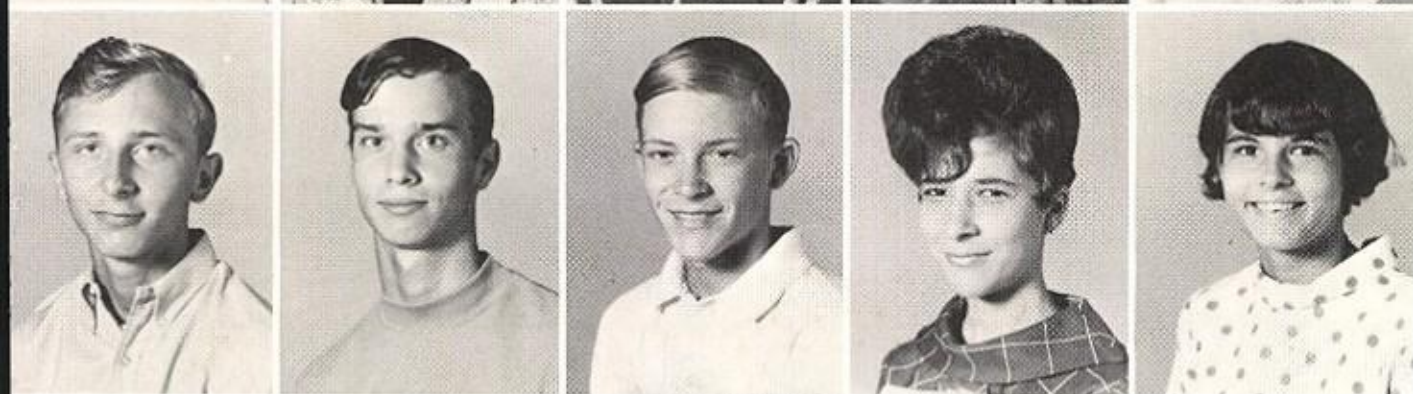

Pleading for pennies at PHS around Christmastide is not an unusual pastime for each class' representatives for Miss Merry Christmas and Mr. Saint Nick. Chosen this year by the sophomores are Debbie Shook and Larry Kocurek. With the help of fellow classmates, Debbie and Larry sell cakes, cookies, and cupcakes to earn money. Through the contributions of their friends, they end up in a close second place, being only four dollars behind the juniors.

GSL Promotes Friendship Among Schools

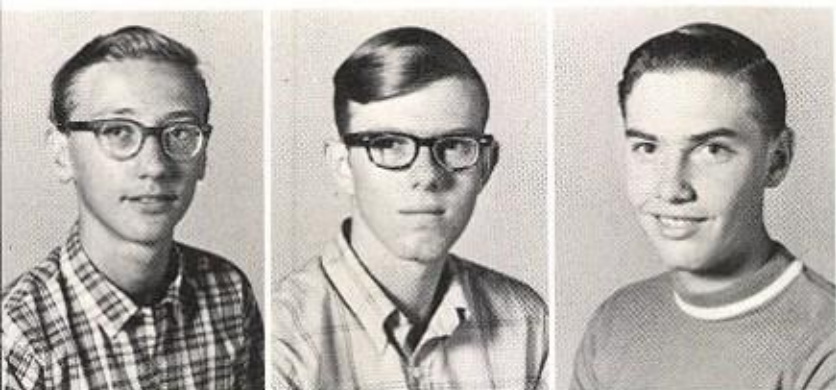

The district Good Sportsmanship League Convention is being held this fall at Pasadena High School. It is the first of two GSL conventions meeting in our area during the 1968-1969 school year, and is sponsored by our Dean of Girls, Miss Agnes McKinley. PHS acts as host for fifty delegates from various schools located throughout the PISD.

Where to go puzzles many visitors, but Tim Williams offers a helping hand.

GSL officers relax before the convention begins and enjoy a moment of laughter with friends.

Campus Activities Involve Extra Effort

Mr. Haynes assists Taaffe Cox in decorating for the PAC saloon.

During the past school year, PHS is the setting for various behind the scene action. Among these less publicized affairs is the Most Beautiful Eyes Contest for which Glenn Bondy is chosen for his precious peepers. Also, the Art Club sponsors a fair with booths representing the different campus organizations. Two sailors from the French Fleet are invited to visit our school by Mrs. Sheila Lodise.

Jacques and Jean-Pierre talk about France with Mrs. Lodise.

Faculty Advisors Direct Freshman Class

As freshmen start their new year at PHS, the counselor is there to help them to overcome their difficulties and to become a vital part of the school. Mrs. Margo Bishop helps the students select classes for their beginning year while making them feel at home and enabling them to accept the responsibilities of being a high school student.

People once believed that the birds began to sing on February 14th. The keeping of Saint Valentine's Day as a day of friendship probably grew out of this belief. It was not until this century, however, that the custom of sending valentines to people became popular. In accordance with this custom, freshmen contribute to the vast number of valentines that are sent to each other on Valentine's Day.

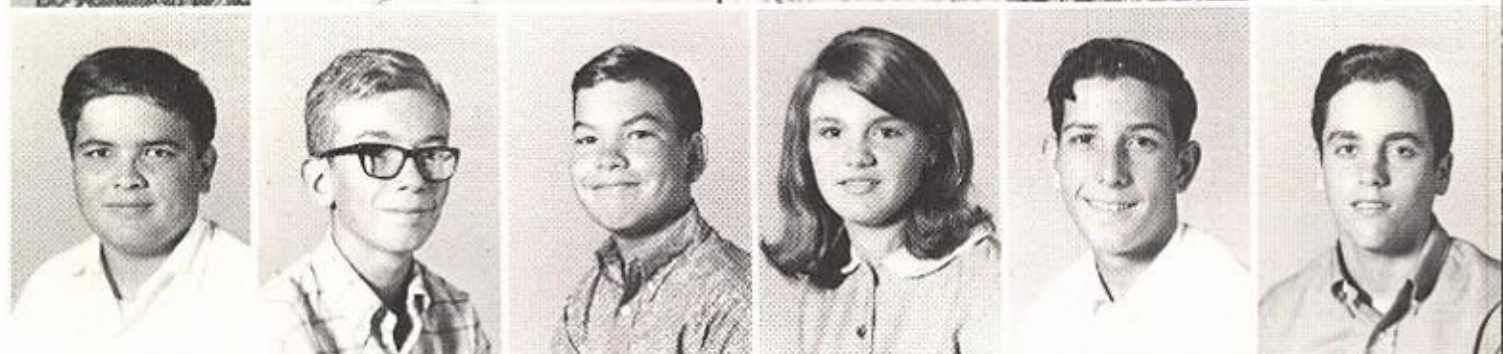

Freshman FTA members await late arrival of singing telegrams.

Beginning a new year at a large school such as PHS is no easy task for any freshman student. Faced with the many threats and circumstances which might come from upperclassmen, freshmen finally realize that this is a part of the everyday life which they will have to endure for the whole year. In spite of the teasing of the upperclassmen, however, the freshman class exemplifies high spirits, which they exhibit all year long.

Hard Work Produces Successful Performance

As a climax to a wonderful year, the 1969 Senior Talent Show becomes a tremendous success. Many hours of hard work are required to produce such a fantastic piece of entertainment. The settings of the various skits supplement the intended idea of the show that it has been a rough road and "you've come a long way, baby." Spectators are shocked and amused as the lights dim, a hush descends over the audience, Mr. Lackey slowly unrolls his fluorescent duck poster, and someone lets out with a mighty "QUACK." Then, the onlookers laugh and cry simultaneously at the comic imitations of Taaffe Cox and the corny jokes of the emcees. Yet, this has truly been a memorable performance, and has helped to make this year one of the best.

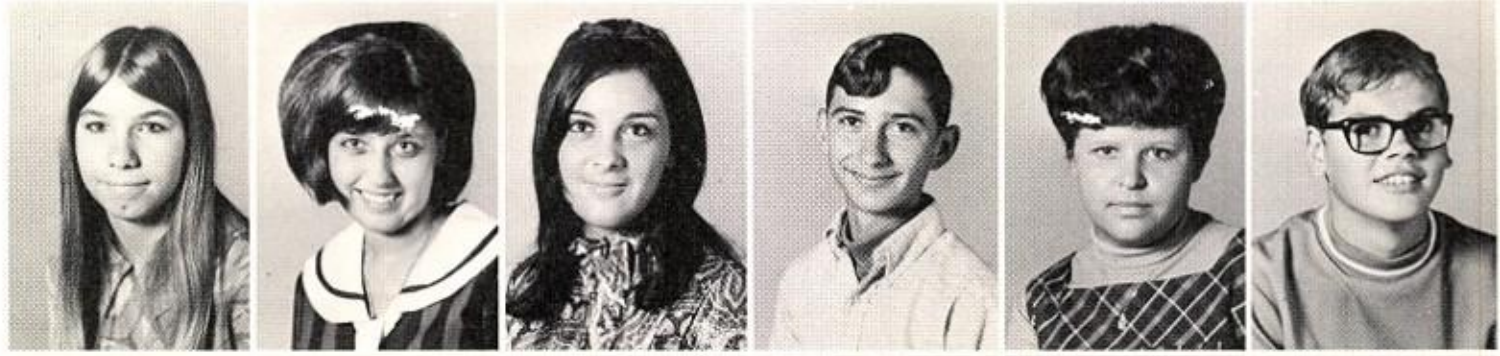

Diann and Jackie Neff bring back the gay nineties with their rendition of an old tune.

Music of the Burgundy Street attracts an odd assortment of listeners.

HOW THE SCALLOP SHELL EXPRESSES A COMPANY'S DEDICATION

The ancients, exploring beyond known horizons, chose the scallop to symbolize their quest. Today Shell scientists and engineers probe the unknown to bring tomorrow closer. Wherever you see the Shell sign, it represents this constant search, this pursuit of excellence, of new ideas, new products, new ways to serve you better.

Shell...dedicated to the pursuit of excellence.

I am a part of all that I have met
Yet all experience is an arch wherethrough
Gleams that untravelled world, whose margin fades
Forever and forever when I move.
How dull it is to pause, to make an end,
To rust unburnished, not to shine in use!
As though to breathe were life. Life piled on life
Were all too little.

Alfred Lord Tennyson
